**Medical Coding and Billing Certificate Payment Plan Guideline**

Dear prospective student,

We have implemented a payment plan feature for some of our courses and certificate programs in order to aid those with financial difficulties. In order to be considered for a payment plan, you must be working or have a guarantor who will be paying your behalf. This guideline is meant to provide you with some basic information about the plans we have available. The amounts on the plans reflect a \$20.00 registration fee.

**Certificate Program**

**Total Tuition \$ 2,900.00**

The three available plans are:

**1- Plan A HALF** means 1/2 of the tuition at **setup date** and the balance over a period **not exceeding five months (\$1,468.00 +6 payments of \$242.00)**

**2- Plan B THIRD** means 1/3 of the tuition at **setup date** and the balance over a period **not exceeding five months (\$988.00 + 6 payments of \$322.00)**

**3- Plan C FOURTH** means 1/4 of the total tuition at **setup date** and the balance over a period **not exceeding five months (\$748.00 + 6 payments of \$362.00)**

All payment plan requests are subject to approval and cannot be guaranteed. You will need a major credit or debit card and proof of identity.

\*The amount under each option is adjusted in order to facilitate the process
