Program Description  
Spanish Language and Literature encompasses two college-level undergraduate programs for  
six credits each - June and July, and one Intensive Program for twelve credits - June and July  
combined. We will experience one of the liveliest cities in the world, Madrid. We will visit  
ancient places such as Segovia from the Roman days; Salamanca, one of the oldest  
universities in Europe; Avila, the medieval world city  
and more. All participants are going to live with local families. Life with a host family is an  
integral part of the program, since it provides insights into Spanish culture and a daily  
opportunity for language practice that is not easily gained in any other way.

Prerequisites: One semester of Spanish language or equivalent.

All Students interested in applying for the Spanish in Spain program must meet  
with Prof. Schinaider before applying to the program. Contact information
