Visit the CUNY TIPPS website for the most up-to-date list of academic programs for transfer applicants. Find information on college courses, course equivalencies and program policies. For more information, visit www.tipps.cuny.edu.

Evaluation of Transfer Credit

The individual college and program will complete a transfer credit evaluation after admission.

Admission Application

You are considered a transfer applicant if you have attended a college, university and/or proprietary school since graduating from high school/secondary school. This applies whether or not you are seeking transfer credit and/or changing your program of study.

General Transfer Applicants

Apply online to up to four CUNY colleges with one application and one non-refundable application-processing fee. You must list your college choices in order of preference, as you will only hear back from one college choice.

> Supplemental paper applications:

- Transfer programs such as the P4 Program at The Sophie Davis School of Biomedical Education and the CUNY Baccalaureate for Unique and Interdisciplinary Studies require a supplemental paper application in addition to the CUNY online admission application. Visit the appropriate college/program website for details and more information.

Online Baccalaureate Applicants

Apply to one of five programs leading to a BA or BS degree. Visit the CUNY Online Baccalaureate website at http://online.sps.cuny.edu for more information.

The Admission Review Process

As a transfer applicant, your admission application will be evaluated based on an individual review of your academic record that includes all attempted and completed courses and grades earned. Applicants to our four-year colleges must have completed at least one college-level course in mathematics and English with a grade of “C” or better or must demonstrate college-level readiness based on SAT, ACT or New York Regents test scores. Your entire coursework history, including grades earned from courses taken more than once, will be used to determine a grade point average (GPA). If more than one college was attended, your GPA will be determined through a combined calculation of all attempted coursework. Please note that plus (+) and minus (-) additions to grades are not reflected in the GPA. Your high school secondary school record will be considered if you have completed fewer than 30 college credits.

Please review the Transfer Admission Profile (available at www.cuny.edu/prep) to get an idea of the mean GPA used for admission by each college.

CUNY Community College Graduates

If you have graduated or will graduate from a CUNY community college and would like to apply to a CUNY four-year college, you must complete a Transfer Admission Application.* Admission to a CUNY four-year college is guaranteed, although not necessarily to your first choice program or college, if you meet the following conditions:
