

FALL 2019 Seminar Schedule

Fridays, 3:00 – 5:00 PM

Room: TBD

Date and Host	Speaker	Institution	Seminar title
August 30 Prof. Yujia Xu	Dr. Joanna Jackow	Columbia University	<i>"Novel Therapeutic Approaches Using CRISPR-based Genomic Editing"</i>
September 6 Prof. Frida Kleiman	Prof. Moira Sauane	Lehman College of CUNY	<i>"Turning Inhibition of Translation Initiation into Cancer Therapy"</i>
September 13 Prof. Mateusz Marianski	Dr. Albert Pan	D.E. Shaw Research	"TBA"
September 20 Prof. Shengping Zheng	Prof. Ting Wang	SUNY Albany	<i>"New Synthetic Opportunities through Organic Photocatalysis"</i>
September 27 Dr. Gabriela Smeureanu	<i>Prof. Charles Michael Drain Retirement Party Faculty Dining Room</i>		
October 4 Dr. Ali Younes	Prof. Cathy S. Cutler	Brookhaven National Laboratory	"TBA"
October 11 Prof. Akira Kawamura	Prof. Elizabeth Boon	Stony Brook University	<i>"Discovery of NO-responsive hemoproteins and their roles in biofilm regulation"</i>
October 18 Prof. Charles Michael Drain Dr. Dinesh Bhupathiraju	Prof. Evan Trivedi	Oakland University	<i>"Medicinal Applications of Pyrrolic Macrocycles and the Chemistry of Color"</i>
October 25 Prof. Dixie Goss	Prof. Jamie Cate	University of California - Berkeley	<i>"Dynamics of T Cell Activation Mediated by Translation Initiation Factor eIF3 "</i>
November 1 Prof. Jennifer Shusterman	Dr. Robert Rundberg	Los Alamos National Lab	"TBA"
November 8 Prof. Akira Kawamura Dr. Barney Yoo	Prof. Neel Shah	Columbia University	<i>"Peptide Display Technologies as a Tool to Elucidate Principles of T Cell Signaling"</i>
November 15 Prof. Charles Michael Drain Dr. Dinesh Bhupathiraju	Prof. Ruomei Gao	SUNY Old Westbury	<i>"Ph-controlled Photosensitizers for Photodynamic Therapy"</i>
November 22 Prof. Dixie Goss	Prof. Anne Elizabeth Simon	University of Maryland	<i>"Say Goodbye to Citrus? An Ancient Virus-like RNA That May be the Only Hope of Saving the Worldwide Citrus Industry from a Devastating, Incurable Disease?"</i>
December 6 Prof. Brian Zeglis	Prof. Eszter Boros	SUNY Stony Brook	"TBA"

Enter the North Building on 69th street between Lexington and Park Avenues, take the elevators on your right as you enter the building to the 13th floor. If you are not a member of the CUNY community, enter the West building on the southwest corner of 68th and Lexington.

Hunter College
695 Park Avenue
New York, NY 10065
