Certificate in Aging & Mental Health Payment Plan Guideline

Dear prospective student,

We have implemented a payment plan feature for some of our courses and certificate programs in order to aid those with financial difficulties. In order to be considered for a payment plan, you must be working or have a guarantor who will be paying your behalf. This guideline is meant to provide you with some basic information about the plans we have available.

Certificate Program

Total Tuition \$2,430

The three available plans are:

1- Plan A HALF means 1/2 of the tuition at **setup date** and the balance over a period **not exceeding ten months (\$1,220+10 payments of \$121.00)**

2- Plan B THIRD means 1/3 of the tuition at **setup date** and the balance over a period **not exceeding ten months (\$810.00+ 10 payments of \$162.00)**

3- Plan C FOURTH means 1/4 of the total tuition at **setup date** and the balance over a period **not exceeding ten months (\$610.00 + 10 payments of \$182.00)**

All payment plans are subject to approval and are in no way guaranteed. To enroll, you will need a major credit or debit card and proof of identity.

The amount under each option is adjusted in order to facilitate the process.

Yours truly,

Cristian Gallardo
