

INFORMATION REGARDING PLACEMENT INTO MATHEMATICS AND STATISTICS COURSES (effective May, 2024)

First time freshmen will be assigned Math Milestones based on their high school math history. If that Math Milestone does not reflect your background and history of achievements in mathematics, you can take the ACCUPLACER Advanced Algebra and Functions Placement Test (AAF). Transfer students must take the AAF and achieve certain scores to determine permissions for mathematics and statistics courses at Hunter College, with the exception of MATH 10000, MATH 10200 or STAT 11000. Students must also take the Calculus Readiness Test (CRT) to place into a math Level 2 course . Questions regarding the administration of the AAF and CRT should be directed to the Testing Center via email at testing@hunter.cuny.edu

If you need to take a math/stat course for your course of study, you **may take course “x”** if you have the following scores:

COURSE	ACCUPLACER Advanced Algebra and Functions	Math Milestone
MATH 10000, 10200, STAT 11000, Prerequisite: CUNY Math Proficiency <i>Note: These courses are NOT a prerequisite for any other MATH or STAT course.</i>	No Placement Test Needed.	None Needed
MATH 101EN (Math 101 course plus online immersion workshop) <i>Note: This is a prerequisite for MATH 10400, 12400, 12550 and STAT 11300.</i>	A score of 235 or below	101EN
MATH 10100 <i>Note: This is a prerequisite for MATH 10400, 12400, 12550 and STAT 11300.</i>	A score of 236-275	10100
MATH 10150 <i>Note: This is a prerequisite for MATH 12550 for students who get below B- in MATH 10100/101EN</i> MATH 10400, STAT 11300 <i>Note: MATH 10400 is the prerequisite for MATH 10500. Note: STAT 11300 may be used as a prerequisite for STAT 21200.</i> MATH 12400 <i>Note: This course is for students who do not intend to take calculus.</i> MATH 12550 <i>Note: This course is for students who intend to take calculus.</i> MATH 12500 (for newly accepted transfer students only) <i>Note: This course may be used as a prerequisite for MATH 15000, 15200, 16000, STAT 21200 and STAT 21300.</i>	A score of 276	Level 1
MATH 14000 <i>Note: This is a corequisite for MATH 15000 and MATH 15200 for students who took MATH 12400 or MATH 12500 or who get below B- in MATH 12550</i> MATH 15000, MATH 15200 <i>Note: Check the Hunter College Course Catalog for additional prerequisite and co-requisite requirements.</i> MATH 16000, STAT 21200, 21300	A score of 276 or above plus A score of 21 or above out of 30 on the CRT	Level 2 (includes all courses in Level 1 above)

GENERAL INFORMATION ABOUT THE EXAMS:

The AAF is an untimed, multiple choice, computer-based test. Only the calculator built into the exam is permitted. (No other computerized or personal calculator is allowed to be used while taking the exam.) Prepare for the AAF by assessing the [ACCUPLACER Study App](https://www.cuny.edu/academics/testing/test-preparation-resources/) (<https://www.cuny.edu/academics/testing/test-preparation-resources/>). Calculators are **not** allowed on the CRT. To view test sample questions, diagnostic quizzes, short videos and other instructional materials for the CRT, log in to [BlackBoard](https://www.cuny.edu/) (<https://www.cuny.edu/>) and then visit the [The Hunter Math Placement Test Prep](https://tinyurl.com/hctestprep) (<https://tinyurl.com/hctestprep>). Information about the AAF, CRT and exam scheduling can be found online on the [Testing Center’s website](https://www.hunter.cuny.edu/testingcenter/mathematics-placement-exam-1) (<https://www.hunter.cuny.edu/testingcenter/mathematics-placement-exam-1>). **You are required to know your 8 digit CUNY Student ID number, CUNY Blackboard login credentials and present valid physical (not electronic) photo identification during the exam session. Students may take the AAF once throughout CUNY and students may take the CRT once with the Hunter College Testing Center. CRT exam scores are valid at Hunter College only.**

Math Milestones at Hunter College

Math Milestone Attained	Permission to Take
NONE	Math 10000, Math 10200
101EN	Math 101EN
10100	Math 10100
LEVEL1	Math 10150, Math 10400, Stat 11300, Math 12400, Math 12500, Math 12550
LEVEL2	Includes all courses at LEVEL 1 Plus: Math 14000, Math 15000, Math 15200, Math 16000, Stat 21200, Stat 21300

Access Your ACCUPLACER Advanced Algebra and Functions Placement Test Scores:

Log in to ACCUPLACER Student Portal

Note: Student ID = CUNYfirst ID, Institution = City University of New York - Central

Access Your Calculus Readiness Test Scores:

Log in to CUNY Blackboard

Under Tools, click on My Grades

For most students, the AAF course placement will be on target. However, if you have reason to believe the results do not reflect your background and history of achievements in mathematics, you can initiate an [appeal process](#). Visit <https://webforms.hunter.cuny.edu/testingcenter/view.php?id=14381>
