**Re:** **Reaffirmation of Commitment to Diversity/Affirmative Action/Equal Opportunity and Non-Discrimination**

---

I write to you to reemphasize that The City University of New York (CUNY) has a long standing commitment to diversity and equal opportunity in all aspects of employment practices and campus life. At Hunter, I fully support the policies and practices that we have implemented to foster non-discrimination, affirmative action, and diversity and inclusion in the workplace and as a campus community as a whole. It is my personal belief that CUNY is enriched by the strengths of the people and perspectives represented here.

Accordingly, I am committed to oversee Hunter's compliance with the CUNY Policies and Procedures on Equal Opportunity, Non-Discrimination, and on Sexual Misconduct.

The [Equal Opportunity and Non-Discrimination Policy](#) states CUNY's commitment to recruit, employ, retain, promote, and provide benefits to employees, as well as, admit and provide opportunities and services for students, regardless of race, color, creed, national origin, ethnicity, ancestry, religion, age, sex (including pregnancy, child birth or related conditions), sexual orientation, gender, gender identity, marital status, partnership status, disability, predisposing genetic characteristics/genetic information, alienage, citizenship, military or veteran status, unemployment status, or status as a victim of domestic violence/stalking/sex offenses, or any other legally prohibited basis in accordance with federal, state and city laws. In addition, the CUNY Policy on Sexual Misconduct prohibits harassment on the basis of sex, which includes sexual orientation, gender, gender expression and gender identity, including transgender status. I also want to remind you that the Italian Americans are included among CUNY's protected groups. In addition, CUNY is a federal contractor, CUNY engages in affirmative action consistent with federal requirement. I invite you to visit our website <http://www.hunter.cuny.edu/diversityandcompliance> to view the Equal Opportunity Policy in its entirety, including the complaint procedures and prohibition against retaliation.

I have assigned the responsibility for the implementation and monitoring of our compliance program to the Dean for Diversity & Compliance, John T. Rose, who also serves as the Title IX Coordinator and Chief Diversity Officer. The Diversity & Compliance Office is located in the East Building, room 1706, and the telephone number is (212) 772-4242.

Any individual who believes that they have experienced discrimination based on attribute of their identity, as expressed above, should immediately contact John T. Rose. Dr. Jennifer Schnell, of the Department of Special Education, is the College's 504/ADA Coordinator and collaborates with the Office for Diversity & Compliance with respect to allegations of disability discrimination. In addition, any individual who believes that they have experienced sexual misconduct as explained in the CUNY Policy on Sexual Misconduct (sexual harassment, sexual assault, intimate partner violence, domestic violence, stalking, and voyeurism) may contact John T. Rose or email [TitleIX@Hunter.cuny.edu](mailto:TitleIX@Hunter.cuny.edu), or may also contact external agencies such as the US Department of Education or Office of Civil Rights. The Vice Presidents, Deans, Directors, Managers, and Supervisors share responsibility for ensuring their staff is aware of these policies and reporting procedures and certify our compliance with these policies and laws.

As President, I urge you to persist in the active recruitment, retention and development of Hunter College's diverse community. I am committed to doing all that I can to support these efforts, whether on campus or in a remote environment.
