

Hunter College implemented plus/minus grading in Spring 1996 for undergraduate courses and in Fall 1996 for graduate courses. We modified the undergraduate course GPA values and eliminated the grades "C-" and "D+" in Spring 2000. These charts have also been updated to include the "WN" grade effective Fall 2008.

For more information regarding ALL WN grades, please review the [WN Grade Fact Sheet](#).

In the School of Social Work the H, CR, NC. grading system is mandatory. These grades carry no quality points. The assignment of traditional letter grades in the School of Social Work may be arranged by consultation with the instructor at the beginning of each semester. A grade of credit includes acceptable graduate level work equivalent to a B or A. The grade of Honor, rarely given, signifies unusual or outstanding work, well above the A level.

#### **Incomplete/Absence Rule**

A student who receives an "IN" grade in an undergraduate course must complete the work by the end of the semester following the one in which the course was taken whether or not the student is in attendance. If the work is not completed, the "IN" becomes a "FIN" grade. Exception: An "IN" grade received in Fall '76, Spring '77, Summer '77 or Fall '77 ONLY will remain a permanent "IN", provided course work was not completed by the eighth week of the following semester. A permanent "IN" cannot be made up and cannot become a "F".

As of Fall 1988 the "AB" grade was discontinued. Students who received this grade prior to that date were expected to take a make-up examination. If the examination was not taken, the "AB" became a "FAB".

#### **Hunter High School Credit**

Course numbers which are followed by the letter "HS" or which appear under the heading "Hunter

High School", are fully credited college level courses which are taken by Hunter High School students while they are still in high school.
