AC Working Doc: existing faculty governance structures for academic programming Where academic programming is curricula that may be used for credit to fulfill graduation requirements, and prerequisites and requirements of minor, certificate, major, or degree programs.

	TT 1 1		
Type of academic	Unit leader	Direct faculty governing	Governance of unit
programming		committees	currently specified?
Departmentally run academic programming (could be disciplinary or inter- or multi-disciplinary)1. Dept programming:Department ChairDept P&B, CurriculumCUNY Bylaws,			
major, minor tracks that	Department Chair	and Policy Committees,	HC Gov Charter,
may bring in courses		and Department's voting	Department Bylaws
from other depts		members	Department Bylaws
(e.g. Women & Gender Studies,		members	
Biology major tracks)			
2. Intra-departmental	Dept "divisional" head or	Within department	CUNY Bylaws,
programming	coordinator who is faculty	within department	HC Gov Charter,
(e.g. Classical Studies)	member of department		Department Bylaws
			- •F
3. Inter-departmental	Dept Chairs (or	Dept P&B and Dept (or	In original program
programming between	designated members)	Divisional) Curriculum	proposal*
departments (or	working cooperatively, or	Committees working	
divisions) (with or w/out	a Director who is a faculty	cooperatively	
faculty advisory group	member with appointment		
of departmental reps) (e.g. Political Theory Minor,	in participating dept		
English Adolescent Ed. BA)			
Non-departmentally run academic programming (inter- or multi-disciplinary)* (object of Resolutions)
