*All students who matriculate at Hunter in Fall 2001 and later must fulfill the GER. For specific requirements and course recommendations based upon status at entry, e.g., CUNY or non-CUNY transfer, students should consult with the appropriate academic department's major advisor, an advisor/counselor in the Office of Student Services, or current Hunter College print and electronic publications, e.g. registrar.hunter.cuny.edu/subpages/forms.shtml.

This worksheet does not supersede the official statement of requirements published by Hunter College. It is designed to provide a very basic overview of GER requirements, not to provide a comprehensive list of academic requirements. For full information, please refer to: http://studentservices.hunter.cuny.edu/advising/advising_graduation_ger.htm.
