**WHAT COURSES SHOULD YOU REGISTER FOR?**

**Find your cohort listed below and the courses offered.**

It's a good idea to consult the Curriculum Plans in the Student Handbook.

What follows below is the standard plan. If you have taken some non-matriculate courses, or followed an atypical program, your program will need to be modified.

Consult your faculty advisor if you need additional help.

# HUNTER COLLEGE SCHOOL OF SOCIAL WORK

## Summer 2009 Registration TIPS

Registration began March 17, 2009. The *Summer Sessions 2009 Registration & Payment Schedule* is now available on the Registrar's web page at: <http://registrar.hunter.cuny.edu> and continues until May 8<sup>th</sup>. Late registration for Summer 1 and Summer long courses is June 1-3. Late Registration for Summer 2 is July 13-14.

Check your Hunter Email for your appointment time.

Plan Ahead

**1. Test your access to the CUNY Portal immediately.** Make sure that you can get into SIMS from the Portal. If you have difficulty, first check <http://www.hunter.cuny.edu/icit/services/first-year-registration-help> for troubleshooting information. You can check the Hunter Student Helpdesk <http://www.hunter.cuny.edu/icit/services/the-student-help-desk> or email the help desk if you are still having difficulty at [snet@hunter.cuny.edu](mailto:snet@hunter.cuny.edu).

**2. Check your SIMS account for STOPS.** Make sure that your account is clear and that you have no stops which would prevent you from registering. Settle all Bursar accounts before registration so your registration is not delayed.

**3. File a Special Scheduling Request form if you have special documentable circumstances) that affect your schedule for which you need special consideration such as child care, elder care or employment schedule.** The form is included in the registration information on our Website. Return this form with accompanying documentation c/o Irene Vargas, [ssw.office@hunter.cuny.edu](mailto:ssw.office@hunter.cuny.edu), or by fax 212-452-7150-before the first official start of registration posted on the Registrar's Web Site. This form is intended for documented special circumstances. It should not be used to choose specific instructors. **Once the form is filed, please go ahead and register at your appointed time. If you run into difficulty be in touch with Ms. Vargas for assistance.**

**4. Review the Curriculum Plans in Appendix A in the Student Handbook** (available on the HCSSW web site) and listed in this document to clarify the courses you are required to take in order to fulfill your degree requirements.

**5. If you are closed out of a course section or professor you hoped for MAKE ANOTHER SELECTION.**

**6. If you are closed out of a course that is required for you and can't find an alternative be in touch with [ssw.office@hunter.cuny.edu](mailto:ssw.office@hunter.cuny.edu)**

**7. To get on the REAL Waitlist send an email with WAITLIST in the subject line to [ssw.office@hunter.cuny.edu](mailto:ssw.office@hunter.cuny.edu).** Please include your contact info and the course name and code you want to be on the waitlist for. If space becomes available you will receive an email that will tell you to register and ask you to email back and confirm you intend to. Please note that professors are not able to overtally their courses. This is only done through the waitlist.

**8. DO NOT USE THE SIMS WAITLIST—it does not put you on line for the course.**

**9. Once you are registered, MAKE SURE TO PAY. YOU WILL NOT BE MAILED A BILL.** Tuition payment can be made online at CUNY ESIMS. For payment options and information <http://www.hunter.cuny.edu/bursar/>.

If you are dropped you may not be able to get back into the same courses.

If you need help during registration call Student Affairs at 212-452-7170.

If you have questions that cannot be answered using the Handbook and course catalogue on line, along with this handout, consult your advisor or Associate Dean Andrea Savage, ([asavage@hunter.cuny.edu](mailto:asavage@hunter.cuny.edu))
