Employees who work for employers with five or more employees who work more than 80 hours a calendar year in New York City have a right to paid safe and sick leave. Employees who work for employers with fewer than five employees have a right to unpaid safe and sick leave.

Employees who work for employers who must provide safe and sick leave must receive this written notice from their employer when they begin employment or by June 4, 2018, whichever is later.

YOU HAVE A RIGHT TO SAFE LEAVE, which you can use to seek assistance or take other safety measures if you or a family member may be the victim of any act or threat of domestic violence or unwanted sexual contact, stalking, or human trafficking.

YOU HAVE A RIGHT TO SICK LEAVE, which you can use for the care and treatment of yourself or a family member.

AMOUNT OF SAFE AND SICK LEAVE:

- Your employer must provide up to a total of 40 hours of safe and sick leave every calendar year.
- You may use any earned leave for either safe or sick leave purposes. Your employer’s calendar year is:
  
  Start of Calendar Year: 07/01             End of Calendar Year: 06/30

RATE OF ACCRUAL:

- You accrue safe and sick leave at the rate of one hour for every 30 hours worked, up to a maximum of 40 hours of safe and sick leave per calendar year.

DATE ACCRUAL BEGINS:
You begin to accrue safe and sick leave on April 1, 2014 or on your first day of employment, whichever is later.

Exception: If you are covered by a collective bargaining agreement that was in effect on April 1, 2014, you begin to accrue safe and sick leave under City law beginning on the date that the agreement expires.

DATE SAFE AND SICK LEAVE IS AVAILABLE FOR USE:

- You could begin using sick leave on July 30, 2014 or 120 days after you begin employment, whichever is later.
- You could begin using safe leave on May 5, 2018 or 120 days after you begin employment, whichever is later.

ACCEPTABLE REASONS TO USE SAFE AND SICK LEAVE:
You can use safe and sick leave to take time off from work when:

- You have a mental or physical illness, injury, or health condition; you need to get a medical diagnosis, care, or treatment of your mental or physical illness, injury, or condition; you need to get preventive medical care.
- You must care for a family member who needs medical diagnosis, care, or treatment of a mental or physical illness, injury, or health condition, or who needs preventive medical care.
- Your employer’s business closes due to a public health emergency or you need to care for a child whose school or child care provider closed due to a public health emergency.
- You or a family member may be the victim of any act or threat of domestic violence or unwanted sexual contact, stalking, or human trafficking and you need to take actions necessary to restore the physical, psychological, or economic health or safety of you or your family members or to protect those who associate or work with you, including to:
  
  o Obtain services from a domestic violence shelter, rape crisis center, or other services program.
  o Participate in safety planning, relocate, or take other actions to protect your safety or that of your family members, including enrolling children in a new school.

DOCUMENTATION:
Your employer can require documentation if you use more than three consecutive workdays as safe or sick leave. The Paid Safe and Sick Leave Law prohibits employers from requiring the health care provider to specify the medical reason for sick leave or requiring safe leave documentation to specify the details of any act or threat of domestic violence or unwanted sexual contact, stalking, or human trafficking. Disclosure may be required by other laws.

UNUSED SAFE AND SICK LEAVE:
Up to 40 hours of unused safe and sick leave can be carried over to the next calendar year. However, your employer is only required to let you use up to 40 hours of safe and sick leave per calendar year.

YOU HAVE A RIGHT TO BE FREE FROM RETALIATION FROM YOUR EMPLOYER FOR USING SAFE AND SICK LEAVE.

Your employer cannot retaliate against you for:

- Filing a complaint for alleged violations of the law with DCA.
- Communicating with any person, including coworkers, about any violation of the law.
- Participating in a court proceeding regarding an alleged violation of the law.

Note: The Earned Safe and Sick Time Act sets the minimum requirements for safe and sick leave. Your employer’s leave policies may already meet or exceed the requirements of the law.

You have a right to be given this notice in English and, if available on the DCA website, your primary language.
