

Table 8. Number and Percent of STEM Women Faculty on Promotion and Tenure Committees, 2005-2006

Faculty P & B

Members	Women	Men	Total	% Women
Natural Sciences	3	2	5	60
Social Sciences	3	5	8	38
Committee Members (science total)	6	7	13	46

Department P & B

Members	Women	Men	Total	% Women
Natural Sciences	7	18	25	28
Social Sciences	12	18	30	40
Committee Members (science total)	19	36	55	35

Note: Information about Department Personnel and Budget (P&B) members provided to the GEP by each science department.

Note: DP&B committees consist of the elected chair and four elected members.

Note: The FP&B committee includes department chairs, the deans, the provost, the directors of the school of nursing and health sciences, and the college president. Only those faculty members or administrators in the 11 Hunter sciences are included here.
