The National League for Nursing Pre-Admission Examination (NLN PAX) is a standardized entrance exam for potential nursing students who seek admittance into nursing schools nationwide.

The NLN PAX RN comprises three main areas: Verbal skills, which consists of both word knowledge and reading comprehension; Mathematics, which includes basic calculations, word problems, and incorporates algebra, geometry, conversions, graphs, and applied mathematics; and Science, which examines general biology, chemistry, physics, and earth science.

The NLN Pre-Admission Exam contains 214 questions: 80 verbal, 54 math, and 80 science, with one hour allowed for completing each section.
