**Legal Studies Program Payment Plan Guideline**

Dear prospective student,

We have implemented a payment plan feature for some of our courses and certificate programs in order to aid those with financial difficulties. In order to be considered for a payment plan, you must be working or have a guarantor who will be paying your behalf. This guideline is meant to provide you with some basic information about the plans we have available. The amounts on the plans reflect a \$20.00 registration fee.

**Certificate Program**

**Total Tuition \$ 3,700.00**

The three available plans are:

- 1- Plan A HALF** means 1/2 of the tuition at **setup date** and the balance over a period **not exceeding ten months (\$1870.00 +10 payments of \$185.00)**
- 2- Plan B THIRD** means 1/3 of the tuition at **setup date** and the balance over a period **not exceeding ten months (\$1,255.00 + 10 payments of \$247.00)**
- 3- Plan C FOURTH** means 1/4 of total tuition at **setup date** and the balance over a period **not exceeding ten months (\$945.00 + 10 payments of \$278.00)**

All payment plan requests are subject to approval; therefore, they are in no way guaranteed. All you will need is a major credit or debit card and proof of identity. The amount under each option is adjusted in order to facilitate the process.

Yours truly,
