College Overview

Hunter College’s Annual Security Report (ASR) includes statistics for the previous three years concerning reported crimes that occurred on campus; in certain off-campus buildings owned or controlled by Hunter College; and on public property within, or immediately adjacent to and accessible from the campus. The report also includes institutional policies concerning campus security, such as policies concerning alcohol and drug use, crime prevention, the reporting of crimes, including crimes involving sexual misconduct, and emergency and evacuation procedures. The report is available in hard copy at each campus public safety desk; on-line by accessing http://www.hunter.cuny.edu/publicsafety/reports/2014-annual-security-report-and-campus-crime-statistics or by personal request at the main public safety office in the West Building at East 68th Street and Lexington Avenue, Room B-122.

Hunter College, located in the heart of bustling Manhattan, is the largest college in the City University of New York (CUNY) system. Founded in 1870, it is also one of the oldest public colleges in the country. Currently, 23,000 students attend Hunter, pursuing both undergraduate and graduate degrees in more than 170 different programs of study.

The college, a component of The City University of New York, (CUNY) offers in addition to the myriad academic offerings in its prestigious School of Arts and Sciences, Hunter College offers a wide breadth of programs within its preeminent Schools of Education, Nursing, Social Work, and Health Professions. In 2011, the CUNY School of Public Health at Hunter College opened its doors, officially making Hunter a PhD-granting institution. Already, students can enroll in several CUNY doctoral programs based at Hunter, as well as participate in a number of accelerated and advanced certificate programs. Hunter is also the home of world-renowned research centers, including the Center for Study of Gene Structure and Function, the Center for Puerto Rican Studies (CENTRO), located at the Silberman School of Social Work.

The main campus is located at 695 Park Avenue, in Manhattan, a borough of New York City with a population of approximately 1,635,956. The campus is situated on a 4 acre site and comprised of four (4) buildings located on or contiguous to the main campus. In July 2011 Hunter closed the campus known as the School of Social Work located at 129 East 79th Street, Manhattan; It was replaced with the Silberman School of Social Work at 2180 3rd Avenue, Manhattan; Hunter Campus High School is located at 71 East 94th Street; The Brookdale Campus, 425 East 25th Street also contains Hunter’s dormitory; and the Roosevelt House at 47-49 East 65th Street in Manhattan. Hunter has moved its Master of Fine Arts program to 205 Hudson Street, in the Tribeca area downtown.

The college enrolls approximately 23,000 degree program students who attend day and evening classes. In addition, the college, through the Office of Continuing Education serves in excess of twenty thousand multi-cultural individuals during the academic year.

The college employs approximately 1751 full-time faculty/staff and 1829 part-time/adjunct staff members.

Crime Reporting Procedure

Faculty, staff, students, and others who may be on campus or on the contiguous geographic perimeter of the campus are encouraged to promptly report any past crime, attempted crime, or actual criminal activity to the Department of Public Safety. The department will expeditiously respond to the condition reported to investigate and make necessary notifications to the local police precinct. Criminal activities, as well as other emergencies, can be reported by:

1. Calling the Department of Public Safety’s emergency telephone line (212) 772-4444 or extension 1-4444 may be dialed within the college’s telephone system. 1-4444 is the emergency line for both the Main and Brookdale Campuses. Other important numbers are:
   - Brookdale Campus (212) 481-4444
   - Hunter Campus HS (212) 860-1264
   - Silberman School of Social Work (212) 396-7777
   - Voorhees Campus (212) 629-5130
   - Roosevelt House (212) 396-7914
   - 205 Hudson Street (212) 396-7311

2. Using the Emergency Assistance call boxes known as “Talk-A-Phone” located at various sites throughout the campus. They are silver wall mounted boxes located near elevators, stairwells, and in rest rooms within the Main and Brookdale campuses.

3. Reporting the information to any member of the Department of Public Safety or in person at the Public Safety Office located in West Building, B-1 Level room B-122.

4. All counselors are strongly encouraged when they deem it appropriate to inform the persons they are counseling of any procedures to report crimes on a voluntary, confidential basis for inclusion in the annual disclosure of crime statistics.

5. Victims or witnesses may report crimes to persons designated as Campus Security Authorities, (see page #2), who will then forward only the report of the crime – without divulging the name of victim or witness – to the Department of Public Safety for inclusion in the annual crime report. The College recognizes the importance of confidentiality to victims and witnesses of crimes. For the purposes of providing crime statistics pursuant to the Campus Security Act in the College’s annual crime report, victim and witness information will remain
anonymous. However, complete confidentiality cannot be guaranteed in all other contexts. The College reserves the right to notify
the police when it believes that such reporting is necessary for the protection of the College community. In many cases, however,
that notification will be done without divulging the victim’s identity and will be done only for the purpose of providing a campus-
wide safety alert.

6. The Hunter College Department of Public Safety website allows persons to report crimes, or suspicious activities by using the
“silent witness” form under “Contact Us”. [http://www.hunter.cuny.edu/publicsafety](http://www.hunter.cuny.edu/publicsafety)

7. In the event that the situation you observe or are involved in is of an extreme or life-threatening nature, call 911, the New York
City Police Department’s emergency phone number. If you make a 911 call, please also notify the Department of Public Safety.
They will also respond to assist and direct the police and other emergency personnel to the reported emergency. Calling 911 when
using a land line telephone from in the college you have to dial 9 first, so that would be 9-1-911.

**Hate Crime and Bias-Related Incidents**

Bias or hate crimes are crimes motivated by the perpetrator's bias or attitude against an individual victim or group based on perceived or actual
personal characteristics, such as their race, color, creed, national origin, ethnicity, ancestry, religion, age, sex, sexual orientation, gender,
gender identity, disability or alienage. Bias-related incidents are behaviors which constitute an expression of hostility against the person or
property of another because of the targeted person's race, color, creed, national origin, ethnicity, ancestry, religion, age, sex, sexual orientation,
gender, gender identity, disability or alienage. According to New York Penal Law Section 485, a person commits a hate crime when he or she
commits a specified criminal offense and either:

1. intentionally selects the person against whom the offense is committed or intended to be committed in whole or in
   substantial part because of a belief or perception regarding the race, color, national origin, ancestry, gender, religion, religious
   practice, age, disability or sexual orientation of a person, regardless of whether the belief or perception is correct, or

2. intentionally commits the act or acts constituting the offense in whole or in substantial part because of a belief or perception
   regarding the race, color, national origin, ancestry, gender, religion, religious practice, age, disability or sexual orientation of a
   person, regardless of whether the belief or perception is correct.

Examples of hate crimes may include, but are not limited to: threatening phone calls, hate mail (including electronic mail), physical assaults,
vandalism, destruction of property, and fire bombings.

Penalties for bias-related crimes are very serious and range from fines to imprisonment for lengthy periods, depending on the nature of the
underlying criminal offense, the use of violence or previous conviction of the offender. Students, staff or faculty who commit bias crimes are
also subject to University disciplinary procedures and a range of sanctions up to and including suspension, expulsion or termination of
employment. In order to effectively handle incidents of bias related crimes and prevent future occurrences of such crimes, victims or
witnesses of a hate crime are encouraged to immediately report incidents in the manner described above. Victims of bias crime can also avail
themselves of counseling and support services through the Office of Student Services.

**Investigation of Violent Felony Offenses**

In accordance with New York State Education Law, the College maintains a plan for the investigation of violent felonies, which includes
coordination with appropriate law enforcement agents. In addition, in compliance with New York State Law and subject to applicable federal
law, including, but not limited to, the federal Campus Sexual Assault Victims’ Bill of Rights under Title 20 U.S. Code 1092 (f) which gives
the victim of a sexual offense the right to decide whether or not to report, the College will notify the appropriate law enforcement agency
within 24 hours of receiving a report of a violent felony.

**Daily Crime Log**

Hunter College’s daily crime log is maintained by the Public Safety Department. All reportable criminal incidents, whether they are Clery
classified or not, are logged- provided that they have occurred in the reportable geography (On campus and public property immediately
adjacent to the campus). It includes the following information: 1) date crime was reported, 2) date and time of the incident, 3) the nature of the
crime, 4) the general location of the crime, 5) the disposition, if known and 6), special notes. The log is kept at the Public Safety Central
Communications, B-1 Level of the West Building. Each Hunter campus maintains a crime log at their respective public safety offices. It is
available for inspection during regular business hours. The log is in hardcopy format. The log is updated less than two business days after the
latest report comes in. If no reports are made during 30 calendar days, it is automatically updated. In addition, the Hunter College crime log is
can also be viewed on the Public Safety web site at [http://www.hunter.cuny.edu/publicsafety/reports/daily-log](http://www.hunter.cuny.edu/publicsafety/reports/daily-log).
If you wish to review entries as far back as seven (7) calendar years please make an appointment with the Office of Public Safety, West Building, B-1 Level, room B-122. Or
call the office at (212) 772-4521.

**Daily Fire Log**

The Department of Public Safety maintains a “daily fire log” in two ways. One is placed in electronic form and may be viewed on our web site
at [http://www.hunter.cuny.edu/publicsafety/reports](http://www.hunter.cuny.edu/publicsafety/reports). This forum lists all fires that are reported at all Hunter campuses. The second manner
is a “daily fire log” that is maintained for each Hunter campus and attached to the most recent ASR.

Public Safety and Security Services

Hunter College’s main campus grounds, the contiguous geographic perimeter of the main campus, and other satellite campus sites, are patrolled on a 24-hour basis by Public Safety Officers. Public Safety Officers are sworn law enforcement/NYS Peace Officers under Criminal Procedure Law 2.10 subsection 79 and have the power to make arrests.

At Hunter College, incidents of a criminal nature that are reported to a Campus Peace Officer are referred via the complainant to the NYPD when appropriate. The City University of New York and Hunter College have Memorandums of Understanding with the NYPD for emergency, non-emergency and investigative response. The department consists of 68 Peace Officers and Supervisors assigned to patrol the campuses. Additionally the Department has eight (8) NY State licensed Emergency Medical technicians (EMT’s).

Also, the college employs 49 Campus Security Assistants who are assigned to patrol and fixed posts. Campus Security Assistants are licensed as NYS Licensed Security Guards and do not have arrest powers (outside of the powers of a private citizen). Hunter College’s Public Safety does not provide “Campus Escorts” since it is a high rise campus with skywalks between buildings.

The Public Safety Department also oversees the electronic intrusion alarm system that protects various buildings as well as the fire alarm response system. Supplementing these campus security systems are Emergency Help Call Buttons that have been installed in administrative offices and Emergency Assistance Call Boxes that are conspicuously located on campus grounds. The Department also maintains and observes closed circuit television monitors located at each campus.

**WORKING RELATIONSHIP WITH OTHER LAW ENFORCEMENT AGENCIES**

Hunter College maintains a cooperative relationship with local, state and federal law enforcement agencies. A written Memorandum of Understanding exists between all City University colleges and the New York City Police Department in compliance with New York State law.
Off-Campus Organizations Crimes and Safety Hazard Monitoring

The Hunter College Department of Public Safety does not monitor or provide security at any off-campus events; or for any off-campus organizations and/or residences not owned by Hunter College. Information is obtained from the local NYPD precincts that patrol the periphery of the campus grounds. The local police precinct(s) responsible for the compiling and analyzing of related crime statistics are: 19th Precinct, 153 East 67th Street, Manhattan; 13th Precinct, 230 East 21st Street, Manhattan; 25th Precinct, 120 East 119th Street, Manhattan, and the 10th Precinct, 230 West 20th Street, Manhattan. Statistics from the local precinct are requested via formal letter each year and are included in this report when provided.

Hunter College does not have any recognized off-campus student organizations or off-campus housing facilities.

Emergency Notification & Response

CUNY ALERT SYSTEM

All students, as well as faculty and staff are strongly encouraged to participate in the CUNY Alert system. The CUNY Alert system is designed to give you immediate and up-to-date information regarding weather, utility and emergency situations. The system can contact you and family or friends, as you designate, via text message, cell phone, landline and/or e-mail. The system can offer all methods of notice, a single method or any combination. It is user friendly and can prove to be invaluable before, during and after an emergency. Simply log onto www.cuny.edu/alert and follow the instructions. If you have trouble signing up for CUNY Alert, please come to the ICIT help desk located in North 116, or e-mail at icit@hunter.cuny.edu. The system is activated via a web-based system controlled by the New York State Office of Emergency Management.

TIMELY WARNINGS TO MEMBERS OF THE COMMUNITY

The issuance of Timely Warnings is made by the Public Safety Director in consultation with the Vice President of Administration, and Vice President of Student Affairs. When it is appropriate, Hunter College will issue immediate notification of security issues via the public address system (of the fire safety system – only of present danger), electronic mail, or post notices as needed. The issuing of a timely warning is ultimately the decision of the Public Safety Department. Depending on the time sensitivity of the incident, the issuance of the Timely warning may be made outside of the Crisis Management Committee framework. As noted above, Hunter College is a participant in the CUNY Alert system. Operated under the auspices of the New York State Emergency Management Office, CUNY Alert allows subscribers to receive messages of import regarding safety via email, cell and landline, text message or in any combination thereof. Signing-up is as easy. These notifications are issued when the campus operations are adversely affected by man-made or natural incidents. Access the University website at www.cuny.edu/alert

IMMEDIATE NOTIFICATIONS

Unless such notice and warning constitutes a compromise to contain an emergency, or result in an expansion or exacerbation of an emergency, immediate notification of an emergency will take place through one – or a combination of – the following methodologies: (1) CUNY-Alert, (2) Verbal announcement through the School’s emergency communication response system or via the building Class E fire control system if a fire or smoke issue is detected, (3) Campus-wide e-mail blast and (4) School web-site notice. The following personnel are authorized to make such announcements; Director and Deputy Director of Public Safety, Vice President of Administration, Vice President of Student Affairs, Hunter’s Crisis Management Team. Again, please note that a circumstance may arise in which it would not be prudent or appropriate to issue an immediate notification if such release would compromise efforts to contain the emergency.

EMERGENCY RESPONSE EVACUATION FIRE DRILL TESTS

The college conducts evacuation and fire drills three (3) times per year. During these drills, building occupants are familiarized with campus evacuation procedures. Each building has assigned fire/evacuation floor wardens, deputy floor wardens and searchers who provide training and direction to the college community during drills and actual emergency events. All fire drills and evacuations are conducted by Fire Safety Directors that are certified and licensed by the New York City Fire Department.

PUBLICATION OF PROCEDURES

Emergency response and evacuation procedures are published annually via Annual Security Report (ASR). This report is updated as needed throughout the year. Hardcopies of this report are available in the Public Safety Office, room B-122 of the West Building, and at all public safety desks.

Note on all emergency notifications: When in the considered opinion of college, university or civil authorities, dissemination of information on a given emergency may hinder or cause additional harm, such notification may be delayed until such time that it is safe to do so.

Public Safety Awareness & Crime Prevention Programs

The Department of Public Safety issues safety alert bulletins when deemed necessary and provides Timely Warning Notices, via e-mail, to the campus community when serious crimes occur in areas on or near the campus. The department maintains a working relationship with many New York City police precincts, which is responsible for responding to criminal incidents on the campus and the surrounding area. All persons reporting crimes to the Department of Public Safety are encouraged to promptly report the incident to the local police precinct concerned.

All incoming students receive information about campus crime prevention programs during initial orientation – the third week of August each year. There are mandatory awareness sessions conducted at the Brookdale Campus the beginning of each semester.

CRIME PREVENTION

Crime Prevention programs on personal safety and theft prevention are sponsored by the Department of Public Safety at various campuses throughout the year. Public safety personnel facilitate programs for student, parent, faculty, and new employee orientations, student organizations, in addition to orientation programs for Brookdale Resident Advisers (RA’s). and new residents. Programs provide a variety of educational strategies and tips on how to protect themselves from sexual assault, theft, internet dating, identity theft, bias, hate and other crimes. Fire safety is included in all orientation programs. Presently the Department has two officers that have received formal crime prevention training.
Whenever possible, public safety invites NYPD units specialized in sex crimes and crime prevention to present programs to members of the Hunter community. In addition to the Student Handbook and college website, crime prevention pamphlets that include various safety tips and encourage the reporting of crime on campus are prepared and distributed periodically to students. Speakers, including law enforcement officials, are invited by the administration and student groups to inform students about prevention of crime and personal safety. Campus public safety also makes a presentation about prevention of crime and personal safety to incoming students at orientation. All members of the college community are encouraged to attend crime prevention seminars.

Along with the Office of the Vice President of Administration and Finance, Campus Facilities, and Physical Plant Services, the Director of Public Safety conducts on-going reviews of campus grounds and facilities. Special emphasis is placed on the need to ensure safe accessibility to buildings with special attention to landscape hazards as well as inadequate lighting.

All public safety personnel, while on patrol, report potential safety and security hazards as well as entry door problems and elevator malfunctions. Building engineers and Buildings and Grounds cleaners report health and safety issues during the course of normal work assignments.

**FIRE EMERGENCY PLAN**

Floor wardens and searchers are designated to serve specific areas of each building. When appropriate, they will be activated. They are trained in the use of the buildings Class E fire command system telephones. Their job is to facilitate evacuations and common space assembly of all kinds and to pass information to the fire safety command station. Please heed their directions. When fire alarms ring, please make note of the announcement that immediately follows. It will provide you with instructions on where to assemble. If a false alarm occurs, an “all clear” announcement will follow via the fire command response system. Treat all fire alarms as real unless otherwise directed by the floor wardens or members of the public safety staff. Below are general guidelines for dealing with a fire. But remember, WHEN IN DOUBT CALL 911 OR ACTIVATE A PULL STATION.

1. Be familiar with the location of stairways, fire extinguishers, fire exits, and pull boxes in building.
2. If a minor fire appears controllable, immediately contact (personally or preferably have someone else call) the Department of Public Safety. Locate a portable fire extinguisher. Then promptly direct the discharge of the fire extinguisher toward the base of the flame by squeezing the trigger and moving the hose in a side-to-side motion. Do not use water extinguishers on electrical fires.
3. If an emergency exists, activate the building’s fire alarm system by activating a fire pull station.
4. In the case of large fires that do not appear controllable, immediately activate a fire pull station and, if time permits, call 1-4444 to report the exact location of the fire. If time permits, close the door of the room where the fire exists.
5. When the building evacuation alarm is sounded, always assume that an emergency exists. Touch closed doors; do not open them if they are hot. If the door is cool, brace yourself behind the door and open it slowly. Bracing yourself behind the door prevents the door from being blown open due to the pressure created by the fire. Walk quickly to the nearest exit and alert others to do the same. Do not use the elevators during a fire.
6. Smoke is the greatest danger in a fire, so stay near the floor where the air will be less toxic.
7. Once outside, move to a clear area at least 500 feet away from the affected building. Keep streets, fire lanes, hydrants and walkways clear for emergency vehicles and crews. These essential personnel must be allowed to do their jobs. The public assembly location for the Main Campus is West on East 68th or East 69th Street to Central Park.
8. Do not return to an evacuated building unless told to do so by a College official.
9. If you become trapped in a building during a fire and a window is available, place an article of clothing (shirt, coat, etc.) outside the window as a marker for rescue crews. Place a wet cloth at the base of doors to keep smoke from entering. Shout at regular intervals to alert emergency crews of your location. Dampen a cloth with water, place it over your nose, and breathe lightly through it. It is understood that these items may not be available to you—hence the importance of moving quickly and knowing your escape routes.
10. Should your clothing catch fire, stop, drop and roll. Rolling on the ground will help smother the fire—this is in fact very effective.

At the Brookdale Campus all rooms are equipped with smoke detectors. Each dorm room is equipped with a sprinkler system. Several fire alarm pull stations are located on each corridor. This equipment is monitored to ensure that it is in good working condition. If an emergency situation arises and you use the fire extinguisher, the extinguisher must be recharged. You must notify your RA and/or the RA on duty on duty the exact location of the fire. If time permits, close the door of the room where the fire exists.

**HOSTILE INTRUDER**

Don’t panic. Keep breathing and keep focused. When an intruder in a campus building is actively causing deadly harm or the threat of imminent deadly harm to people; you must immediately seek cover and contact 911 and the Public safety Department, if at all possible. **Remember that to call 911 from a landline from a Hunter Campus you have to dial 9-1-911.** If you are able to make a call, give as many details as possible relative to location, number of assailants, means of aggression and other pertinent information.

1. Do not sound the fire alarm to evacuate the building. People may be placed in harm’s way when they are attempting to evacuate the building.
2. Be aware of alternate exits if it becomes necessary to flee.
3. Persons should lock themselves in classrooms and offices as a means of protection.
4. Persons should stay low, away from windows and barricade their door (s) if possible and use furniture or desks as cover.
5. If possible, cover any windows or openings that have a direct line of sight into the hallway.
6. Students and staff should not attempt to leave the building until told to do so by Public Safety or NYPD. The only exception to this is, given the specific circumstances, a person is certain beyond any doubt, that they are in more danger in staying in the building, than in attempting to escape.

When a hostile intruder is actively causing deadly harm or the threat of imminent deadly harm to people on the campus grounds, we recommend the following course of action:

1. Run away from the threat if you can, as fast as you can.
2. Do not run in a straight line. Use buildings, trees, shrubs, and cars as cover if outside. If inside, desks, chairs bookcases may help.
3. If you can get away from the immediate area of danger, summon help and warn others.
4. If you decide to hide, take into consideration the area in which you are hiding. Will I be found? Is this really a good spot to remain hidden? If you do hide, stay as quiet as possible and calm as possible.

5. If the person(s) is causing death or serious physical injury to others and you are unable to run or hide you may choose to play dead if other victims are around you. Do not give your position away or stand-up until Public Safety or civil authorities give an all-clear signal. If you choose to confront the aggressor, use all manner of materials at hand as weapons-books, chairs, any object near hand.

BOMB INCIDENT PLAN

While it is important to note that the overwhelming majority of bomb threats are unfounded, it is the policy of the college that they are to be taken seriously. Each threat will be thoroughly investigated and will be considered suspect until all avenues of investigation have been explored.

1. A suspicious looking box, package, object or container in or near your work area may be a bomb or explosive material. Do not handle or touch the object. Move to a safe area (far from the object) and call the Department of Public Safety immediately at ext. 1-4444. Do not operate any electronic devices, radios or light (power) switches.

2. If you receive a bomb threat, remain calm and try to obtain as much information as possible from the caller. Specifically try to ascertain the following:
   a) The location of the device.
   b) The time, if any, the device is scheduled to go off.
   c) The appearance or type of container used for the device.
   d) The reason for placing the device.

MEDICAL EMERGENCIES

1. All medical emergencies should be reported immediately to Public Safety ext. 1-4444. (Main and Brookdale Campuses)

2. If the medical emergency is life threatening, then call 911 before dialing Public Safety. If you are in doubt, call 911.

3. If you call 911, be prepared to give your name; describe the nature and severity of the medical problem and the location of the victim. Try to answer all of the questions the dispatcher asks you and let him/her hang-up the phone first. Do not move the victim. If you are certified in CPR and First Aid and able to help, then try to assist the victim until help arrives. Please, if time permits also contact public safety to let them know there is an emergency.

4. Look for emergency medical ID’s such as bracelets on injured persons and try to keep the victim as comfortable as possible until emergency personnel arrive.

5. If a medical problem is non-life threatening, call the Public Safety Department at ext. 1-4444 or the designated Public Safety number of the campus you are at. If campus Public Safety personnel believe that a victim should not be moved or that emergency medical care is required immediately, then they will call 911. Please remember that the decision to call or not call 911 is not based on financial situation or insurance status. The focus is on assisting the ill or injured party.

6. Hunter College Public Safety has six (8) NYS licensed Emergency Medical Technicians working various shifts at different campuses.

MEDICAL EMERGENCIES-MENTAL HEALTH

The Office of the Vice President of Student Affairs can be most helpful in assisting anyone who feels in need of counseling or mental health service. School can be stressful and it’s a long road to graduation. You are not alone and don’t have to be alone. The School’s Wellness Services is available at (212) 772-4931. Whenever an individual demonstrates or reports a risk for self-destructive or suicidal behavior, immediate assistance is needed. If the situation poses an imminent physical danger, call 1-4444 to reach the Public Safety office or summon 911. If imminent physical danger is not posed then call the Vice President of Student Affairs office at 212-772-4878 or a counselor at ext. 1-4931. If a response from either of these two areas is unavailable contact Public Safety.

UTILITY FAILURES

Power Failure

The following actions are to be taken by members of the college community in the event of a power failure:

1. Report any power failure immediately to Public Safety at ext. 1-4444. In the event of a building wide power failure, phones may not function. If no other emergency situation exists, you can come to the campuses Public Safety Desk. Each building emergency generator is designed to engage literally seconds after a power loss is notated by the system. This generator can provide emergency power to the building for several hours. Lights, public address and fire command as well as access control are wired into this system.

2. Having a flash light attached to a key chain, belt clip or in a bag may be helpful even when not in the School. Never use candles.

3. During daylight, add as much natural lighting as possible by raising blinds.

4. Faculty with classes should remain where they are until notified otherwise.
5. During a power failure or possible power failure, **never use an elevator.** If you become trapped in an elevator during a power outage, use the emergency “Call for Help” button in the elevator to contact the main public safety desk. Wait for assistance. Don’t panic. Help is on the way. Once power is restored, Public Safety will make an announcement using the school’s public address system. Evacuation may not be necessary during a power failure.

**Plumbing Problem/Flooding**

Cease using all electrical equipment. Notify Public Safety immediately. If necessary vacate the area and prevent anyone else from entering. If a toilet overflows or water is accumulating in a given area, contact Public Safety at 1-4444.

**Gas Leaks**

Gas leaks are very rare but can be very serious. **If you smell gas, contact security by going to the main Public Safety desk or utilize a phone away from the smell of gas. Do not use a mobile phone near a gas leak whether here or at home. Gas vapors can be ignited by static electricity.**

**BIOLOGICAL CHEMICAL OR NUCLEAR ATTACKS**

1. Upon receiving confirmed information of an imminent or ongoing biological, chemical or Nuclear Disaster/Attack that poses great risk to life at the School, the President or her designee shall declare a campus wide emergency.
2. This state of emergency may initiate a lockdown of the building and/or its total evacuation.
3. Notification will be made via college website, voicemail, emergency communication response system and CUNY-ALERT if at all possible.
4. Building occupants will be kept abreast of changes as they develop by college officials. During an event at the building the following actions will be taken if possible: (a) building wide air-handlers will be turned off and intakes sealed if possible, (b) building occupants will be directed to enclosed areas of the building unless otherwise directed by civil authorities to provide most insulation and (d) updates on emergency will be given, if practicable, by the same methodologies as indicated above.

**Access to College Facilities**

**CAMPUS FACILITIES**

Access to campus buildings is limited to faculty, staff, students, guests and visitors who are conducting official college business. The School’s normal hours of operation are **7:00AM to 10:30 PM**, seven days a week, except holidays. When entering upon campus grounds, all faculty, staff and students are required to display their college identification card. School issued identification cards must be on your person any time you are in the School-this is also a University regulation. College ID cards can be obtained at Room 203 West Building during normal business hours. Room 203 also provides a replacement ID card to replace a lost one for a fee. OneCard@hunter.cuny.edu

Administrators, faculty and staff are issued keys to their respective offices and/or buildings. All buildings are locked after scheduled classes or special events. During non-business hours when the college is closed entry to buildings is not allowed except with written authorization. The college also maintains a Central Station alarm monitoring station on campus.

**IDENTIFICATION CARDS**

School and University policy require that you carry your validated School issued identification card on your person at all times while in our building or any City University controlled facility. It must be presented upon request by any public safety or administrative agent of the University. These cards are the property of the School. If your card has been lost or stolen, please go to room West 203 to pay a $10.00 replacement fee. A defective ID card will be replaced free of charge.

**GUESTS**

All visitors to the College are expected to conduct themselves in a manner consistent with an academic environment. Guests must sign in at the Visitors Desk in the West Lobby of Main Campus; the School of Social Work; the Brookdale Campus; and the Hunter Campus High School. At other campuses report to the Public Safety desk and show identification to the officer on duty. Guests are subject to the lawful instructions of all members of the Public Safety, as well as the Administrative staff. Guests may not remain in the building after 10:00 PM or on weekends and holidays. If a guest seems to be intoxicated, refuses to follow procedures of producing identification or follow sign in and sign out procedures, entry to the building will be denied. **It is against Public Safety policy to circumvent the Visitors desk and swipe someone through the turnstiles, or to lend a college ID to another so they may gain access to the campus.**

**MAIN CAMPUS-LATE NIGHT POLICY**

The West Lobby at the Main Campus is available to current Hunter College students, faculty and staff for emergency purposes during the hours of 11:00 pm to 7 am. The West Lobby is considered to be a “safe haven” for students; faculty and staff that have encountered an emergency situation and are in immediate temporary need. Those wishing to remain in the building must present themselves to the Public Safety supervisor by 11:00 PM. Late-night usage of the Main campus buildings is limited to current Hunter students, faculty and staff (not visitors) with permission from the “Chair” of their Department. Certain research laboratories require 24 hour staffing and monitoring. No guests are permitted from 11:00 pm to 7:00 am or weekends and holidays. Late-night usage of the building is expressly limited to school-related purposes. Such permitted usage does not include sleeping, socializing or other recreational activities except as tangential to study or research. Violators of this usage limitation will be asked to leave the building.

University Policy Relating to Drugs and Alcohol

THE CITY UNIVERSITY OF NEW YORK

POLICY ON DRUGS AND ALCOHOL

The City University of New York (CUNY) is an institution committed to promoting the physical, intellectual, and social development of all individuals. As such, CUNY seeks to prevent the abuse of drugs and alcohol, which can adversely impact performance and threaten the health and safety of students, employees, their families, and the general public. CUNY complies with all federal, state, and local laws concerning the unlawful possession, use, and distribution of drugs and alcohol. Federal law requires that CUNY adopt and implement a program to prevent the use of illicit drugs and abuse of alcohol by students and employees. As part of its program, CUNY has adopted this policy, which sets forth (1) the standards of conduct that students and employees are expected to follow; (2) CUNY sanctions for the violation of this policy; and (3) responsibilities of the CUNY colleges/units in enforcing this policy. CUNY’s policy also (1) sets forth the procedures for disseminating the policy, as well as information about the health risks of illegal drug and alcohol use, criminal sanctions for such use, and available counseling, treatment, or rehabilitation programs, to students and employees; and (2) requires each college to conduct a biennial review of drug and alcohol use and prevention on its campus. This policy applies to all CUNY students, employees and visitors when they are on CUNY property, including CUNY residence halls, as well as when they are engaged in any CUNY sponsored activities off campus.

HUNTER COLLEGE ALCOHOL POLICY

The College permits the consumption of alcohol under the following rules and in accordance with New York State and City law and regulations, and University policies. This policy pertains to faculty, staff, students and visitors. The term “College,” when used to identify a location includes all Hunter College buildings/campuses and the surrounding grounds, including our adjacent sidewalk.

a. Hunter College requires that a New York State Liquor Authority Temporary Beer and Wine Permit (TBWP) be obtained when alcohol is served at any event. Please note: New York State Liquor Authority requires 15 business days notification for application processing. (More information is available at www.abc.state.ny.us.)

b. When alcohol is served, other food and non-alcoholic beverages such as water, juice or soft drinks, must also be served in equal or greater proportions. Highly caffeinated energy drinks are not a suitable alternative and will not be counted towards the proportion of non-alcoholic beverages that must be served. Under Section 64-a of the Alcoholic Beverage Control Law, the types of foods include “salads, soups, sandwiches, finger foods. Pretzels and potato chips do not meet the minimum requirements for food.” (NYS Liquor Authority, Application for Alcoholic Beverage Control.)

c. Alcohol may only be served or consumed during events that are sponsored by a faculty/administrator/staff member or by a registered student organization. Only one student-organized event serving alcohol may be held at the college on the same day.

d. All student events or gatherings where alcoholic beverages will be consumed must be registered at the Office of Central Reservations, West Building and Public Safety, also in the West Building. The registration and/or reservation of facilities must be made at least twenty-one (21) business days prior to the event.

e. Alcohol may only be served or consumed on weekdays from 5 p.m. to 10 p.m.

f. Alcohol may only be served or consumed in the areas designated by Public Safety and the Office of Central Reservation’s.

g. Only beer and wine may be served at Hunter campuses. Mixed drinks are not permitted.

h. Beer and wine must always be dispensed from original retail or wholesale containers.

i. Only funds collected by or allocated to a registered student organization can be used to purchase alcohol for student events. The informal collection of money for alcoholic beverages that will be consumed in the college is prohibited.

j. Advertisement for events may not promote the abuse of alcohol.

k. Drinking contests or games are prohibited at Hunter.

l. Hunter College reserves the right at any time to limit the amount of alcohol purchased and/or served at any event.

m. Hunter College Public Safety reserves the right to prevent individuals who appear intoxicated from entering or leaving the college.

n. Violation of the alcohol policy may lead to the suspension of privileges to use Hunter facilities for the sponsoring student organization(s) and/or the individual student organizers of the event in question. Violators are also subject to disciplinary action by appropriate Hunter College and/or University officials and may also be referred to civil authorities. (According to the Section 130 of the Alcohol Beverage Control law, violations of NYS Alcohol Beverage Control laws are unclassified misdemeanors and subject to criminal proceedings.)

p. Exceptions to this policy may only be made by the Vice President of Administration along with the Vice President of Student Affairs or her/his designee.

CUNY STANDARDS OF CONDUCT

The unlawful manufacture, distribution, dispensation, possession, or use of drugs or alcohol by anyone, on CUNY property (including CUNY residence halls – Brookdale Campus), in CUNY buses or vans, or at CUNY-sponsored activities, are prohibited. In addition, CUNY employees are prohibited from illegally providing drugs or alcohol to CUNY students. Finally, no student may possess or consume alcoholic beverages in any CUNY residence hall, regardless of whether the student is of lawful age. For purposes of this policy, a CUNY residence hall means a residence hall owned and/or operated by CUNY, or operated by a private management company on CUNY’s behalf. Finally, no student may possess or consume alcoholic beverages in any CUNY residence hall (Brookdale), regardless of whether the student is of lawful
age. In order to make informed choices about the use of drugs and alcohol, CUNY students and employees are expected to familiarize themselves with the information provided by CUNY about the physiological, psychological, and social consequences of substance abuse.

CUNY SANCTIONS
Employees and students who violate this policy are subject to sanctions under University policies, procedures and collective bargaining agreements, as described below. Employees and students should be aware that, in addition to these CUNY sanctions, the University will contact appropriate law enforcement agencies if they believe that a violation of the policy should also be treated as a criminal matter.

STUDENTS
Students are expected to comply with the CUNY and college policies with respect to drugs and alcohol. Any student found in violation may be subject to disciplinary action under Article 15 of the Bylaws of the Board of Trustees, which may result in sanctions up to and including expulsion from the University. In addition, any student who resides in a CUNY residence hall (Brookdale Campus) and who is found to have violated any CUNY or college policy with respect to drugs and alcohol may be subject to sanctions under the CUNY Residence Hall Disciplinary Procedures, up to and including expulsion from the residence hall. In lieu of formal disciplinary action, CUNY may, in appropriate cases, seek to resolve the matter through an agreement pursuant to which the student must see a counselor or successfully participate in a drug and alcohol treatment program. In accordance with the Federal Educational Rights and Privacy Act (“FERPA”), CUNY may also choose—when appropriate—to contact parents or legal guardians of students who have violated the CUNY policy on drugs and alcohol.

MEDICAL AMNESTY POLICY

http://www.cuny.edu/about/administration/offices/sa/policies/MedicalAmnestyPolicy7814.pdf

If you are the victim of or observe sexual harassment or violence while under the influence of drugs or alcohol, you should report the incident and seek medical help. You will not be disciplined for your drug or alcohol use. However, if you are involved in repeated incidents of drug or alcohol use, medical amnesty may not apply. This policy does not protect you from discipline for other misconduct such as sexual assault, drug sales, causing or threatening physical harm, damaging property or hazing.

EMPLOYEES
Any employee found to have violated this CUNY policy may be subject to disciplinary action, in accordance with the procedures set forth in applicable CUNY policies, rules, regulations, and collective bargaining agreements. Sanctions may include a reprimand, suspension without pay, or termination of employment. In lieu of formal disciplinary action, CUNY may, in appropriate cases, seek to resolve the matter through an agreement pursuant to which the employee must successfully participate in a drug or alcohol treatment program.

INFORMATION FOR THE CUNY COMMUNITY ON THE RISKS AND CONSEQUENCES OF DRUG AND ALCOHOL USE

BACKGROUND

The City University of New York’s Policy on Drugs and Alcohol, adopted by the Board of Trustees on June 22, 2009, prohibits the unlawful manufacture, distribution, dispensation, possession, or use of drugs or alcohol by employees, students or visitors, on CUNY property, in CUNY buses or vans, or at CUNY-sponsored activities. It prohibits all students (regardless of their age) from possessing or consuming alcoholic beverages in CUNY residence halls – Brookdale Campus. It also prohibits CUNY employees from illegally providing drugs or alcohol to CUNY students. As the Policy states, sanctions for violation of the Policy, following appropriate disciplinary proceedings, may include, in the case of students, expulsion from the university, and in the case of employees, termination of employment. This document sets forth additional information required to be provided under federal law, including the legal sanctions for drug and alcohol use, health risks of such use, and information regarding available counseling, treatment, or rehabilitation programs.

LEGAL SANCTIONS

Federal and New York State laws make it a criminal offense to manufacture, distribute, dispense, possess with intent to distribute, or simply possess a controlled substance. Such substances include heroin, cocaine, methamphetamine, ecstasy, LSD, PCP, marijuana, and a number of common pharmaceutical drugs if unlawfully obtained. The sanctions for violation of these laws, ranging from community service and monetary fines to life imprisonment, depend upon the particular offense, the drug type, and the drug quantity. Students convicted under these statutes may also forfeit federal financial aid eligibility.

Note that an individual need not be in actual physical possession of a controlled substance to be guilty of a crime. The unlawful presence of a controlled substance in an automobile is presumptive evidence of knowing possession of such substance by each passenger unless the substance is concealed on the person of one of the occupants. Similarly, the presence of certain substances in plain view in a room can sometimes be presumptive evidence of knowing possession of such substance by anyone in close proximity.

Further, pursuant to New York State law:

- Any person under age 21 who is found to be in possession of alcohol with the intent to consume it may be punished by a fine and/or required to complete an alcohol awareness program and/or to provide up to 30 hours of community service. Alcoholic Beverage Control Law, § 65-c.
- Giving or selling an alcoholic beverage to a person less than age 21 is a class A misdemeanor punishable by a sentence of imprisonment up to one year. Penal Law § 260.20
- Any person who operates a motor vehicle while intoxicated or while his ability to operate such vehicle is impaired by the consumption of alcohol or drugs, is subject to suspension or revocation of driving privileges in the State, monetary fines up to $1,000, and imprisonment for up to one year. Vehicle and Traffic Law § 1192
- A person under 21 who presents false written evidence of age for the purpose of purchasing or attempting to purchase any alcoholic beverage may be punished by a fine, community service and/or completion of an alcohol awareness program. Alcoholic Beverage Control Law § 65-b(1). Possessing such false evidence may also be criminal possession of a forged instrument, which is a felony in New York, punishable by a fine of up to $5000, imprisonment up to 7 years, or both. Penal Law § 170.25.

- Appearing in public under the influence of narcotics or a drug other than alcohol to the degree that a person may endanger him or herself or other persons or property, or annoy persons in his vicinity, is a violation, punishable by a fine and imprisonment up to 15 days. Penal Law § 240.40

HEALTH RISKS
The following is a brief summary of some of the health risks and symptoms associated with use of many of the most-publicized drugs, including alcohol and tobacco. This information was obtained from the National Institute on Drug Abuse (part of the National Institutes of Health of the U.S. Department of Health and Human Services), and the Mayo Clinic. Please note that individuals experience such substances in different ways based on a variety of physical and psychological factors and circumstances.

LSD (Acid)
LSD is one of the strongest mood-changing drugs, and has unpredictable psychological effects. With large enough doses, users experience delusions and visual hallucinations. Physical effects include increased body temperature, heart rate, and blood pressure; sleeplessness; and loss of appetite.

Cocaine
Cocaine is a powerfully addictive drug. Common health effects include heart attacks, respiratory failure, strokes, and seizures. Large amounts can cause bizarre and violent behavior. In rare cases, sudden death can occur on the first use of cocaine or unexpectedly thereafter.

MDMA (Ecstasy)
Ecstasy is a drug that has both stimulant and psychedelic properties. Adverse health effects can include nausea, chills, sweating, teeth clenching, muscle cramping, and blurred vision.

Heroin
Heroin is an addictive drug. An overdose of heroin can be fatal, and use is associated – particularly for users who inject the drug – with infectious diseases such as HIV/AIDS and hepatitis.

Marijuana
Effects of marijuana use include memory and learning problems, distorted perception, and difficulty thinking and solving problems.

Methamphetamine
Methamphetamine is an addictive stimulant that is closely related to amphetamine but has long lasting and more toxic effects on the central nervous system. It has a high potential for abuse and addiction. Methamphetamine increases wakefulness and physical activity and decreases appetite. Chronic, long-term use can lead to psychotic behavior, hallucinations, and stroke.

PCP/Phencyclidine
PCP causes intensely negative psychological effects in the user. People high on PCP often become violent or suicidal.

Prescription Medications
Prescription drugs that are abused or used for non-medical reasons can alter brain activity and lead to dependence. Commonly abused classes of prescription drugs include opioids (often prescribed to treat pain), central nervous system depressants (often prescribed to treat anxiety and sleep disorders), and stimulants (prescribed to treat narcolepsy, ADHD, and obesity). Long-term use of opioids or central service system depressants can lead to physical dependence and addiction. Taken in high doses, stimulants can lead to compulsive use, paranoia, dangerously high body temperatures and irregular

Tobacco/Nicotine
Tobacco contains nicotine, which is highly addictive. The tar in cigarettes increases a smoker’s risk of lung cancer, emphysema, and bronchial disorders. The carbon monoxide in smoke increases the chance of cardiovascular diseases. Secondhand smoke causes lung cancer in adults and greatly increases the risk of respiratory illnesses in children.

Steroids
Adverse effects of steroid use in males may include shrinking of the testicles and breast development. In females, adverse effects may include growth of facial hair, menstrual changes, and deepened voice. Other adverse effects can include severe acne, high blood pressure and jaundice. In some rare cases liver and kidney tumors or even cancer may develop.

Alcohol
Excessive alcohol consumption can lead to serious health problems, including cancer of the pancreas, mouth, pharynx, larynx, esophagus and liver, as well as breast cancer, pancreatitis, sudden death in people with cardiovascular disease, heart muscle damage leading to heart failure, stroke, high blood pressure, cirrhosis of the liver, miscarriage, fetal alcohol syndrome in an unborn child, injuries due to impaired motor skills, and suicide.

SUBSTANCE ABUSE
You or someone you know may have a problem with drugs and alcohol if you/they are:

- Using drugs and/or alcohol on a regular basis.
- Losing control of the amount of drugs and/or alcohol used after being high or drunk.
- Constantly talking about using drugs and/or alcohol.
Believing that drugs and/or alcohol are necessary in order to have fun.
- Using more drugs and/or alcohol to get the same effects as in the past.
- Avoiding people in order to get high or drunk.
- Pressuring others to use drugs and/or alcohol.
- Foregoing activities that were once priorities (i.e. work, sports, spending time with family and sober friends).
- Getting into trouble at school, at work, or with the law.
- Taking risks, including sexual promiscuity and driving while intoxicated.
- Lying about things, including the amount of drugs and/or alcohol used.
- Feeling hopeless, depressed, or even suicidal.

If you suspect that you or someone you know has a problem with drugs and/or alcohol, please utilize the resources listed below.

SEXUAL MISCONDUCT

REPORTING AND PREVENTION OF SEXUAL MISCONDUCT INCLUDING SEXUAL ASSAULT, HARASSMENT AND, STALKING AND DATING, INTIMATE PARTNER AND DOMESTIC VIOLENCE

Under the provisions of Title IX of the Education Amendments of 1972 (Title IX), 20 USC §§ 1681 et seq., and its implementing regulations, 34 CFR Part 106, discrimination on the basis of sex in education programs or activities operated by recipients of federal financial assistance is prohibited. Sexual harassment of students, which includes acts of sexual violence, cyber stalking and unwanted physical contact of any sexual nature, is a form of discrimination prohibited by Title IX. Sexual harassment is unwelcome conduct of a sexual nature that is sufficiently serious to adversely affect your ability to participate in or benefit from an educational program. It includes unwelcome sexual advances, requests for sexual favors and other verbal, non-verbal, or physical contact of a sexual nature on or off campus.

According to federal statute, stalking is "engaging in a course of conduct directed at a specific person that would cause a reasonable person to--

1. fear for his or her safety or the safety of others; or
2. cause material harm to the mental or emotional health of such person, where such conduct consists of following, telephoning or initiating communication or contact with such person, a member of such person’s immediate family or a third party with whom such person is acquainted; or
3. likely to cause such person to reasonable fear that her/his employment, business or career is threatened, where such conduct consists of appearing, telephoning or initiating communication or contact at such person’s place of employment or business, and the actor was previously clearly informed to cease that conduct.

Stalking

For the purposes of providing crime statistics pursuant to the Campus Security Act in the College’s Annual Security Report, victim and witness information will remain anonymous. However, complete confidentiality cannot be guaranteed in all other contexts. The College reserves the right to notify the police when it believes that such reporting is necessary for the protection of the College community. In many cases, however, that notification will be done without divulging the victim’s identity and will be done only for the purpose of providing a campus-wide safety alert.

Bystander Intervention:
The College encourages all community members, including faculty, students and visitors to take reasonable and prudent actions to prevent and stop an act of sexual harassment, gender-based harassment or sexual violence that she/he may witness. Although these actions will depend on circumstances, they may include direct intervention, calling law enforcement, or seeking assistance from a person in authority. In addition, the College encourages all community members to report an incident of sexual harassment, gender-based harassment or sexual violence that they observe or become aware of to the Title IX Coordinator, and/or the Office of Public Safety and Student Affairs. Community members who chose to exercise this positive option will be supported by the College and protected from retaliation.

Preventing Date or Acquaintance Rape

• Convey strongly that you expect your rights to be respected.

• Meet new acquaintances in public places. Always have your own transportation or travel with good friends. Use a “buddy” system.

• Keep money in your pocket or purse for phone calls or pay for transportation if you must leave a situation abruptly.

• Be aware of how much alcohol is being consumed. It’s best to avoid using alcohol. While not a direct cause of date rape, alcohol can increase your vulnerability by lowering your alertness and ability to react.

• Clearly define your sexual limit. If someone starts to offend you, be direct. Say no clearly when you mean no.

• If you feel that you are being pressured into unwanted sex, say something as soon as you can, before the behavior goes any further.

• Embarrassment should not keep you from doing what is right for you. Do not hesitate to raise your voice, stand up abruptly, or scream if the situation warrants it.

What to Do if You Are Attacked

• After an attack, try to be as calm as possible in order to think clearly. Get to a safe place and call for help immediately. If you are in the building, contact security immediately; anywhere else call 911, call a relative or a friend or a rape crisis center. The NYC Police Department Sex Crimes Report Line is always open at 212-COP-RAPE. Remember that to call 911 from a landline from a Hunter Campus you have to dial 9-1-911.

• Remain in the same condition as when the attacker left. Do not change, wash, or destroy any clothing or any article that may be evidence.

• Do not wash, douche or comb your hair.

• Have a medical/gynecological exam at the nearest hospital emergency room as soon as possible. The doctor should note and treat any injury and take measures to combat the possibility of sexually transmitted diseases or pregnancy. If you report being raped, the doctor must collect semen smears as evidence.

• Show police any bruises or injuries, however minor, resulting from the attack. Also show injuries, however minor, resulting from the attack. Also show injuries to a friend or relative who might be available as a corroborative witness at the trial. If possible, photograph bruises.

• Leave the crime scene exactly as it is. Do not touch, clean up, or throw anything away.

• Give any clothing that was stained or torn (including undergarments) during the crime to the police.

• When calm, write down every detail about the incident, including: who, what, where, when, and how; what the attacker looked like (height, weight, clothing, type of build, color of skin, hair eyes facial oddities, scars jewelry, tattoos etc.); description of any vehicle used or the direction you last saw the attacker running; what kind of force or coercion was used; any objects touched, taken, or left by the attacker; if the attacker said anything, try to remember the words, the grammar, any accents or speech defects; and if there were witnesses, list who and where they might be.

• Seek psychological support as well as medical attention. Even though the actual incident is over, you may suffer from rape trauma syndrome, which includes a variety of difficulties commonly experienced after a sexual assault.

• A student can call the New York City Police Department or 911, or go directly to a hospital. If the student wishes, Public Safety will call 911 on their behalf. It is important to note that if you are a victim of a sex offense, do not destroy any evidence (including clothing) and do not take a shower or bath.

• It is important that such physical evidence be preserved in order to assist with any ensuing criminal investigation. If the student believes that she/he may be the victim of date rape by being drugged, she/he should go directly to a hospital to receive a toxicology examination since such drugs only remain in a person’s system for a short period of time. The Department of Public Safety will assist with notification of other law enforcement authorities and/or medical professionals if the student so chooses.

Files relating to sex offenses are kept confidential by the Department of Public Safety and by the Office of Student Affairs/Student Development, unless otherwise required by law or CUNY policy.
Who is a perpetrator?

Many people think that sexual assaults are only perpetrated by vicious strangers on dark, deserted streets. In fact, studies indicate that between 80 and 90 percent of all people who have been raped know their perpetrator(s). This is called “date rape” or “acquaintance rape.” “Date rape” is not a legally distinct or lesser category of rape. It refers to a relationship and situational context in which rape occurs on a date. Rape or any sexual offense, whether on a date or not, is the same criminal offense involving the same elements of force, exploited helplessness or underage participation. With sexual assaults where the victim knows the perpetrator, alcohol use is often involved on the part of either the victim or the perpetrator. However, a sexual assault is still a crime regardless of the intoxication of the perpetrator or the victim.

Who is a victim?

Anyone can be a victim, regardless of gender, age, race, sexual orientation, gender identity, religion, ethnicity, class or national origin. Regardless of whether the victim was abusing alcohol and/or underage, she or he is still the victim of the sex offense.

When is there lack of consent?

Under New York law, lack of consent to a sexual contact may be demonstrated in the following ways: (1) forcible compulsion including the use of physical force or threat (express or implied) which places the person in fear of physical injury to self or another; (2) incapacity to consent on the part of the victim; (3) circumstances in which the victim does not expressly or impliedly acquiesce in the actor’s conduct; or (4) circumstances in which the victim clearly expressed by words or actions that he or she did not consent to engage in such sexual act and a reasonable person would have understood such person’s words or actions as an expression of lack of consent to such conduct.

A person is deemed incapable of giving consent if she/he is (a) under the age of 17, (b) mentally incapacitated (which may include incapacity due to the victim’s ingestion of alcohol or drugs), (c) physically disabled or (d) physically helpless (asleep, unconscious or for any other reason physically unable to communicate unwillingness to act, which may also include incapacity due to the victim’s ingestion of alcohol or drugs).

Who is responsible for a sexual attack?

In the absence of consent, the attacker is always responsible for having committed the sexual assault regardless of the victim’s appearance, behavior, or conduct on previous occasions. An attacker cannot assume that the way a person dresses or acts is an invitation for sexual advances. A person may welcome some forms of sexual contact and be opposed to others. The more impaired a person is from alcohol or drugs, the less likely she/he can give consent; having sex with someone who is “passed out” or sleeping is rape. And regardless of previous sexual activity, if someone refuses sexual contact, the failure to respect that limit constitutes non-consensual sex.

Additionally, the Department of Public Safety has periodic bystander intervention, the importance of peer networks and the significance of fostering a community of responsibility.

In addition, each College is required to provide periodic training relating to the prevention and handling of sexual assaults, stalking and domestic/intimate partner violence for all relevant personnel, including public safety officers, counselors, student affairs staff and residence hall assistants by experts trained in the field. Education and training must also be made available to any interested faculty and staff member. If the matter is brought before a hearing, the complainant and alleged perpetrator are entitled to the same opportunities to have others present, including an advisor of their choice, at their own expense and to be informed, in writing of (1) the outcome of the proceedings at the same time; (2) the procedures for appealing the results; (3) any change in results that occurs prior to the time the results become final; and (4) when the results become final. If a student is found guilty of committing a sexual assault or other act of violence against another CUNY student or employee after a disciplinary hearing, the penalties may include suspension, expulsion from residence halls, or permanent dismissal from CUNY. The complainant and the accused are entitled to:

  - the outcome of the institutional disciplinary proceeding
  - the institution’s procedures for the accused and the victim to appeal the results
  - any change in the results that occurs prior to the time the results become final

Definitions of Sex Offenses

Sexual assault is a crime. Under Article 130 of the New York State Penal Law, it is a sex offense to engage in sexual contact or to engage in sexual intercourse, sodomy or sexual abuse by contact without the consent of the victim or where the victim is incapable of giving consent. Criminal sex offenses are classified in degree according to the seriousness of sexual activity, the degree of force used, the age of the victim and the physical and mental capacity of the offender and victim.

See chart on the following page for a list of some of the major sex offenses and their maximum penalties under New York State Law.
Sexual assault is a crime of power, aggression and violence. Terms such as “date rape” and “acquaintance rape” tend to minimize the fact that the act of rape, or any sexual assault, is a serious crime. There is never an excuse or a reason for a person to rape, assault or even touch another person’s private parts without consent. The impact on survivors of such an attack can cause severe and lasting physical, mental and emotional damage.

If a member of the college community has reason to believe that a student who resides in on-campus housing is missing, he or she should immediately notify Hunter College Public Safety Department at (212) 481-4444.

Hunter College Public Safety Department will generate a missing person report and initiate an investigation. After investigating the missing person report, should the Public Safety Department determine that the student is missing and has been missing for more than 24 hours, the Public Safety Department will notify NYPD and the student’s emergency contact no later than 24 hours after the student is determined to be missing.

If the missing student is under the age of 18 and is not an emancipated individual, the Public Safety Department will notify the student’s parent or legal guardian immediately after the Public Safety Department has determined that the student has been missing for more than 24 hours.

In addition to registering an emergency contact, students residing in on-campus housing have the option to identify, confidentially, an individual to be contacted by the Public Safety Department in the event the student is determined to be missing for more than 24 hours. If a student has identified such an individual, the Public Safety Department will notify that individual no later than 24 hours after the student is determined to be missing.

A student’s confidential contact information will be accessible only by authorized campus officials and law enforcement as appropriate.

Fire Safety BROOKDALE CAMPUS

Each campus has a fire alarm system that meets the fire code of New York City. In most campuses a Fire Warden is assigned to each floor and is responsible for implementing the fire safety policy and evacuation during a fire emergency.

Things to Remember:

• If you notice a fire - pull the fire alarm pull station - do not waste time calling public safety. (Once activated, the alarm goes directly to a central station and NYFD is dispatched.
• If a "pull station" is not close to you then,
  o Activate one of the silver wall mounted "Talk-A-Phone" boxes, usually located at the elevators, in stairwells and restrooms.
  o Dial 1-4444 on a main campus telephone
  o Dial 911 on your cell phone. (or Public Safety at (212) 481-4444) - Remember that to call 911 from a landline from a Hunter Campus you have to dial 9-1-911.
• Fire extinguishers are located on all floors of all campuses.
• A Fire Warden is assigned to each floor and is responsible for implementing the fire safety policy and evacuation during a fire emergency.
• It is important to follow their instructions, they are there for your safety
• Stairway "A" is the primary staircase to be used for evacuation, unless told otherwise.
• Disabled individuals should enter the stairway and stay on the landing of their floor. NYFD will come and get you!
• A delay in public address announcements after a fire alarm sounds is usually because public safety is investigating the source of the alarm to determine what needs to be done.
  o Always listen for public address announcements.
• If there is a fire or smoke condition in, or near an elevator shaft, the fire alarms will sound on all floors.
• Elevators will get automatically re-called to the lowest floor/lobby.
• Some elevators may be re-called to the main floor due to a fire.
• After a fire alarm is activated, the alarm and the elevators cannot be reset until the NY Fire Department authorizes it and gives the "all clear".
• Evacuations may only occur on the "fire floor" and one floor above, and one floor below and not the entire building.
• Organized "Fire Brigades" will respond to the floor below the fire floor.
• Each semester Public Safety performs fire drills at each campus.
Fire Safety Equipment

All rooms are equipped with smoke detectors. Each dorm room is equipped with a sprinkler system. Several fire alarm pull stations are located on each corridor. This equipment is monitored to ensure that it is in good working condition. If an emergency situation arises and you use the fire extinguisher, the extinguisher must be recharged. You must notify your RA and/or the RA on duty the time the emergency occurred and contact the Hunter College Public Safety Department at 212-481-4444. Failure to notify the Hunter College Public Safety Department may result in disciplinary action, as well as a fee to recharge the extinguisher and any resulting damages to the property. Also, if the smoke detector in your room beeps because of a weak battery, please notify the Hunter College Department of Public Safety at Brookdale. Fire alarm pull stations are located on each floor. Tampering with fire safety equipment or setting off a false alarm makes the system ineffective and endangers the lives of other residents and will be considered violation of the Henderson Rules and will result in referral to the Office of the Vice President of Student Affairs. Any person, who sets off a false alarm, interferes with the operation of the alarm system, or damages or removes any part of the alarm system for purposes other than those related to fire safety (excluding, but not limited to fire extinguishers, smoke detectors, sprinkler systems, or removes an exit sign) is subject to severe disciplinary action.

RESIDENTIAL FIRE SAFETY POLICIES

Introduction
University Housing and Campus Code Compliance and Fire Safety at the City University of New York at Hunter College in compliance with the Higher Education Opportunity Act (HEOA) have developed an annual fire safety report. This document summarizes the reporting components required by the Act.

Campus Code Compliance and Fire Safety and University Housing are committed to providing students with fire safety training and a fire safe, living, learning community.

FIRE LOG
Hunter College maintains a written fire log that records, the date reported, the nature of the fire, date and time of the fire and the general location of any fire that occurs in our on-campus student housing facility. The Fire Log is accessible to the public at the Office of Public Safety located on the first floor of the Brookdale Campus.

REPORTING OF FIRES
Students and employees should report that a fire occurred to Public Safety at (212) 481-4444.

Fire Alarms and Fire Drills
For resident safety, a fire drill will be conducted each semester. When a fire alarm sounds, residents should follow the instructions on the back of their room door and listen for public address announcements. Fire drills, false alarms, and genuine fire alarms are unidentifiable.

Whenever the fire alarm sounds everyone MUST evacuate the building. Even in a building designed to be resistant to fire, a small wastebasket fire can quickly fill an area with smoke and deadly gases. Smoke is the major cause of death from fires within residence halls. For this reason, residents should be certain to close their room doors and windows when evacuating in order to retard the spread of smoke. Hallway and stairwell fire doors should be closed at all times. Residents cannot re-enter the building until Public Safety Personnel, Fire Department or Residential Life/Housing staff, gives an “all clear” signal.

Residents who fail to evacuate a residence hall building during a fire alarm or who do not follow the directives of Fire, Public Safety, or Residence hall staff will be referred to the University disciplinary system for judicial action.

Obstructing a doorway, exit, stairwell, or room door is a serious safety hazard.

CAUTION: Building fire alarms may stop ringing. If they stop, do not return to the building unless notified by the Fire Department or Public Safety.

Know the location of fire alarm pull stations, fire extinguishers, and exits on your floor.

Fire Extinguishers
Fire extinguishers will be charged, available, and operable at all times. Tampering with fire extinguishers is a serious offense and could lead to disciplinary action and/or dismissal from the City University of New York. If you observe a fire extinguisher that is not charged or appears to be damaged, notify the Office of Public Safety at (212) 481-4444.

Fire Alarms/Evacuation Procedures
Residents should assume that the sounding of any alarm is intentional and promptly evacuate. At the sound of an alarm, all residents are required to quickly and calmly exit the building.

After evacuating, do not re-enter the building for any purpose until emergency personnel directs you to do so. Failure to comply with re-entry instructions, and/or evacuation procedures during an alarm will subject you to disciplinary action from College staff.

Policies Regarding Fire Safety Education and Training Programs Provided to the Students and Employees
Fire safety training and awareness for students and employees is done through awareness programs at different school functions, such as new student orientation, new employee orientation, as well as, housing staff trainings and Public Safety training.

Additional education is conducted through public safety awareness literature as well as discussions at various meetings and gatherings throughout the school year. Below are some examples of the information provided.

BROOKDALE EVACUATION PROCEDURES

Emergency Information
Usually evacuation procedures concern a working fire; however there may be other reasons that a building may have to be evacuated. Examples of this may be a bomb threat; a chemical spill in a lab; a police action; a power failure; or other situation where it would be in the best interest of the occupants to evacuate.

Do not use elevators, remain calm.
Upon activation of the fire alarm, all residents should evacuate by the stairwell closest to their apartments (emergency exit or not) and should exit the building by using the closest exit and should proceed away from the building (minimum of 50 feet).

In cases of inclement weather, Public Safety personnel will open the Campus Center so that all may gather on the 1st floor. A headcount will be taken by Dolphin Cove Staff at this time. Excessive smoke or the smell of gas is reason to immediately evacuate even if no announcement was heard. Evacuation floor plans are posted on each floor by the elevators throughout the building.

Close windows and doors and leave lights on and doors unlocked. When you evacuate, do not stop for personal belongings or records. If there is excessive smoke, crawl to an exit. If you are unable to exit, stay low and plug all openings around doors, windows and vents. If you find yourself trapped, call Public Safety at (212) 481-4444 and give them your location, room number and floor. Before entering another room or stairwell, check for heat by placing your hand near the door.

Brookdale Staff that are familiar with the evacuation procedures will alert others on their assigned floor to follow their emergency procedures. Disabled persons will enter the closest stairwell and await FDNY to assist them in exiting the building. A “runner” should be dispatched to tell the responding personnel (fire or police) the location of the handicapped individual(s), so that a rescue can be initiated. Building occupants must immediately advise the responding Public Safety Officers of the possibility and location of any persons who have not yet evacuated the buildings due to injury or incapacitation.

No one is permitted to re-enter an evacuated building until the building is determined to be safe by the emergency service personnel and FDNY advises that re-entry into the building is permitted.

Candles/Holiday Decorations
Holiday and other celebrations that typically involve the lighting of candles and/or string lighting may be observed, with permission of the Management. Only in a common area downstairs visible to Security, and only if conducted in a manner that does not trigger fire safety systems. Examples of such events include, but are not limited to the lighting of the Menorah during Hanukkah, lighting of the Kinara during KWANZAA, or the lighting of Christmas trees during Christmas. These rules apply to such occasions:

No more than 50% of doors may be covered at anytime. Material that is difficult to remove or might result in damage, such as artificial snow, is not permitted.
• Decorations that violate any established policies are prohibited.
• Empty alcohol bottles may not be used as decorations of any sort.
• All lights or other decorations must be approved by the RA for your area.
• Extension cords may not be used.
• No protrusion through/around windows or screens.
• Any structures or decorations that do not meet the standards set by Public Safety or Facilities will be taken down immediately. If the required changes are not made, Brookdale Staff reserves the right to remove all structures from the room and bill the resident for the cost of removal. Failure to remove or redesign items may result in a disciplinary action.
Fire Exits
The fire exits are for emergency use only. These exits are alarmed and monitored. Other than during emergencies, entrance to and exit from the building is only at the main entrance, which is serviced by public safety officers. Improper use of fire exits may result in disciplinary action.

Neither Brookdale nor Hunter College is responsible for loss or damage to personal property of residents. We encourage you to carry personal property insurance. If applicable, you should check your parents’ policy to see if your property is covered in your room or apartment unit.

Daily Fire Log:
The Department of Public Safety maintains a “daily crime log” and a “daily fire log” in two ways. I. Policy Statement

Every member of The City University of New York community, including students, employees and visitors, deserves the opportunity to live, learn and work free from sexual harassment, gender-based harassment and sexual violence. Accordingly, CUNY is committed to:

1) Defining conduct that constitutes prohibited sexual harassment, gender-based harassment and sexual violence;

2) Providing clear guidelines for students, employees and visitors on how to report incidents of sexual harassment, gender-based harassment and sexual violence and a commitment that any complaints will be handled respectfully;

3) Promptly responding to and investigating allegations of sexual harassment, gender-based harassment and sexual violence, pursuing disciplinary action when appropriate, referring the incident to local law enforcement when appropriate, and taking action to investigate and address any allegations of retaliation;

4) Providing ongoing assistance and support to students and employees who make allegations of sexual harassment, gender-based harassment and sexual violence;

5) Providing awareness and prevention information on sexual harassment, gender-based harassment and sexual violence, including widely disseminating this policy, and implementing training and educational programs on sexual harassment, gender-based harassment and sexual violence to college constituencies; and

6) Gathering and analyzing information and data that will be reviewed in order to improve safety, reporting, responsiveness and the resolution of incidents.

This is the sole policy at CUNY addressing sexual harassment, gender-based harassment and sexual violence and is applicable at all college and units at the University. The CUNY community should also be aware of the following policies that apply to other forms of sex discrimination, as well as to other types of workplace violence and domestic violence that affect the workplace:

- The CUNY Policy on Equal Opportunity and Nondiscrimination prohibits discrimination on the basis of numerous protected characteristics in accordance with federal, state and local law. That policy addresses sex discrimination other than sexual harassment, gender-based harassment or sexual violence covered by this policy.
• The CUNY Workplace Violence Policy addresses workplace violence and the CUNY Domestic Violence in the Workplace Policy addresses domestic violence in or affecting employees in the workplace.

In addition, campus crime statistics, including statistics relating to sexual violence, which CUNY is required to report under the Jeanne Clery Act, are available from the Office of Public Safety at each college and/or on its Public Safety website.

II. Prohibited Conduct

A. Sexual Harassment, Gender-Based Harassment and Sexual Violence. This policy prohibits sexual harassment, gender-based harassment and sexual violence against any CUNY student, employee or visitor.

Sexual harassment includes unwelcome conduct of a sexual nature, such as unwelcome sexual advances, requests for sexual favors, and other verbal, nonverbal, graphic and electronic communications or physical conduct that is sufficiently serious to adversely affect an individual’s participation in employment, education or other CUNY activities.

Gender-based harassment is unwelcome conduct of a nonsexual nature based on an individual’s actual or perceived sex, including conduct based on gender identity, gender expression, and nonconformity with gender stereotypes that is sufficiently serious to adversely affect an individual’s participation in employment, education or other CUNY activities.

Sexual violence is an umbrella term that includes sexual assault, such as rape/attempted rape, criminal sexual act, forcible touching, and sexual abuse. If of a sexual nature, stalking/cyberstalking (hereinafter “stalking”) and dating, domestic and intimate partner violence may also constitute sexual harassment, gender-based harassment or sexual violence.

The complete definitions of these terms, as well as other key terms used in this policy, are set forth in Section XI below.

B. Retaliation. This policy prohibits retaliation against any person who reports sexual harassment, gender-based harassment or sexual violence, assists someone making such a report, or participates in any manner in an investigation or resolution of a sexual harassment, gender-based harassment or sexual violence complaint.

C. Certain Intimate Relationships. This policy also prohibits certain intimate relationships when they occur between a faculty member or employee and any student for whom he or she has a professional responsibility as set forth in Section X below.
III. Title IX Coordinator

Each college or unit of CUNY has an employee who has been designated as the Title IX Coordinator. This employee is responsible for compliance with Title IX of the Education Amendments of 1972, which prohibits sex discrimination, including sexual harassment, gender-based harassment and sexual violence, in education programs. The Title IX Coordinator has overall responsibility for implementing this policy, including overseeing the investigation of complaints at her/his college or unit and carrying out the other functions of that position set forth in this policy. The name and contact information for all Title IX Coordinators at CUNY can be found on the university’s dedicated Title IX website at Campus Title IX Webpages.

IV. Immediate Assistance in Cases of Sexual Violence

A. Reporting to Law Enforcement

Students or employees who experience any form of sexual violence on or off-campus (including CUNY-sponsored trips and events) and visitors who experience sexual violence on a CUNY campus are strongly encouraged to immediately report the incident by calling 911, contacting their local police precinct, or contacting their college public safety office, which is available 24 hours a day, 7 days a week. Campus public safety officers can also assist the complainant with filing a complaint both on and off-campus, and in obtaining immediate medical attention, counseling and other services.

B. Obtaining Immediate Medical Attention and Emotional Support

CUNY is committed to assisting anyone who experiences sexual violence to seek comprehensive medical attention as soon as possible to treat injuries, obtain preventative treatment for sexually transmitted diseases, and preserve evidence, among other things. For rapes in particular, immediate treatment and the preservation of evidence of the attack are important for many reasons, including facilitating a criminal investigation. In addition, individuals who have experienced or witnessed sexual violence are encouraged to seek emotional support as soon as possible, either on or off-campus.

On-campus resources include nurses and/or nurse practitioners at campus health offices and counselors at campus counseling centers. Counselors are trained to provide crisis intervention and provide referrals for longer-term care as necessary.

For off-campus resources, CUNY maintains a list of emergency contacts and resources, including rape crisis centers, available throughout New York City on its dedicated web page. This list includes a designation of which local hospitals are designated as SAFE (Sexual Assault Forensic Examiner) hospitals, which are specially equipped to handle sexual assaults and trained to gather evidence from such assaults.
V. Reporting Sexual Harassment, Gender-Based Harassment or Sexual Violence to the College

CUNY encourages individuals who have experienced sexual harassment, gender-based harassment or sexual violence (referred to in this policy as “complainants”) to report the incident(s) to campus authorities, even if they have reported the incident to outside law enforcement, and regardless of whether the incident took place on or off-campus. Such reporting will enable complainants to get the support they need, and provide the college with the information it needs to take appropriate action. However, individuals should be aware that there are employees at their college/unit whom they can speak with on a strictly confidential basis before determining whether to make a report to college authorities. See Section VI below.

A. Filing a Complaint with Campus Authorities

   (i) Students. Students who experience sexual harassment, gender-based harassment or sexual violence should bring their complaint to one of the following campus officials/offices:

   • Title IX Coordinator;
   • Office of Public Safety;
   • Office of the Vice President for Student Affairs and/or Dean of Students;
   • Residence Life staff in CUNY owned or operated housing, including Resident Assistants.

   (ii) Employees. Employees who experience sexual harassment, gender-based harassment or sexual violence should bring their complaint to one of the following campus officials/offices:

   • Title IX Coordinator;
   • Director of Human Resources;
   • Office of Public Safety.

   (iii) Visitors. Visitors who experience sexual harassment, gender-based harassment or sexual violence should bring their complaint to one of the following campus officials/offices:

   • Title IX Coordinator;
   • Office of Public Safety;
   • Residence Life staff in CUNY owned or operated housing, including Resident Assistants.

Once any of the individuals or offices above is notified of an incident of sexual harassment, gender-based harassment or sexual violence, she/he will coordinate with the appropriate college offices to address the matter in accordance with this policy, including
taking appropriate interim and supportive measures. All information in connection with
the complaint, including the identities of the complainant and the respondent, will be kept
as confidential as possible and will only be shared with those who have a legitimate need
for the information.

B. **Support Assistance for Complainants**

When a Title IX Coordinator receives a complaint of sexual or gender-based violence,
she/he will work with the Chief Student Affairs Officer to identify a trained staff member
to assist the complainant with support services and accommodations.

C. **Request that the College Maintain a Complainant’s Confidentiality, Not
Conduct an Investigation, or Not Report an Incident to Outside Law
Enforcement**

After a report of an alleged incident of sexual harassment, gender-based harassment or
sexual violence has been made to the Title IX Coordinator, a complainant may request
that the matter be investigated without her/his identity or any details regarding the
incident being divulged further. Alternatively, a complainant may request that no
investigation into a particular incident be conducted or that an incident not be reported to
outside law enforcement.

In all such cases, the Title IX Coordinator will weigh the complainant’s requests against
the college’s obligation to provide a safe, non-discriminatory environment for all
students, employees and visitors, including the complainant. A decision to maintain
confidentiality does not mean that confidentiality can be absolutely guaranteed in all
circumstances, but only that all efforts will be undertaken to keep information
confidential consistent with law. Notwithstanding the decision of the Title IX
Coordinator regarding the scope of any investigation, the college will provide the
complainant with ongoing assistance and support, including, where appropriate, the
interim and supportive measures set forth in Section VII of this policy.

If the Title IX Coordinator determines that she/he will maintain confidentiality as
requested by the complainant, the college will take all reasonable steps to investigate the
incident consistent with the request for confidentiality. However, a college’s ability to
meaningfully investigate the incident and pursue disciplinary action may be limited by
such a request.

In any event, the college is required to abide by any laws mandating disclosure, such as
the Jeanne Clery Act and New York’s Campus Safety Act. However, notification under
the Jeanne Clery Act is done without divulging the complaint’s identity, and notification
of sexual violence under the New York Campus Safety Act is not required and will not be
done if the complainant requests confidentiality.

If the Title IX Coordinator determines that the college must report the incident to outside
law enforcement, the college will cooperate with any criminal investigation, which may include providing the outside law enforcement agency with any evidence in its possession relating to the incident.

**D. Action by Bystanders and Other Community Members**

While those employees designated as “responsible” employees are required reporters as set forth in Section VI below, CUNY encourages all other community members, including faculty, students and visitors, to take reasonable and prudent actions to prevent or stop an act of sexual harassment, gender-based harassment or sexual violence that they may witness. Although these actions will depend on the circumstances, they include direct intervention, calling law enforcement, or seeking assistance from a person in authority.

In addition, CUNY encourages all community members to report an incident of sexual harassment, gender-based harassment or sexual violence that they observe or become aware of to the Title IX Coordinator, and/or the offices of Public Safety and the Vice President of Students Affairs and/or Dean of Students at their college. Community members who take action in accordance with this paragraph will be supported by the college, and anyone who retaliates against them will be subject to disciplinary charges.

**E. Amnesty for Drug and Alcohol Use**

CUNY strongly encourages students to report instances of sexual harassment, gender-based harassment or sexual violence as soon as possible, even if those reporting or the alleged victim may have engaged in the inappropriate or unlawful use of alcohol or drugs. Therefore, a student who reports or experiences sexual harassment, gender-based harassment or sexual violence will not be disciplined by the college for any violation of CUNY’s Policy Against Drugs and Alcohol in connection with the reported incident, subject to the conditions in CUNY’s Medical Amnesty/Good Samaritan policy.

**F. Reporting Suspected Child Abuse**

Certain members of the CUNY community who interact with, supervise, chaperone, or otherwise oversee minors in programs or activities at CUNY or sponsored by CUNY are required to report immediately to the New York State Maltreatment Hotline if they have reasonable cause to suspect abuse or maltreatment of individuals under the age of 18. Information regarding mandated child abuse reporting is available on the Office of the General Counsel web page. If anyone other than New York State mandated reporters has reasonable cause to believe that a minor is being or has been abused or maltreated on campus, she/he should notify either the Title IX Coordinator or Director of Public Safety. If any CUNY community member witnesses child abuse while it is happening, she/he should immediately call 911.
G. Reporting Retaliation

An individual may file a complaint with the Title IX Coordinator if she/he has been retaliated against for reporting sexual harassment, gender-based harassment or sexual violence, assisting someone making such a report, or participating in any manner in an investigation or resolution of a sexual harassment, gender-based harassment or sexual violence complaint. All retaliation complaints will be investigated in accordance with the investigation procedures set forth in Section VIII of this policy, and individuals who are found to have engaged in retaliation will be subject to disciplinary action.

VI. Reporting/Confidentiality Obligations of College and University Employees

An individual who speaks to a college or CUNY employee about sexual harassment, gender-based harassment or sexual violence should be aware that employees fall into three categories: (1) “confidential” employees, who have an obligation to maintain a complainant’s confidentiality regarding the incident(s); (2) “responsible” employees, who are required to report the incident(s) to the Title IX Coordinator; and (3) all other employees, who are strongly encouraged but not required to report the incident(s).

A. Confidential Employees

(i) For Students. Students at CUNY who wish to speak to someone who will keep all of the communications strictly confidential should speak to one of the following:

- Counselor or other staff member at their college counseling center;
- Nurse, nurse practitioner or other staff member in the college health office;
- Pastoral counselor (i.e., counselor who is also a religious leader) if one is available at their college; or
- Staff member in a women’s or men’s center, if one exists at their college.

The above individuals will not report any information about an incident to the college’s Title IX Coordinator or other college employees without the student’s permission. The only exception is in the case where there is an imminent threat to the complainant or any other person.

A student who speaks solely to a “confidential” employee is advised that, if the student wants to maintain confidentiality, the college may be unable to conduct an investigation into the particular incident or pursue disciplinary action against the alleged perpetrator. However, these professionals will assist the student in receiving other necessary support. A student who first requests confidentiality may later decide to file a complaint with the college or report the incident to local law enforcement and thus have the incident investigated.
(ii) **For Employees.** Although there is no one directly employed by CUNY to whom CUNY employees can speak on a confidential basis regarding sexual harassment, gender-based harassment or sexual violence, free confidential support services are available through CUNY’s Work/Life Program, which is administered by an outside company. Confidential community counseling resources are also available throughout New York City:

B. **“Responsible” Employees**

“Responsible” employees have a duty to report incidents of sexual harassment, gender-based harassment or sexual violence, including all relevant details, to the Title IX Coordinator. Such employees are not permitted under any circumstances to maintain a complainant’s confidentiality. To the extent possible, information reported to responsible employees will be shared only with the Title IX Coordinator, the “responsible” employee’s supervisor, and other people responsible for handling the college’s response to the report.

Before a complainant reveals any information to a responsible employee, the employee shall advise the complainant of the employee’s reporting obligations—and if the complainant wants to maintain confidentiality, direct the complainant to confidential resources.

CUNY has designated the following individuals as “responsible” employees:

(i) Title IX Coordinator and her/his staff  
(ii) Office of Public Safety employees (all)  
(iii) Vice President for Student Affairs and Dean of Students and all staff housed in those offices  
(iv) Residence Life staff in CUNY owned or operated housing, including Resident Assistants (all)  
(v) College President, Vice Presidents and Deans  
(vi) Athletics Staff (all)  
(vii) Department Chairpersons/Executive Officers  
(viii) Human Resources staff (all)  
(ix) University Office of the General Counsel employees (all)  
(x) College/unit attorney and her/his staff  
(xi) College/unit labor designee and her/his staff  
(xii) Faculty members at times when they are leading off-campus trips
(xiii) Faculty or staff advisors to student groups
(xiv) Employees who are Managers (all)
(xv) SEEK/College Discovery staff (all)

C. **All Other Employees**

Employees other than those identified in subsections “A” and “B” above are permitted but not required to report any possible sexual harassment, gender-based harassment or sexual violence; however, they are encouraged by CUNY to make such a report.

It is important to emphasize that faculty members other than those specifically identified in subsection “B” above have not been designated as “responsible” employees and do not have an obligation to report the matter to the Title IX Coordinator, although they are encouraged to do so.

VII. **Interim and Supportive Measures**

The college will take immediate steps to protect the complainant and other affected parties, as well as the college community at large, following an allegation of sexual harassment, gender-based harassment or sexual violence. In general, when taking such interim and supportive measures, the college will seek to minimize the burden on the complainant.

Interim and supportive measures may include, among other things:

(i) Making necessary changes to academic programs, including a change in class schedule, making appropriate accommodations to permit the complainant to take an incomplete or drop a course or courses without penalty, permitting the complainant to attend a class via skype or other alternative means where appropriate, providing an academic tutor, or extending deadlines for assignments;

(ii) Making necessary changes to residential housing situations or providing assistance in finding alternate housing;

(iii) Changing an employee’s work assignment or schedule;

(iv) Providing the complainant with an escort to and from class or campus work location;

(v) Arranging appropriate transportation services to ensure safety;

(vi) Prohibiting contact between the complainant and the respondent ("no contact" orders);

(vii) Offering counseling services to the complainant, to the respondent, and, where appropriate, to witnesses, through the college Counseling Center or other appropriate college office, or a referral to an off-campus agency;

(viii) Providing the complainant assistance in obtaining medical and other services, including access to rape crisis centers;

(ix) Providing the complainant assistance with filing a criminal complaint and seeking an order of protection;
(x) Enforcing an order of protection;
(xi) Addressing situations in which it appears that a complainant’s academic progress is affected by the alleged incident;
(xii) In exceptional circumstances, seeking an emergency suspension of a student or an employee under applicable CUNY Bylaws, rules, policies and collective bargaining agreements.

VIII. Investigating Complaints of Sexual Harassment, Gender-Based Harassment or Sexual Violence

The college will conduct an investigation when it becomes aware, from any source (including third-parties not connected to the college or university), that sexual harassment, gender-based harassment or sexual violence may have been committed against a student, employee or visitor, unless the complainant has requested that the college refrain from such an investigation and the college has determined that it may do so.

A. The Investigation

The college Title IX Coordinator is responsible for conducting the investigation in a prompt, thorough, and impartial manner. The college Title IX Coordinator shall inform the respondent that an investigation is being commenced and shall inform the respondent of the allegations of the complainant. If there is a written complaint, the respondent shall be provided with a copy of the complaint unless circumstances warrant otherwise. The Title IX Coordinator shall coordinate investigative efforts with other college offices, and may designate another trained individual to conduct all or part of the investigation. A respondent employee who is covered by a collective bargaining agreement may consult with and have a union representative present at any interview conducted as part of such investigation.

The college Title IX Coordinator shall take prompt and effective steps reasonably calculated to end any sexual harassment, gender-based harassment or sexual violence, including: (i) taking interim measures; (ii) preventing retaliation; (iii) providing the complainant and the respondent with periodic status updates of the investigation and notice of outcome of the investigation; (iv) informing the complainant of her/his right to file a criminal complaint; (v) coordinating with law enforcement agencies, as appropriate, after consultation with Public Safety; (vi) maintaining all documents of the investigation; and (vii) drafting a report of findings, which is to be submitted to the College President.

B. Conflicts

If any administrator designated by this policy to participate in the investigation or resolution of a complaint (including but not limited to the Title IX Coordinator) is the respondent, the College President will appoint another college administrator to perform
such person’s duties under this policy. If the President is the respondent, the investigation will be handled by the University Title IX Coordinator or her/his designee.

C. Mediation

While mediation is not permitted in cases where sexual violence is alleged, it may be appropriate where sexual harassment or gender-based harassment allegations have been made by a student or employee but there is no allegation of sexual violence. Mediation is a process whereby the parties can participate in a search for fair and workable solutions. Mediation requires the consent of both the complainant and the respondent, but does not require the complainant and respondent to meet face-to-face. Either party, however, has the right to end the mediation at any time and proceed with the investigation process. A respondent who is covered by a collective bargaining agreement may consult with and have a union representative present at any mediation session.

D. Timing

The college shall make every reasonable effort to ensure that the investigation and resolution of a complaint are carried out as timely and efficiently as possible. However, the college may need to delay the fact-finding portion of its investigation during the evidence-gathering phase of a law enforcement investigation. While some complaints may require extensive investigation, whenever possible, the investigation of complaints should be completed within sixty (60) calendar days of the receipt of the complaint. If there is a delay in completing the investigation, the Title IX Coordinator shall notify the complainant and the respondent in writing.

E. Report of Findings

Following the completion of the investigation, the Title IX Coordinator shall report her/his findings to the College President in writing. Following such report, the College President shall review the complaint investigation report and authorize such action as she/he deems necessary to address the issues raised by the findings. In the event the complainant or the respondent is a student, the report shall also be sent to the Chief Student Affairs Officer. A copy of the report shall be maintained in the files of the Title IX Coordinator.

F. Disciplinary Action

Following an investigation, the College President may recommend that disciplinary action be commenced against the respondent student or employee.

(i) Discipline against students. In cases where a student is accused of a violation of this policy, including retaliation, the matter shall be referred to the college’s Office of Student Affairs and action shall be taken in accordance with Article XV of the CUNY Bylaws, which contains the
student disciplinary process at CUNY. Under the student disciplinary process, complainants have the same right as respondents to receive notice of the charges, to attend and participate fully in a disciplinary hearing, to appear through a representative of their choice, including an attorney, to receive notice of the decision of the faculty-student disciplinary committee, and to appeal. Penalties for students instituted after a hearing before the faculty-student disciplinary committee range from a warning to suspension or expulsion from the University.

(ii) **Discipline against employees.** In cases where an employee is accused of a violation of this policy, including retaliation, the matter shall be referred for disciplinary action in accordance with the applicable CUNY policies, rules and collective bargaining agreements. Penalties for employees include reprimand, suspension or termination of employment following applicable disciplinary procedures. For many respondent employees, these procedures may include a hearing before a non-CUNY fact-finder, as required by collective bargaining agreements.

(iii) **Action against visitors.** In cases where the person accused of sexual harassment, gender-based harassment or sexual violence is neither a CUNY student nor a CUNY employee, the college’s ability to take action against the accused is extremely limited. However, the college shall take all appropriate actions within its control, such as restricting the visitor’s access to campus. In addition, the matter shall be referred to local law enforcement for legal action where appropriate.

(iv) **No disciplinary action.** In cases where a determination is made not to bring disciplinary action, the Title IX Coordinator shall inform the complainant and the respondent of that decision contemporaneously, in writing, and shall offer counseling or other support services to both the complainant and the respondent.

**G. False and Malicious Allegations**

Members of the CUNY community who make false and malicious complaints of sexual harassment, gender-based harassment or sexual violence, as opposed to complaints which, even if erroneous, are made in good faith, may be subject to disciplinary action.

**H. Relationship of CUNY’s Investigation to the Actions of Outside Law Enforcement**

12
In cases where the complainant files a complaint with outside law enforcement authorities as well as with the college, the college shall determine what actions to take based on its own investigation. The college may coordinate with outside law enforcement authorities in order to avoid interfering with their activities and, where possible, to obtain information regarding their investigation. Neither a law enforcement determination whether to prosecute a respondent, nor the outcome of any criminal prosecution, is dispositive of whether the respondent has committed a violation of this policy.

I. **Filing External Complaints**

Complainants have the right at any time to file complaints with the Office for Civil Rights (“OCR”) of the U.S. Department of Education, alleging violations of Title IX, and to file complaints with other appropriate agencies alleging violations of other federal, state or local laws. Contact information for OCR and other relevant agencies is set forth on the CUNY Title IX web page.

IX. **College Obligations under this Policy**

In addition to addressing possible violations of this policy, colleges/units of CUNY have the following obligations:

A. **Dissemination of Policies, Procedures and Notices**

The college Title IX Coordinator, in coordination with the Office of Student Affairs, Office of Public Safety, Human Resources Department and other appropriate offices, is responsible for the wide dissemination of the following on her/his campus: (i) this Policy; (ii) CUNY’s Notice of Non-Discrimination; (iii) the Title IX Coordinator’s name, phone number, office location, and email address; and (iv) contact information for the campus Public Safety Office. Such dissemination shall include posting the documents and information on the college website and including it in any student or faculty handbooks and in residence life materials. The CUNY offices of Student Affairs, Human Resources Management and Legal Affairs shall assist in such training and educational programming.

B. **Training and Educational Programming**

The college Title IX Coordinator, in coordination with other applicable offices, is responsible for training all employees who are required to report incidents of sexual harassment, gender-based harassment or sexual violence under this policy, for ensuring that designated offices are offering and administering the appropriate educational programming to all incoming and transfer students, residence hall students, athletes, fraternity/sorority groups, student leaders, and/or any other student groups which the college determines could benefit from education in the area of sexual harassment, gender-based harassment and sexual violence, and ensuring that designated offices promote
awareness and prevention of sexual harassment, gender-based harassment and sexual violence among all students and employees.

C. Assessing Campus Attitudes

The college’s Vice President for Student Affairs, Vice President responsible for human resources, Title IX Coordinator and/or such employees designated by the college President, in coordination with other applicable offices, are responsible for obtaining current information regarding student experiences with sexual harassment, gender-based harassment and sexual violence. Any survey or assessment instrument shall be structured to be in compliance with any requirements set forth in applicable law and shall be reviewed and approved in advance by the University Title IX Coordinator.

D. Dating, Domestic and Intimate Partner Violence

As noted above, CUNY’s Domestic Violence in the Workplace policy provides that colleges shall assist employees who are victims of dating, domestic or intimate partner violence that affects their employment. Similarly, colleges shall assist students who are the victims of dating, domestic or intimate partner violence, including referring them to resources and taking other appropriate supportive measures.

In addition, if a student or employee makes a complaint of dating, domestic or intimate partner violence and the alleged perpetrator is a CUNY student or employee, the college shall investigate the matter if the alleged conduct may constitute a violation of this policy, and take appropriate action based on such investigation, which may include disciplinary action.

X. Rules Regarding Intimate Relationships

A. Relationships between Faculty or Employees and Students

Amorous, dating or sexual activity or relationships (“intimate relationships”), even when apparently consensual, are inappropriate when they occur between a faculty member or employee and any student for whom he or she has a professional responsibility. Those relationships are inappropriate because of the unequal power dynamic between students and faculty members and between students and employees who advise or evaluate them, such as athletic coaches or workplace supervisors. Such relationships necessarily involve issues of student vulnerability and have the potential for coercion. In addition, conflicts of interest or perceived conflicts of interest may arise when a faculty member or employee is required to evaluate the work or make personnel or academic decisions with respect to a student with whom he or she is having an intimate relationship. Finally, if the relationship ends in a way that is not amicable, the relationship may lead to charges of and possible liability for sexual harassment.
Therefore, faculty members and other employees are prohibited from engaging in intimate relationships with students for whom they have a professional responsibility, including undergraduates, graduate and professional students and postdoctoral fellows.

For purposes of this section, professional responsibility for a student means responsibility over academic matters, including teaching, counseling, grading, advising for a formal project such as a thesis or research, evaluating, hiring, supervising, coaching, making decisions or recommendations that confer benefits such as admissions, registration, financial aid, other awards, remuneration, or fellowships, or performing any other function that might affect teaching, research, or other academic opportunities.

B. Relationships between Supervisors and Employees

Many of the concerns about intimate relationships between faculty members or employees and students also apply to relationships between supervisors and employees they supervise. Those relationships therefore are strongly discouraged. Supervisors shall disclose any such relationships to their supervisors in order to avoid or mitigate conflicts of interest in connection with the supervision and evaluation of the employees with whom they have an intimate relationship. Mitigation may involve the transfer of either the supervisor or employee, reassigning the responsibility to evaluate the employee to a different supervisor, or other appropriate action.

For purposes of this section, supervising an employee means supervising in an employment setting, including hiring, evaluating, assigning work, or making decisions or recommendations that confer benefits such as promotions, raises or other remuneration, or performing any other function that might affect employment opportunities.

XI. Definitions of Terms in this Policy

A. Sexual harassment is unwelcome conduct of a sexual nature, including but not limited to unwelcome sexual advances, requests for sexual favors, and other verbal, nonverbal, graphic and electronic communications or physical conduct of a sexual nature when:

(i) submission to or rejection of such conduct is made either explicitly or implicitly a condition of an individual’s employment or academic standing or is used as the basis for employment decisions or for academic evaluation, grades, or advancement (quid pro quo);

or

(ii) such conduct is sufficiently serious that it alters the conditions of, or has the effect of substantially interfering with, an individual’s educational or work experience by creating an intimidating, hostile, or offensive
environment (hostile environment). The effect will be evaluated based on the perspective of a reasonable person in the position of a complainant.

Conduct is considered “unwelcome” if the individual did not request or invite it and considered the conduct to be undesirable or offensive.

While it is not possible to list all circumstances that might constitute sexual harassment, the following are some examples of conduct that might constitute sexual harassment depending on the totality of the circumstances:

(i) Inappropriate or unwelcome physical contact or suggestive body language, such as touching, groping, patting, pinching, hugging, kissing, or brushing against an individual’s body;

(ii) Verbal abuse or offensive comments of a sexual nature, including sexual slurs, persistent or pervasive sexually explicit statements, questions, jokes or anecdotes, degrading words regarding sexuality or gender, suggestive or obscene letters, notes, or invitations;

(iii) Visual displays or distribution of sexually explicit drawings, pictures, or written materials; or

(iv) Undue and unwanted attention, such as repeated inappropriate flirting, staring, or making sexually suggestive gestures.

For purposes of this policy, sexual harassment also includes acts that violate an individual’s right to privacy in connection with her/his body and/or sexual activity such as:

(i) Recording images (e.g. video, photograph) or audio of another person’s sexual activity, intimate body parts, or nakedness without that person’s consent;

(ii) Disseminating images (e.g. video, photograph) or audio of another person’s sexual activity, intimate body parts, or nakedness, if the individual distributing the images or audio knows or should have known that the person depicted in the images or audio did not consent to such disclosure;

(iii) Viewing another person’s sexual activity, intimate body parts, or nakedness in a place where that person would have a reasonable expectation of privacy, without that person’s consent.

B. Gender-based harassment is unwelcome conduct of a nonsexual nature based on an individual’s actual or perceived sex, including conduct based on gender identity,
gender expression, and nonconformity with gender stereotypes that is sufficiently serious that it alters the conditions of, or has the effect of substantially interfering with an individual’s educational or work experience by creating an intimidating, hostile, or offensive environment (hostile environment). The effect will be evaluated based on the perspective of a reasonable person in the position of the complainant. An example of gender-based harassment would be persistent mocking or disparagement of a person based on a perceived lack of stereotypical masculinity or femininity.

C. **Sexual violence** is an umbrella term that includes: sexual assault, such as rape/attempted rape, criminal sexual act, forcible touching and sexual abuse, as well as dating, domestic and intimate partner violence. Stalking, while not necessarily sexual in nature, can be a form of sexual violence depending upon the circumstances.

(i) **Sexual assault** is any form of sexual contact (i.e., any touching of the sexual or other intimate parts of a person for the purpose of gratifying sexual desire of either party) that occurs without consent and/or through the use of force, threat of force, intimidation, or coercion. Examples of sexual assault include:

(a) **Rape and attempted rape** is engaging or attempting to engage in sexual intercourse with another person: (a) without such person’s consent; (b) where such person is incapable of giving consent by reason of being mentally disabled, mentally incapacitated or physically helpless; or (c) where such person is less than seventeen years old. Sexual intercourse includes vaginal or anal penetration, however slight.

(b) **Criminal sexual act** is engaging in oral or anal sexual conduct with another person without such person’s consent.

(c) **Forcible touching** is intentionally touching the sexual or other intimate parts of another person without the latter’s consent for the purpose of degrading or abusing such person; or for the purpose of gratifying the actor’s sexual desire.

(d) **Sexual abuse** is subjecting another person to sexual contact without the latter’s consent.

(ii) **Stalking** is intentionally engaging in a course of conduct directed at a specific person that:

(1) is likely to cause reasonable fear of material harm to the physical health, safety or property of such person, a member of such person’s immediate family or a third party with whom such person is acquainted; or
(2) causes material harm to the mental or emotional health of such person, where such conduct consists of following, telephoning or initiating communication or contact with such person, a member of such person’s immediate family or a third party with whom such person is acquainted; or

(3) is likely to cause such person to reasonably fear that her/his employment, business or career is threatened, where such conduct consists of appearing, telephoning or initiating communication or contact at such person's place of employment or business, and the actor was previously clearly informed to cease that conduct.

(ii) **Dating, domestic and intimate partner violence** is a pattern of coercive behavior that can include physical, psychological, sexual, economic and emotional abuse, perpetrated by one person against an intimate partner. Such violence may occur in all kinds of intimate relationships, including married couples, people who are dating, couples who live together, people with children in common, same-sex partners, and people who were formerly in a relationship with the person abusing them.

D. **Consent** is a knowing, informed, voluntary and mutual decision to engage in agreed upon sexual activity. Consent can be given by words or actions, as long as those words or actions create clear permission regarding willingness to engage in the sexual activity. Silence or failure to resist does not, in and of itself, demonstrate consent. The definition of consent does not vary based upon a participant’s sex, sexual orientation, gender identity or gender expression.

Consent can be withdrawn at any time. Past consent to sexual activity between individuals does not constitute consent to subsequent sexual activity between those individuals, and consent to one form of sexual activity does not necessarily imply consent to other forms of sexual activity. Whether one party to sexual activity is in a position of authority or influence over the other party is a relevant factor in determining consent.

In order to give consent, one must be of legal age (17 years or older) and not mentally or physically incapacitated, or physically helpless, unconscious or asleep. Depending on the degree of intoxication, someone who is under the influence of alcohol, drugs or other intoxicants may be incapacitated and therefore unable to consent. Consent is not valid if it is the result of coercion, intimidation, force or threat of harm.

E. **Complainant** refers to the individual who alleges that she/he has been the subject of sexual harassment, gender-based harassment or sexual violence, and can be a CUNY student, employee (including all full-time and part-time faculty and staff), or
visitor. Under this policy, the alleged incident(s) may have been brought to the college’s attention by someone other than the complainant.

F. **Visitor** is an individual who is present at a CUNY campus or unit but is not a student or an employee.

G. **Respondent** refers to the individual who is alleged to have committed sexual harassment, gender-based harassment or sexual violence against a CUNY student, employee, or visitor.

H. **Complaint** is an allegation of sexual harassment, gender-based harassment or sexual violence made under this policy.

I. **Retaliation** is adverse treatment of an individual as a result of that individual’s reporting sexual harassment, gender-based harassment or sexual violence, assisting someone with a report of sexual harassment, gender-based harassment or sexual violence, or participating in any manner in an investigation or resolution of a sexual harassment, gender-based harassment or sexual violence report. Adverse treatment includes threats, intimidation and reprisals by either a complainant or respondent or by others such as friends or relatives of either a complainant or respondent.

J. **Managers** are employees who have the authority to either (a) make tangible employment decisions with regard to other employees, including the authority to hire, fire, promote, compensate or assign significantly different responsibilities; or (b) make recommendations on tangible employment decisions that are given particular weight. Managers include vice presidents, deans, directors, or other persons with managerial responsibility, including, for purposes of this policy, department chairpersons and executive officers.
