

**ANNOUNCING.....
WEB –BASED PRESENTATION OF
MEPA/IEP!**

*"Compliance with The Multiethnic
Placement Act of 1994, as amended,
and Title VI of the
Civil Rights Act of 1964"*

This web-based presentation is sponsored by the Policy Division of the Administration for Children and Families, Children's Bureau, in coordination with the National Child Welfare Resource Center for Adoption (NCWRCA).

The presentation will be available starting March 16, 2009 and will primarily target all child welfare staff and administrators, including state adoption and foster care managers, ICAMA managers, local county staff, and Children's Bureau Central and Regional Office staff. In addition, national organizations such as the American Public Human Services Association (ASPHA), the North American Council on Adoptable Children (NACAC), and the Child Welfare League of America will also have access to this information.

If you have questions you would like to submit for this presentation, please email spauldingwebcast@gmail.com. Those questions which are not addressed during the presentation will be answered in an email response from the Children's Bureau's Policy Division.

More information will follow with details for accessing the presentation on the NCWRCA's web site.
