Register for your Courses Online Using eSIMS through CUNY Portal at cuny.edu

- You still register via eSIMS, but now you access eSIMS through CUNY Portal.
- If you do not have an account, first create a Portal Id and password. If you get an error message, contact the ICIT Help Desk at (212) 650-3624.
- Once you have your Portal ID, select Log-in from the left navigation bar.

A pop up box will inform you when your registration appointment is.
You cannot register before this date and time.
When you have your course code, select Registration to begin.
Any course requiring permission must be obtained from the Department or Program Advisor prior to registering on eSIMS.

Enter the Code from the Schedule of Classes to the Registration page on your eSIMS. You may add up to 5 classes at once.

Other useful links include Schedule/Grades which displays your class schedule in a weekly calendar format. You can also print an unofficial bill. This is not, however, the official bill used for payment.

Please remember to pay your bill. You are not considered officially registered until payment has been received. Payment must be received by the specified due dates to avoid registration cancellation. Course cancellation is reflected on eSIMS several days after cancellation.

**If your registration is cancelled, you may re-register during a later registration period.**

Registration Calendar is available on the Hunter College Office of Registrar Web site at:

http://registrar.hunter.cuny.edu/index2.shtml

Follow the link to the Registration and Payment Schedule to check on current deadlines.
