To Whom It May Concern,

I, Full Name As It Appears On Passport, hereby relieve the International Student Office at Hunter College, City University of New York, of any responsibility they have in assisting me in changing my status and/or receiving a new visa.

I have elected to receive assistance in this matter with an outside attorney who has no relation to Hunter College. I was referred to the New York City bar Association, the Legal Services Referral Services, [www.nycbar.org](http://www.nycbar.org), 212-626-7373 to consult with an immigration attorney. I selected this attorney Full Name Of The Attorney and Hunter College had no influence in who I chose for my attorney in this matter.

If the United States Citizenship and Immigrations Services-government does not approve my change of status, or the State Department does not issue an F-1 visa, I do not hold the staff of the International Student Office at Hunter College liable or responsible for this outcome.

I have carefully read and reviewed this statement and agree to it.

Sincerely,

---

Dear Student:

Please note that once your F-1 Student status or an F-1 visa is approved, you are required by the CUNY Board of Trustees to pay [non-resident tuition](#), also known as out-of-state tuition. Once your F-1 status or F-1 visa is granted to you, you will need to immediately contact the International Students Office staff and inform us of the change, along with a copy of your change of status approval.

If you obtain an F1 visa (please provide a copy for your ISO file); you may also retrieve a most recent I-94, or an electronic record of your arrival to the United States at <https://i94.cbp.dhs.gov/i94/#/recent-search>. Please note that it is your responsibility to report your F-1 approval to the staff of the [One Stop Office](#) (in Room 217 Hunter North) in order for them to adjust your tuition payment.

If you are granted an F-1 status/visa and you continue to pay in-state tuition, it will catch up with you later on and you will be required to pay all the retroactive tuition and fees.

As an F-1 student, you are required to study on a full time basis, twelve credits for undergraduates and nine credits for graduate students in the fall and spring semesters. You are not required to attend school during the summer and winter sessions. Please visit the following websites to familiarize yourself with the non-resident tuition and fees:
