Request for Credit Overload

To be considered for a credit overload, you should satisfy the following specific criteria:

☐ yes ☐ no Have a cumulative grade-point average (GPA) of 3.00 or higher at Hunter College

☐ yes ☐ no Have demonstrated the ability to complete 15 credit or more successfully in prior semesters at Hunter College with a GPA of 3.00 or higher and without receiving grades of F, W, WU, CR or NC

☐ yes ☐ no Have no pending grades of INcomplete or Z

In addition, your selection of courses will be considered. For example, semester programs consisting of more than two lab sciences or multiple intensive writing (W) courses may not be approved. The desire to graduate earlier than planned is not a valid reason and is not a substitute for satisfaction of the above criteria.

***If there are extenuating circumstances, please explain on the back of this form.**

The decision will be sent to your Hunter email account. The decision will be FINAL; there is NO APPEAL.
