Blackboard Mobile Learn for iOS

The Blackboard Mobile Learn app for iOS devices allows you to access your Blackboard courses in the palm of your hands.

1. To download and install the app, go to the Apple App Store and search for Blackboard Mobile Learn
2. Once you have downloaded the app, launch the application
3. In the search box, search for Hunter College
4. Once CUNY – Hunter College is found, click to be forwarded to the Portal Login Page
5. Login using your CUNY Portal Username and Password
6. You will be forwarded temporarily to the Portal homepage

7. You will then be forwarded to purchase access to use Blackboard Mobile Learn for $1.99

8. Once you click on one of the access options, you will be prompted for your Apple ID Password
9. Press **Buy** to complete activation of the **Blackboard Mobile Learn** app
