ANTHP 105: The Human Species (3 credits - includes lecture and lab)

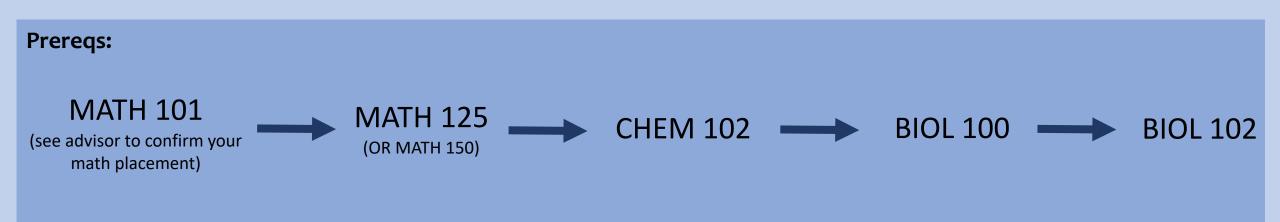

Prereqs:

NO REQUIRED PREREQS

Important Information:

- <u>HMBIO 401</u>: ANTHP 105 is the prereq for HMBIO 401, which must be taken in your last semester at Hunter College. Please be sure to take ANTHP 105 PRIOR to your last semester.
- <u>Permissions</u>: None, enroll directly if you have declared your Human Biology major
- <u>E-Permitting</u>: ANTHP 105 is a course exclusive to Hunter College. There are NO e-permits available for this course.

BIOL 100/102: Principles of Biology I & II (4.5 credits each)

Important Information:

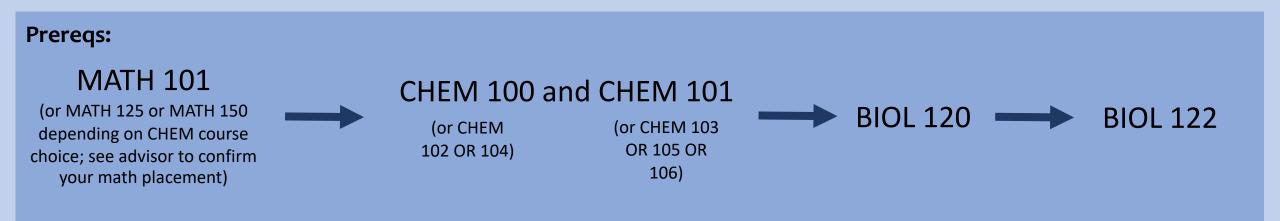

Permissions:

• None, enroll directly after accumulating proper prereqs

E-Permitting:

- See equivalent courses here: <u>http://biology.hunter.cuny.edu/images/Biology100Permits.pdf</u>
- Please note that prereqs may vary. See CUNYfirst for more information.
- Also, please note that not all courses will be worth 4.5 credits. It is your responsibility to make up for any missing credits due to e-permitting. See a Human Biology advisor for more information.

BIOL 120/122: Anatomy and Physiology I & II (4.5 credits each)

Important Information:

Permissions:

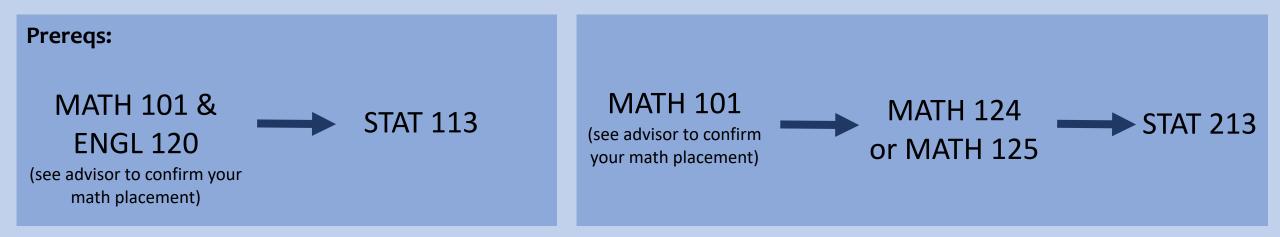

• None, enroll directly after accumulating proper prereqs

E-Permitting:

- See equivalent courses here: <u>http://biology.hunter.cuny.edu/images/AandPPermits.pdf</u>
- Please note that prereqs may vary. See CUNYfirst for more information.
- Also, please note that not all courses will be worth 4.5 credits. It is your responsibility to make up for any missing credits due to e-permitting. See a Human Biology advisor for more information.

STAT 113: Elementary Probability and Statistics (3 credits)

STAT 213: Introduction to Applied Statistics (3 credits)

Important Information:

Permissions:

None, enroll directly after accumulating proper prereqs

E-Permitting:

- Please consult your general advisor to confirm you are taking an equivalent course. Some courses may not have e-permit options.
- Please note that prereqs may vary. See CUNYfirst for more information.

HMBIO 401: Senior Capstone (3 credits)

Important Information:

- HMBIO 401 is a discussion-based course that focuses on improving your reading and writing skills specifically regarding topics in Human Biology, culminating in a final research paper.
- HMBIO 401 should be taken during your last semester at Hunter College.
- <u>ANTHP 105</u>: ANTHP 105 is the prereq for HMBIO 401. Please be sure to take ANTHP 105 PRIOR to your last semester.
- <u>Permissions</u>: You MUST request permission via the permission request form sent through our program's email list. The permission request form is always sent PRIOR to the beginning of registration, and permissions are first-come, first-served. Join Our Email List: <u>http://hunter.listserv.cuny.edu/Scripts/wa-hc.exe?SUBED1=HUMBIO-L&A=1</u>
- <u>E-Permitting</u>: HMBIO 401 is a course exclusive to Hunter College. There are NO e-permits available for this course.

Human Biology: Track Three

100/200-level Track 3 Course Options

Courses	Prereqs
ANTHC 101, 126	None
ANTHC 127, 232	ANTHC 126
GEOG 241 (W)	ENGL 120 AND Choose one: GEOG 101 or GEOG 150
PSYCH 100	None
PSYCH 170, 190	PSYCH 100
PSYCH 230, 235	PSYCH 100 AND another PSYCH course AND ENGL 120
SOC 101	None
SOC 201, 217, 251, 257	SOC 101

Important Information:

Permissions:

• None, enroll directly after accumulating proper prereqs

E-Permitting:

• Please consult your general advisor to confirm you are taking an equivalent course. Some courses may not have e-permit options.

Reminder:

• You may NOT take all six of your track courses from the same department.

Please see the Course Catalog for an updated list of ALL Track 3 courses: http://catalog.hunter.cuny.edu/preview_program.php?catoid=43&poid=10346&hl Human Biology: Track Three

300/400-level Track 3 Course Options

Courses	Prereqs
ANTHC 301, 308, 309, 312, 315,	ANTHC 101
ANTHC 327	ANTHC 126
SOC 301, 307, 311, 317, 361 (W)	SOC 101

Important Information:

Permissions:

• Varies by semester. Follow latest instructions sent through the program's email list.

E-Permitting:

• Please consult your general advisor to confirm you are taking an equivalent course. Some courses may not have e-permit options.

Reminder:

• You may NOT take all six of your track courses from the same department.
