Budgeting Procedures

Funding shall take place on an annual basis. The USG or GSA offices will notify each club of their allocation. This allotment of allocation can only be distributed by the government.

Clubs must submit a five page revised budget to their respective governments who will review the budget and the club will bring it to the College Association office to be placed on its biweekly agenda.

Clubs not submitting a budget will not be able to request funds.

Required Signatures

All funds for support of student budgets must be based on written documentation.

All requisition for disbursement forms (vouchers) must contain a signatures the president or treasurer.

If, for any reason, a club president or treasurer changes, a new signature profile for that club must be submitted to Student Activities Office to be approved.

Only currently registered students may sign budgets, vouchers or any other forms on behalf of a student organization.

The College Association review the voucher to make certain that the proper documentation is provided and that there are sufficient funds allocated to this particular line item to cover the specific request.

Student activity fee funds are to be used exclusively for the direct benefit of students enrolled at Hunter College. Under no circumstances can student activity fee money or money generated from it or college facilities be used for personal use or gain.

All budgets must be submitted on an annual basis. No budget will be reviewed by the College Association unless submitted to the College Association Office at least ten working days prior to the College Association meeting.

All budget forms are available on the College Association Website – www.hunter.cuny.edu/college-association

Please also review the College Association website for all College Association related information, including policies, meeting times, minutes, etc.

- Submit the revised Budget Request Form to the College Association Office (room TH214) to reflect the amount allocated by the student government or Media Board.
- Funds cannot be accessed until the College Association has officially approved the budget.
- It is the responsibility of each club or organization to check with the College Association Office to find out if your organization's budget was approved.

2. As indicated in #4 on the Budget Request Form, all clubs are now required to have at least four (4) activities per year, including at least one (1) per semester related to the club purpose.

3. A maximum of 25% of the total club budget can be spent on all costs associated with social events unrelated to club purpose.

4. Students who spend their own money for a club-related event prior to budget approval will not be reimbursed unless the new Request For Reimbursement Form, which can be downloaded from the College Association website (<http://www.hunter.cuny.edu/college-association>), is approved prior to expenditure.

Revenues/Income

Revenues/ Income are subject to the same budget procedures as the student activity fees themselves.

Financial Reconciliation

For income producing events, all student organizations are required to obtain pre-numbered tickets, at least fourteen days in advance. It should be noted that tickets, which may be obtained from the College Association Office, are required for all events held in the Lecture Halls, Lounges and the Cafeteria. All tickets for events held in the Assembly Hall are obtained through Central Reservations (Room 711 West).

If student clubs do not deposit their revenue or give a proper accounting within seven school days of the event, a “freeze” will be placed on their account and on the individual student’s record until the aforementioned is submitted. Keep in mind that this is revenue that legally belongs to the student organization sponsoring the event.

Under no circumstances may money be paid to a student or group of students (or to any other person or group) directly from revenues generated by student activities or events funded through the student activity fee. It should be noted that all revenues must be deposited in the sponsoring group’s college account.

Purchase/Bidding

All purchases on behalf of student organizations must comply with New York State regulations. It should be noted that bids are required for all purchases over \$500. All questions regarding compliance with New York State bidding and purchasing regulations should be referred to the Hunter College Association Office. All student organizations are required to meet with Nicole Hector of the College Association Office before ordering equipment or contracting a printing service, etc.

Revenues

All revenues generated by the student activities funded through student activity fees shall be placed in a college central depository subject to the control of the allocating body. The application of such revenues to the account of the income generating organization shall require the specific authorization of the allocating body.

Media Board

Funding shall take place on an annual basis. The College Association shall notify the Board of monies available from student activity fees for media. This is to be done as soon as the amount is determined.

Each request for funding must indicate the following:

- a. Detailed budget for the year, including **estimated advertising revenue in letter form** or other sources of funds anticipated, and a statement of the extent of anticipated work produced (for instance, number of issues to be print.)
- b. Previous year's approved budget allocation and any emergency funds allocated.
- c. Report of previous year's spending and summary of year's activities, including number of issues published, with a detailed and documented breakdown of all expenditures.

All requests for payment forms (vouchers) must be signed by the Chair of the Media Board. In the absence of the Chair, the vice-chair or the Associate Dean of Students may sign.

Off-Campus Events

The College has a responsibility to protect the Safety of our students when the student organization or College name and student funds are being used for off-campus events.
