**Continuing Education: Certificate in Interior Design - Payment Plan**

Dear prospective student,

We have implemented a payment plan feature for some of our courses and certificate programs. To be considered for a payment plan, you must be working or have a guarantor to pay on your behalf. The following payment plan option for the **Certificate in Interior Design** reflects the \$35.00 registration fee.

**Certificate in Interior Design**

**Total Tuition: \$2,200 *plus* \$35 registration fee**

**Payment Plan Option:**

Down Payment of **\$1,135** + 4 payments of **\$275**

\*The amount will be adjusted accordingly to facilitate the process.

All payment plan requests are subject to approval and cannot be guaranteed. You will need a major credit or debit card and proof of identity. The down payment is due at registration.

Yours truly,
