### Now That You Know You Are a Responsible Employee

**When Do You Report?**

Once you learn of an incident, whether by your own observation, a third party reporting to you, or the person mistreated reporting to you directly, you **MUST** report it immediately to the Title IX Coordinator. The Title IX Coordinator at Hunter College is John T. Rose who can be reached at [john.rose@hunter.cuny.edu](mailto:john.rose@hunter.cuny.edu), (212) 650-3262, East Building 17th floor. You may also email the Title IX Team at [TitleIX@Hunter.Cuny.Edu](mailto:TitleIX@Hunter.Cuny.Edu)

<td>As soon as you learn of the subject matter, interrupt the student and advise them that you are categorized as a Responsible Employee and therefore, obligated to report this incident to the Title IX Coordinator. You should inform them that information will only be shared on a need to know basis and the Title IX Coordinator can assist them with resources, answer any questions and explain the process.</td>
<td>You do not have to stop them nor are you mandated to report, however, you should advise them of the services at Hunter College and give them contact information for Public Safety or Student Affairs depending on the issue. If you are worried about the student’s mental health and safety you may also file a BRT Referral at the website: <a href="http://www.hunter.cuny.edu/brt/protocol/protocol">http://www.hunter.cuny.edu/brt/protocol/protocol</a></td>

### What If the Person Says They Want to Maintain Confidentiality?

Prior to hearing the details, you should advise the individual(s) that you may not maintain confidentiality due to your role as a Responsible Employee. However, you may be respectful of their privacy and explain you will only share this information with the Title IX Coordinator and possibly their Supervisor. If the individual(s) is adamant about remaining confidential then you should point them to the employees on campus that can remain a confidential source such as, Counseling and Wellness or Pastoral Counselors. If the individual reporting is an employee there is no appointed confidential person(s) on Campus, however, please inform them of Deer Oaks Counseling Services under CUNY Employee Assistance Program.
WHAT IF THE INCIDENT INCLUDES DRUGS AND/OR ALCOHOL?

When a student is reporting an incident of sexual misconduct there is a Drug and Alcohol Amnesty Policy in place to protect them for getting in trouble for using drugs or alcohol, during, before or after the alleged incident. Therefore, you may disclose to the individual that they will not get in trouble or be disciplined for any use of drugs or alcohol in connection with the incident, unless it is used as a means to harm someone else.

WHAT IF THE INDIVIDUAL IS AFRAID OF RETALIATION IF IT IS REPORTED TO THE TITLE IX COORDINATOR?

Please inform the individual reporting the incident that CUNY has a strict retaliation policy which protects those reporting an incident against any retaliation from the accused or third party. This protects anyone who reports the incident, is a witness to the incident, is the alleged victim, or any way involved with the investigation. If retaliation occurs it should be reported immediately to the Title IX Coordinator.

PLEASE NOTE: Members of the Campus Community who supervise, chaperone or otherwise oversee minors in programs or activities are required to report immediately to the New York State Maltreatment Hotline if there’s is reasonable cause to suspect abuse of maltreatment of that minor.
