FDA Meeting Schedule, Fall 2015

September 16th
October 21st
November 18th
December 16th

All meetings are held in room 1203 Hunter East, from 1:10 to 3:00. Coffee, tea, and cookies will be served.

Fall Meetings and Events

Thanks to all who attended our September meeting for the lecture and discussion with Professor Ellen Schrecker. Her research and analysis of the problems confronting faculty as a result of corporatization of the university clearly resonated with the audience. For those who could not attend, the Minutes, as always, will be available on our website once they are approved.

It seemed like everyone at the reception we co-sponsored following the Senate last week had a good time. (Very little food or drink left if that is any indication of success.) We will try for another towards the end of the semester.

Our remaining meetings this semester are scheduled for:

October 21: A discussion of faculty governance with guests Acting Provost Kaufman, Senate Chair Professor Sandi Clarkson and University Faculty Senate Executive Board member Professor Kay Conway, Borough of Manhattan Community College. This meeting will be co-sponsored with PSC-CUNY.

November 18: Agenda to be announced. (We have invited President Raab to this meeting.)

Upcoming elections

It is time to hold elections for all the offices of the Faculty Delegate Assembly. We welcome nominations from all faculty (including self-nomination) for all Executive Committee positions, President and Vice President. Officers meet on a monthly basis to plan FDA events and keep current on where and how the FDA might direct its efforts in service of the faculty. The President is a more time consuming position, which includes overseeing the office and events, responding to faculty inquiries and concerns, and taking a pro-active role as a faculty voice in Hunter and university events. If you have any questions about the responsibilities of these offices please do not hesitate to contact Bernadette McCauley at bmccaule@hunter.cuny.edu.
Elections will be held in November and the terms will begin with the spring semester.

**Dues**
It is also time to ask that you contribute to the funding of the coffee service and our social events. Dues are voluntary but necessary to keep those activities and other incidentals of the office going. You will be receiving a request in the mail shortly and we appreciate your support. Please contribute whatever you think is appropriate. We suggest the following:

University, Distinguished, and Full Professors: $40.00
Associate Professors: $30.00
Assistant Professors, Lecturers, Instructors: $25.00
College Laboratory Technicians: $20.00
Adjunct and other part-time faculty: $15.00
