FACULTY VACANCY ANNOUNCEMENT
Performs teaching, research and guidance duties in area(s) of expertise. Shares responsibility for committee and department assignments including administrative, supervisory, and other functions.

QUALIFICATIONS
Ph.D. degree in area(s) of experience or equivalent and able to initiate an externally funded vigorous research program. Also required are the ability to teach successfully, demonstrated scholarship or achievement, and ability to cooperate with others for the good of the institution. Experimentalists with specialty in condensed matter physics, nanotechnology, photonics, and biophysics are invited to apply.

COMPENSATION
CUNY offers faculty a competitive compensation and benefits package covering health insurance, pension and retirement benefits, paid parental leave, and savings programs. We also provide mentoring and support for research, scholarship, and publication as part of our commitment to ongoing faculty professional development.

$42,873 - $74,133

HOW TO APPLY
Applications can be submitted on-line by accessing the CUNY Portal on City University of New York job website http://cuny.edu/employment.html and navigating to Careers at CUNYfirst. Current users of the site should access their established accounts; new users should click on the appropriate link to register.

Instructions:
http://www.cuny.edu/employment/jobsearchprocess.html

Candidates should provide a CV/resume and statement of scholarly interests.

CLOSING DATE
The committee will begin reviewing applications on February 10, 2014. The search will remain open until the position is filled.
