

## **FISCAL YEAR 2021 STATE EXECUTIVE and CITY PRELIMINARY BUDGETS Preliminary Analysis**

### **Senior College Summary**

---

- The FY2021 State Executive Budget appropriations include an additional \$58.6 million for the senior colleges, which represents a 2.2% increase over current year levels, covering the following:
  - \$24.3 million to fund projected fringe benefits cost increases.
  - \$36.0 million in revenue appropriations to accommodate a \$200 annual tuition increase to resident undergraduate tuition and proportionate increases to other tuition categories.
  - The elimination of FY2020 legislative funding of \$1.5 million for the CUNY School of Labor and Urban Studies, \$200,000 for the small business center at Brooklyn College and \$50,000 for the Community Legal Resource Network.
  - The continuation of \$4 million in funding for Open Education Resources.
  - The continuation of SEEK funding at the FY2020 level of \$28.1 million.
- The Executive proposal also includes an additional \$137M to the tax levy operating budget for an accounting change of Income Fund Reimbursable (IFR) Programs. These programs include the technology fee, adult and continuing education programs, other college specific programs, and the new health and wellness fee. The Income Fund Reimbursable appropriation has been reduced. This technical adjustment does not impact campus operations.
- The Executive Budget extends the predictable funding plan for CUNY and SUNY. The plan limits increases in the resident tuition rate to no more than \$200 a year through FY2025. The revenue generated from any tuition increase would be reinvested to support faculty, instruction and initiatives to improve student success and completion. The State's maintenance of effort legislation, which provides for the same year over year level of funding, is also extended.

## Financial Aid

---

- The State Executive Budget proposes to expand the Excelsior Scholarship program. For the 2020-21 academic year, the Excelsior scholarship income eligibility threshold would increase from \$125,000 to \$135,000. For 2021-22, it will increase to \$150,000. The executive budget includes \$146 million to support the program, a \$26 million increase over current year levels.
- The State Executive Budget does not propose any changes to the Tuition Assistance Program (TAP).

## Other Initiatives

---

- The Executive Budget provides for expanded student enrollment in federal Supplemental Nutrition Assistance Program (SNAP) benefits. The NYS Office of Temporary and Disability Assistance will establish a state policy that community college students engaged at least half-time in career and technical education courses of study are exempt from the requirement to work 20 hours per week to qualify for SNAP, thereby increasing the participation of low-income students in SNAP and providing them with essential nutritional benefits.
- The Executive Budget provides additional protections for student loan borrowers by placing restrictions and disclosure requirements on student debt consulting services companies.
