The City University of New York

Welcome to Hunter College

How to Access ESIMS and Register

■ Step 1:

Accessing ESIMS requires a CUNY Portal ID. If you have not created a CUNY Portal username, go to www.cuny.edu, click Log-in, and then click Register Now, and create a student username. Complete instructions are here:

<http://ww4.hunter.cuny.edu/icit/services/the-cuny-portalid>.

- Please note that this is **not the same as the username you created when you applied**. That username and password are only valid for your application and will not access ESIMS or the CUNY Portal.

How to Access ESIMS and Register

■ Step 2:

We recommend using your Hunter email username as your CUNY Portal username so you can remember it. (Your username is the portion of your Hunter email address before @Hunter.cuny.edu. Ex: For lford@Hunter.cuny.edu the username is lford). You may choose another username, but be sure it is memorable.

- When registering for a CUNY Portal username, you must provide your Hunter email address, not your personal email address
