- Requires ONE Academic Reference Letter.
- You must fulfill program prerequisites, if any.
- You must NOT have any stops on your record and be a student in good standing.

DEADLINES

October 19th—Application deadline for all students, including $350 Application Fee/Deposit.
November 28th—final program fee payment for all participants regardless of funding source, i.e. Honors College, loans, or any other type of Financial Aid.
For tuition payment deadlines: follow the schedule for summer as provided on the Bursar’s page: http://www.hunter.cuny.edu/bursar

ACCEPTANCE

Spaces in the programs are limited. It is in your best interest to apply early!
Space permitting, applications from eligible students may be considered after the deadline. $25.00 late application fee will be charged. If the late application will cause the late payment of the program fee balance, another $25 will be charged. Students will be notified by e-mail of their acceptance. Once the program is filled, the remaining qualified students will be put on a waiting list. Senior Citizen Auditors (age 60 and over) will be accepted only if there is space available after all qualified students have been admitted. They will register at their normally assigned time.

PERSONAL STATEMENT

Please attach a typewritten personal statement that, in 500 words or less, explains how your participation in this particular study abroad program will advance your personal, educational, and/or career goals.
Acceptances are announced beginning one week after application deadline.

A pre-departure orientation will be scheduled after acceptances are announced.

Program dates indicate the day you need to arrive at the site (in most cases it means that you need to fly the day before) and the day the program ends (this is the day you need to leave from the provided housing).

**FINANCIAL INFORMATION AND CANCELLATION POLICY**

NOTE: All payments must be by money order or certified check made payable to Hunter College. No personal checks, cash or credit cards are accepted. DO NOT ENDORSE. Deadlines are important! Late fees will apply. See late fee policy online here.

- **Application Fee and Deposit**
  Each Application must be accompanied by a $350 Money Order or Certified Check, which will be applied to the program fee. With the exception of London, if you withdraw from the program prior to the application deadline, you will be refunded your deposit, minus $50, which will be kept as the application fee. If you withdraw from the program after the application deadline, you will lose your entire $350 deposit.

- **Program Fee**
  Before the starting date of the program, students will be financially responsible for any non-recoverable costs associated with the program fee at the time of withdrawal. Non-recoverable costs are financial commitments (such as housing deposits, field trip pre-payments, etc.) made on behalf of students. These costs vary by program and typically increase closer to the departure date. After the starting date of the program, the student will be financially responsible for the entire program fee. There will be no refunds for late arrivals or early departures.

- **Deposits** are non-refundable after the program application deadline; should a student withdraw from a program for any reason after this deadline, the deposit will be lost. Also note that paying the program deposit authorizes the provider (whether Hunter or a third party) to incur expenses on that student’s behalf; should a student withdraw from a program for any reason after paying the deposit, he or she will be responsible for any non-recoverable expenses. These expenses can include (but are not limited to) airfare, housing fees, and partial or full tuition.

**Withdrawal from Program**

Notification of withdrawal must be made in writing to the Education Abroad Office before the withdrawal will be officially recognized. Otherwise, students will be responsible for all program fees. The date on which the written notification is received is the date by which the financial calculation will be determined. If a balance is due to the Education Abroad Office or the Office of the Bursar at the time of withdrawal, that amount must be paid in a timely manner.
CUNY tuition is **NOT** included in the program fee and must be paid directly to the Bursar (students from other CUNY colleges pay their home school). **Check the Bursar’s website:** http://www.hunter.cuny.edu/bursar and follow the payment schedule for Summer session.

Proof of tuition payment needs to be presented to the Education Abroad Office prior to departure. Before the starting date of each program, canceling students will be refunded full tuition. **After the starting date of the program, tuition will be refunded following the Bursar’s refund policy.**

*IF THE PROGRAM IS CANCELLED BY THE EDUCATION ABROAD OFFICE, ALL PAYMENTS WILL BE REFUNDED.*

**VISAS**

All visas (if required) are the responsibility of the student. If you are **NOT** a US citizen, make sure to inquire early with the consulate of the country to which you are going to see if you need a visa. If a visa is needed, contact the Education Abroad Office before you apply for one. After contacting the office, proceed to apply early. It is often a lengthy process, particularly in high season.

**TRAVEL**

In most cases, there is not going to be organized group travel to the program site and students will be expected to arrive on the date indicated. Accepted students should make their travel arrangements shortly after the orientation session, since prices go up with time. In programs where airfare is included, the Education Abroad Office can’t make any changes in departure or return dates.

**HOUSING AND MEALS**

- Co-ed housing is not available
- Guests are not allowed to stay in program housing
- Accommodation for special meals, diets or rooming preferences cannot be guaranteed

**INSURANCE**

Hunter College will purchase international health insurance for students traveling abroad. *All students may want to consider buying travel insurance when purchasing their airfares.*

International Health Insurance for CUNY programs is purchased from:

**Cultural Insurance Services International** (CISI)

Hunter’s Policy Number is: **17 GLM N0496531**

PLACEMENT ACCEPTANCE FORM
Conditions of Placement for Hunter College Education Abroad Programs

• Timely Completion of Forms - I understand that my participation in Hunter College Study Abroad Programs is contingent upon returning all forms (application, registration, housing, etc.) and other materials, which may be requested by stated deadlines.

• Eligibility - I understand that my acceptance to participate in Hunter College Study Abroad Programs is contingent upon my maintaining all eligibility requirements (academic, financial, and social/behavioral) as defined by Hunter College and my home campus. My participation may be terminated by either Hunter College, my home or host campuses if I fail to remain enrolled at my host campus or fail to maintain other eligibility standards. I further understand that failure to remain enrolled as a student may affect my financial aid and/or program eligibility at Hunter College, my home and/or my host campus.

• Tuition/Fees Room/Meal, and other Fees - I agree to pay tuition/fees in a timely manner. I also agree to pay program fees in a timely manner. I understand that failure to make full payment of all required fees or to resolve other debts may result in the cancellation of any course registration and/or disenrollment. I understand that all financial obligations must be fulfilled prior to receiving transcripts or a diploma from Hunter College.

• Transcripts - I assume responsibility to request that an official transcript of the work attempted while on the program be sent back to my home campus if Hunter College is not my home campus.

• Insurance - I understand that Hunter College will provide me with health and emergency evacuation insurance on all Hunter’s Winter Intersession and Summer programs that are taking place outside of the US. If I’m participating in the Hawaii program, I need to have adequate domestic health insurance for the time period of the program, and it is my responsibility to ensure that I am adequately covered. I further understand that my home and/or host campus (if other than Hunter College) may require me to submit proof of coverage. Hunter College does not provide Travel Insurance.

• Medical Matters - I will comply with any requirements for medical information relating to my participation in the program, including obtaining or documenting immunizations required by my home and/or host campuses.

• Personal Health and Safety - I understand that Hunter College and/or my home and host campuses cannot guarantee my health and safety while on the program. I am responsible for acting prudently and exercising caution and common sense at all times. I also understand that I may be using different forms of transportation to participate in this program. I agree that Hunter College as well as my home and host campuses are not responsible for personal injury, death, and/or loss or damage of property suffered by me during periods of travel with, and independent of, the program.

• Rules and Regulations - I agree to abide by all rules, regulations, and policies of Hunter College and/or my home and host campuses governing my academic, financial, and social/behavioral status while on the program. I understand that failure to conform to these rules and regulations may result in the termination of my participation and Hunter College, my host and/or my home campuses may take further disciplinary action.

• Release of information - by signing this Placement Acceptance Form, I hereby give permission to Hunter College coordinators and/or my home and host campuses to collect and release information appropriate to my application for, and my participation in the program, including: letters of recommendation, transcripts, financial status with the campuses, report of conduct, and medical/counseling records. That information may be released between and among the campus coordinators and other appropriate officials of both the home and host campuses and Hunter College. I further agree that my home and host campuses may disclose to one another, to Hunter College, and to my parent, legal guardian, or spouse any information which may impact my mental health or physical well-being while on the program. (The “program” extends from the time of placement until the receipt of the official transcript by the home campus of the work attempted at the host campus.) The permission granted here under shall survive the termination of my participation in the program.

• Hold-Harmless - I understand that my participation in Hunter College Study Abroad Programs is voluntary. I understand that Hunter College does not make any warranties of any kind, expressed or implied, regarding Hunter College Study Abroad Program participation, including perceived quality of experience or services rendered. CUNY INTERNATIONAL TRAVEL PARTICIPATION, WAIVER, AND EMERGENCY CONTACT FORM

This form has been developed by the CUNY Office of the General Counsel (OGC) and adapted for integration into Hunter College’s Education Abroad Short-Term Program Application.

HUNTER COLLEGE WAIVER AND RELEASE AGREEMENT

I wish to participate in the Activity, and in consideration for being permitted to participate in the Activity, I hereby represent and agree as follows:

1. I understand that participation in the Activity involves risks not found in study at the College, including risks involved in traveling to and within, and returning from, the Activity site(s). These include risks involved in traveling to and within, and returning from, one or more foreign countries; foreign political, legal, social and economic conditions; different standards of design, safety and maintenance of buildings, public places and conveyances; local medical and weather conditions; and other matters described in the U.S. Department of State Country Specific Information (and Travel Warnings and/or Travel Alerts, if any) that I have accessed at http://travel.state.gov and reviewed carefully. I understand that there may be other risks not known or reasonably foreseeable. I accept all of these risks and voluntarily elect to participate in the Activity.

2. I understand that, although the University has made every reasonable effort to assure my safety while participating in the Activity, there are unavoidable risks, and I hereby release and promise not to sue the City of New York, the State of New York, the College, the University, and the officers, employees, agents, or representatives of any and all of them (“Released Parties”) for any damages or injury (including death) caused by, deriving from, or associated with my participation in the Activity, except for such claims, damages or losses may be caused by the gross negligence or willful misconduct of any of the Released Parties. It is my express intent that this Release bind my heirs, assigns, and personal representatives.

3. I represent that my statements herein are accurate and complete and that my agreement to the provisions herein is wholly voluntary, and further understand that, prior to signing this Release, I have the right to consult with the adviser, counselor, or attorney of my choice.

4. I understand that each foreign country has its own laws and standards of acceptable conduct, including dress, manners, morals, politics, drug use and behavior. I recognize that behavior that violates those laws or standards could harm the University's relations with those countries and the institutions therein, as well as my own health and safety. I will become informed of, and will abide by, all such laws and standards for each country to or through which I will travel during the Activity and assume responsibility for my
actions, understanding that the circumstances of an Activity likely requires a standard of behavior that may differ from that applicable on campus.

5. I will comply with the University’s rules, standards, and instructions for student behavior generally and for the Activity, including the College’s Code of Student Conduct and the Henderson Rules of Public Order (collectively, “standards”). I acknowledge and understand that my compliance is important to the success of the Activity and to the University’s/College’s willingness to permit future similar activities. I agree that the University has the right to enforce the standards, in its sole judgment, and that it may impose restrictions, up to and including disciplinary proceedings and not granting academic credit for and removing me from the Activity, for violating the standards or for any behavior detrimental to or incompatible with the interest, harmony, and welfare of the College, the University, the Activity or other participants.

6. I agree that, due to the circumstances of foreign study programs, procedures for notice, hearing and appeal applicable to student disciplinary proceedings at the University do not apply. If I am removed from the Activity, I consent to going home at my own expense with no refund from the University or College of any monies paid. I will attend to any legal problems I encounter with any foreign nationals or government of the host country. The University is not responsible for providing any assistance under such circumstances.

7. I hereby release each of the Released Parties from any and all claims, damages, injuries (including death), or loss that arises at a time when I am not under the direct supervision of the University, including, without limitation, during travel and/or activities other than those specifically required in order to participate in the Activity that I may choose to undertake before, during, or after the Activity, and/or that are caused by my failure to remain under such supervision or to comply with the standards. I understand and agree that the University is not in any way responsible for my well-being with respect to any travel to destinations beyond those specifically required for the Activity that I may choose to undertake before, during, or after the Activity.

8. I understand that it is within the College’s discretion to change travel, accommodations, and other arrangements as it deems necessary. I understand that the College is not responsible for nor does it represent or act as agent for, and cannot control the acts or omissions of the host institution or service providers, including those who provide transportation, tour, dining or sleeping accommodations.

9. I have no known physical or health-related reasons or problems that preclude or restrict my participation in the Activity or I have disclosed to the College any physical, mental, and emotional conditions or problems, permanent or temporary, including special dietary and medication needs, or the need for visual or auditory aids that might impair my ability to participate in the Activity, and I hereby release each of the Released Parties from any and all claims, damages, injuries (including death), or loss arising out of my failure to disclose such conditions or problems.

10. I have or will obtain and maintain health, accident, disability, hospitalization, property
and travel insurance as required by the College and have or will obtain and maintain the
same health, accident, disability, hospitalization, property and travel insurance coverage
for all travel and activities other than those specifically required in order to participate
in the Activity that I may choose to undertake before, during, or after the Activity. I
will be responsible for the costs of such insurance and for any expenses not covered by
insurance.

11. The University may, but is not obligated to, make any decisions and take any actions
regarding my health and safety that it considers to be warranted under the circumstances,
and I hereby authorize the University to make such decisions and take such actions. I
agree to pay all expenses relating thereto and release the University from any liability for
any such actions.

12. I am assuming full financial responsibility for all costs and expenses incurred by me in
connection with the Activity, including, without limitation, financial responsibility for
damage or destruction to property of third parties.

13. I will not hold myself out as having the power or authority to bind or create liability for
the College or the University.

14. I agree that should any provision or aspect of this International Travel Participation, Waiver,
and Emergency Contact Form be found to be unenforceable, that all remaining provisions
will remain in full force and effect.

15. The waiver and release herein represents my complete understanding with the College
and the University concerning its responsibility and liability for my participation in the
Activity. It supersedes any previous or contemporaneous understandings I may have had
with the College or the University on this subject, whether written or oral, and cannot be
