Check your eSIMS account for STOPS. Make sure that your account is clear and that you have no stops which would prevent you from registering. Settle all Bursar accounts before registration so your registration is not delayed.

Payment

Tuition payments can be made online at CUNY ESIMS. You will find payment options and information at <http://www.hunter.cuny.edu/bursar>. To avoid being dropped, please pay your bill on time. **If you are dropped you may not be able to get back into the same courses.**

Please click on the link below to review the Registration and Payment Schedule. <http://www.hunter.cuny.edu/bursar/subpages/documents/Spring2009RegistrationandPaymentSchedule.pdf>

Please contact the Bursar if you have any questions regarding payment or your bill. The Bursar's Office is located at Hunter College, Room 238 North, 695 Park Avenue, New York, New York, 10065.

Program Changes and Withdrawal

Any registration changes must be made via the eSIMS system. Failure to officially withdraw from a course will leave you responsible for payment to the Bursar and will place a permanent "WU" grade on your transcript. Once a "WU" grade appears on your record, it cannot be removed.

Grading System

Hunter College School of Social Work follows a grading system of Honors, Credit and No Credit. A grade of credit assumes a performance at a level of “B” or better. A “C” grade is a failing grade in our graduate program. If a student wants to request a letter grade, the request must be in writing and submitted to the instructor no later than the second class session of the semester. Once a letter grade is recorded, it cannot be changed to Credit/No Credit.

Incomplete Grade

This grade may be given if the student has requested and received permission from the instructor in advance. Since the expectation is that the student completes all work by the end of the semester, the extended date for completion of the work is at the discretion of the instructor. The maximum extension is for one semester after the course has ended. Further time allowance requires the Dean’s approval.
