General Information

As a benefit of registering for a certificate program, students who fail a course can retake this course free of charge within one year. This privilege can be exercised only once for the duration of the program. See our retake policy below. For detailed retake, refund, and discount policies, please visit: <http://www.hunter.cuny.edu/ce/general-information/refund-policy>

Retake Policy

- If for any reason a student does not complete a class, the class will be treated as a failure. In this case, the Retake Policy will apply.
- The Retake Policy allows a student to retake the failed class free of charge within a period of one year. This privilege can be exercised only ONCE for the duration of the certificate program.
- If a student believes that his or her circumstances warrant special consideration in the case of a dropped or uncompleted class, please state the reason in writing and send to the Deputy Director of CE, whose decision on the matter will be final.

Course Status

If enrollment for a course does not reach a required level, the course will be canceled. However, when maximum enrollment is reached, the course will be closed immediately and the names of interested registrants will be put on a wait list and notified on a "first come" basis if an opening occurs. Please register early to avoid disappointment.

Grades

Student progress is measured through examinations, research and writing assignments, and classroom participation. A grade of A, B, or C is required in each certificate course. **A passing grade is 73=C.** *Note: The passing grade for the Certificate in Translation and Interpretation Studies is a B.*

Student Visas

Continuing Education Certificate Programs are part-time non-credited courses and therefore we do not issue student visas. To apply for a student visa, students must be enrolled in a full-time credited college program or an ESL studies program.
