March for Babies
Date: Sunday, April 30, 2017
Time: 10:00 a.m. (meet up time TBA)
Walk Distance: 3.5 miles
Place: 10 Lincoln Center Plaza, New York, NY 10023

The Hunter College SEEK Team is getting ready to walk in March for Babies! It promises to be a fun day out with people who share our passion for improving the health of babies. There’ll be family teams, company teams and people walking with friends - it's a great feeling knowing we're all helping real families. Join our event and walk with us to raise money for babies right here in our community!

Why We Walk
Right now, babies need all the help they can get. Premature birth affects about 380,000 babies here in the United States. We’re walking in March for Babies to get the message out about this terrible problem and you can help. Please make a secure donation to help us reach our goal. Together we can help the March of Dimes fight prematurity so more babies can get the strongest start possible.

Click HERE join our team!

You may also help support our fundraising goal by making a small donation. Funds raised in March for Babies support research and programs that help moms have full-term pregnancies and babies begin healthy lives. And they will be used to bring comfort and information to families with a baby in newborn intensive care

For more information, please contact our team leader Jabari Bernard at Jabari.Bernard07@myhunter.cuny.edu.
