The student must have a valid 2017-2018 FAFSA on file to request a Federal Pell grant disbursement for summer 2017. The summer 2017 Pell grant eligibility will be determined based on your 2017-2018 FAFSA and other information such as Pell Lifetime Eligibility Usage (LEU). The student must be making Satisfactory Academic Progress prior to receiving a summer Pell disbursement.

- ❖ Students must be registered in order to receive Pell fund for Summer 2017. In addition, students must be making Satisfactory Academic Progress in order to receive federal financial aid.
- ❖ Failure to maintain enrollment or make Satisfactory Academic Progress, may result in a tuition liability for any and/or all outstanding charges for Summer 2017.

Select one of the following:

- I am graduating at the end of Summer 2017.
- I am graduating at the end of Fall 2017.
- I will be registered for the Fall 2017 and/or Spring 2018 semesters as a part-time student (less than 12 credits).
- I will be enrolled as a full-time student for the Fall 2017 and Spring 2018 semesters.

Federal Pell grant eligibility is restricted to a maximum of 12 full-time semesters (600%).

Effective with the 2013-2014 award year, the calculation of the duration of the students Pell grant eligibility will include ALL years the student has received Federal Pell grant funding. Your Pell grant duration will be determined by adding together each of your annual percentages of the scheduled awards that were disbursed to you. A student enrolled full-time throughout the Fall and Spring semesters would earn 100% of their Pell grant each year. You can review your Pell Lifetime Eligibility Usage at www.nsls.ed.gov
