

THE CHARLOTTE W. NEWCOMBE FOUNDATION SCHOLARSHIP

The fund was created by the Charlotte W. Newcombe Foundation for women 25 years of age and older who need financial assistance in completing their education. Students must be undergraduate degree candidates. In making awards for financial support special consideration is given to the life circumstances and family responsibilities of older women students. *The scholarship is competitive and the personal statement is an important factor in the scholarship selection.* (International students are eligible to apply for the scholarship and must complete the 2012-2013 paper FAFSA and submit with their Newcombe application.) Note: Other financial aid *may* be reduced if you are awarded a Charlotte W. Newcombe Scholarship.
