PLEASE COME AND EXPRESS YOUR VIEWS

In response to concerns about the operation of the School of Arts and Sciences, President Raab has asked the Hunter College Senate to review the structure and functioning of the School and to submit recommendations for their improvement. The College Senate has established a Special Advisory Committee to conduct this review. The Committee is holding these Open Hearings to enable all members of the Hunter community to express their views on this important matter.

The Committee also welcomes written comments from all members of the College. Please send all comments to Renate Murray (rmurray@hunter.cuny.edu), who will circulate them to the Committee. Kindly indicate in your comments whether you are a student, a member of the staff, a member of the faculty of the School of Arts and Sciences, or of another Hunter School.

Thank you for your assistance in planning for the future of the College.
