Everyone should check their withholding. It’s especially important to check now if you:

- Had a large tax refund or tax bill the last time you filed
- Are a two-income family
- Have two or more jobs at the same time
- Work a seasonal job or only work part of the year
- Claim the child tax credit
- Have dependents age 17 or older
- Previously itemized your deductions
- Have high income or a complex tax return

Use the IRS Tax Withholding Estimator to do a Paycheck Checkup

- The IRS Tax Withholding Estimator helps figure out if you should submit a new Form W-4 to your employer or make estimated tax payments to the IRS before the end of the year.
- Have your most recent pay stub and federal tax return on hand.
- The estimator’s results are only as accurate as the information you enter.
- Find the IRS estimator at IRS.gov/withholding.
