Fall 2016

Welcome to Hunter

- **Important Information for Fall 2016 Non-degree Students**
- Welcome to Hunter! Non-degree students take classes with many different intentions: pre-requisites for graduate programs, job requirements/enhancements, returning to college after some time away, and for many others reasons. As a result, your coursework needs are unique to your situation. Therefore, we suggest that in choosing classes, you consult with a specific academic department regarding prerequisite work, transfer credit, credit received at previous institutions, etc. For a list of academic departments, please [click here](#).
- There will be a “Q and A Session” on Monday, August 22, 2016 from 3-4pm in the Student Center, 417 West Building. Feel free to join us.
- We wish you continued success in your educational endeavors.

Pre-Requisites

- A pre-requisite is a course or courses a student must complete before being allowed to register for a more advanced course in the same or related area.
- You need to provide “proof” to the academic department offering the advanced course. Provide a course description and/or syllabus to the academic department for review.
