This document explains the clinical evaluation process for AGNP and PMHNP students.

InPlace Evaluation Process:

**Midterm**
- **Step 1 (Student Input):** Student Self-Assessment
- **Step 2 (Preceptor Input):** Midterm Assessment (In consultation with instructor)
- **Step 3 (Instructor Certification):** Review all materials, e-verify and determine midterm outcome
- **Step 4 (Student Verification):** Students e-verify and develop action plan (if needed)

*Required for any placement with > 100 attended hours by the end of the term.*

**Final**
- **Step 1 (Student Input):** Student Evaluation of Preceptor, Practicum and Agency
- **Step 2 (Preceptor Input):** Final Assessment (In consultation with instructor)
- **Step 3 (Instructor Certification):** Review all materials, e-verify and determine final outcome
- **Step 4 (Student Verification):** Students e-verify and receive final grade

*Required for any placement with > 25 attended hours by the end of the term.*

Overview of Midterm Evaluations

1) Complete a Self-Assessment.
Identify clinical strengths and areas in need of improvement. You’ll also verify your total attended hours to date. Your response will be shared with your preceptor and instructor.

2) Your preceptor provides feedback.
They’ll receive an emailed invitation to complete a brief assessment of your progress. Your self-assessment is shared with them as an attachment in this email.

3) Your instructor completes the evaluation.
After reviewing input from you and your preceptor, your instructor will complete an e-verification form and provide an outcome of your progress.

4) Review and verify the outcome.
Complete an e-verification form to confirm your receipt of your evaluation feedback and outcome.

5) Create a plan to improve.
You are encouraged (and in some cases, required) to develop an action plan with your instructor and preceptor to target any areas in need of improvement.

Only if Step 1 is completed
Students placed at only one clinical site are required to complete a midterm and final evaluation.

If you have more than one clinical placement, the following guidelines may be used to determine if an evaluation is required for a placement site:

<table>
<thead>
<tr>
<th>Total hours you expect to attend at site by the end of the term:</th>
<th>Midterm Required?</th>
<th>Final Required?</th>
</tr>
</thead>
<tbody>
<tr>
<td>Less than 25 hours</td>
<td>NO</td>
<td>NO</td>
</tr>
<tr>
<td>Between 25-100 hours</td>
<td>NO</td>
<td>YES</td>
</tr>
<tr>
<td>Over 100 hours</td>
<td>YES</td>
<td>YES</td>
</tr>
</tbody>
</table>

These are general guidelines; more specific requirements may be determined by your practicum instructor or program specialization coordinator.

If you are unsure whether one or more of your placements requires an evaluation, please contact your instructor for guidance.
Step 1: Student Input

Midterm Evaluation

Evaluations begin with a **Self-Assessment** and confirmation of your clinical hours completed to date. Use this time to identify your strengths, areas in need of improvement, and overall progress. Your Self-Assessment responses are shared with your preceptor and seminar instructor as part of your evaluation.

If you have more than one placement, you will receive a Self-Assessment for each one. These will also appear on your To Do list in InPlace. However, midterm self-assessments are only required for sites where you **expect to complete a minimum of 100 hours by the end of the term**. If you are unsure whether an evaluation is required for a placement site, refer to the table on the previous page or contact your instructor for guidance.

Final Evaluation

Students complete an **Evaluation of Preceptor, Practicum & Agency** in lieu of a self-assessment. This measure collects feedback about the quality of your clinical experience with regard to your preceptor and agency setting (required). Individual responses are not shared with agency personnel/preceptors.
Step 2: Preceptor Input

During Midterm and Final evaluations, preceptors are asked to provide feedback regarding your progress by completing a **Preceptor Assessment of Student**, distributed by email. Their midterm assessment invitation will include a copy of your Self-Assessment responses for their consideration.

*Note: If a self-assessment is not submitted for a placement, that placement’s preceptor(s) will not receive a Preceptor Assessment.*

As with the Self-Assessment portion, only preceptors at sites where you expect to attend a minimum number of hours will be asked to complete an assessment.

Students may be required to follow up with their preceptor in the event that they do not respond to an assessment survey. You can keep track of your preceptor responses from your **placement details** page.

Once submitted, preceptor assessments are shared with you in InPlace via your placement’s **Assessment** tab and a notification will appear on your home page.
Step 3: Faculty Review and Certification of Outcome

Near the end of the midterm and final evaluation periods, your seminar instructor will review all materials collected (self-assessment, preceptor assessment, and site visit/consultation input), following up on missing information where necessary, before completing an e-verification form and providing a formal outcome of your progress in meeting the objectives of the practicum.

During midterm evaluations, you may be required to develop an action plan to address any identified performance gaps by the end of the term.

Step 4: Student Review/Verification

At the close of Midterm and Final evaluations, you are required to verify your review of all feedback received from your preceptor(s) and the outcome provided by your instructor.

- Completed Preceptor Assessments are located on the Assessment tab of the relevant placement (PDF download).

- Completed Faculty Review/Certification of Outcome forms are located on the Details tab of your placement.

Confirm your receipt of these evaluation materials by completing a short e-verification form located on the Details tab of your placement.
How to Access Evaluation Materials

Midterm Self-Assessment:
- Distributed via email and posted on your To Do list in InPlace.
- Once submitted, a ‘read only’ copy of your response is added to your placement’s Details tab the following day (responses are copied overnight).

Preceptor Assessment:
- Distributed directly to preceptors via email.
- Track our collection efforts from your placement Details tab (and follow up when needed).
- Once submitted, a notification will be posted on your home page and a PDF report of your preceptor’s response can be accessed from your placement’s Assessment tab.

Faculty Review/Certification of Outcome:
- To be completed by your instructor shortly after preceptor feedback is received.
- Can be reviewed on your placement’s Details tab.

Student Verification:
- To be completed after preceptor and instructor portions are complete.
- Verification form is located on your placement’s Details tab.
Reviewing your Self-Assessment

A read-only copy of your Midterm Self-Assessment is available on the *Details* tab of the relevant placement.
