SPRING 2013 Course Registration

CURRENTLY ENROLLED STUDENTS

(Newly Admitted and Readmitted students should contact the Offices of Graduate and Undergraduate Admissions respectively)

Your **SPRING 2013** registration date and time, based upon your status as a currently enrolled student is now online at your CUNY Portal account at www.cuny.edu. After you have logged on, select CUNY ESIMS. Place your cursor over "*Registration*" for **SPRING 2013** and your registration date and time will appear.
NOTE: Once your registration date and time have been met, your registration date and time will no longer appear.
I urge you to view your registration date and time upon receipt of this notice and make note of it.

Your registration date and time is based solely upon the number of credits you have earned within your classification ie: Upper Senior, Lower Sophomore, Graduate Degree, Undergraduate Non Degree in 10 minute increments. You may not register before your appointed date and time. Registration dates and times are never changed.

All course registration and tuition payment is performed online at CUNY ESIMS via your CUNY Portal account at www.cuny.edu.

You may register for a maximum of 17.5 credits for the Spring 2013 semester.

It is prudent to seek academic advising prior to your registration date and time.

The following documents will be available on the Registrar's web page the week of November 19, 2013
