

## GRAMMAR AND MECHANICS

### Using Irregular Verbs

To form the simple past and participle forms of regular verbs, add “-ed” to the end of the verb. Irregular verbs form their past and participle forms in a variety of ways; some of the common irregular verbs follow. Remember that the participle form of a verb may combine with **have/has** to form the present perfect, with **had** to form the past perfect, and with forms of **to be** to form the passive voice. The participle form of the verb is also sometimes used as an adjective.
