

SPRING 2020 Seminar Schedule

Fridays, 3:00 – 5:00 PM

Room: TBD

Date and Host	Speaker	Institution	Seminar title
February 7 Prof. Mateusz Marianski	Dr. Karol Nowicki-Osuch	University of Cambridge	<i>"Multi-omics Profiling of Gastro-oesophageal Junction Establishes Natural History of Oesophageal Cancer"</i>
February 14 Prof. Wayne Harding	Prof. Ming-Yu Ngai	Stony Brook University	TBD
February 21 Prof. Shengping Zheng	Prof. Jack Norton	Columbia University	<i>"Applications of Catalytic H•Transfer from H₂"</i>
February 28 Prof. Yujia Xu	Prof. Raymond Tu	ASRC - CCNY	<i>"Dynamics of Competitive Absorption, Folding and an Air-water Interface"</i>
March 6 Prof. Akira Kawamura	Prof. Robert Fisher	The Icahn School of Medicine at Mount Sinai	<i>"Transcriptional CDKs and phosphatases: druggable switches that keep RNA polymerase II on track"</i>
March 13 Prof. Louis Massa	Prof. Roderick Mackinnon Nobel Prize 2003 Saugrain Lecture Will be rescheduled.	Rockefeller University	<i>"Hypothesis for mechanical gating of the Piezo1 ion channel"</i>
March 20 Prof. Lynn Francesconi Prof. Jennifer Shusterman	Dr. Richard Wilson	Argonne National Laboratory	<i>"Protactinium: A Chemical Intersection of Actinide and Transition Metal Chemistry"</i>
March 27 Prof. Akira Kawamura	Prof. Yukari Fujimoto Cancelled	Keio University	<i>"Immunomodulatory Glycolipids; Synthesis and Biological Functions"</i>
April 3 Prof. Adam Braunschweig	TBD Cancelled	TBD	TBD
April 17 Prof. Yujia Xu	Prof. Arne Gennerich	Albert Einstein College of Medicine	<i>"Single Molecule Dissection of Cytoplasmic Dynein Motion and Force Generation"</i>
April 24 Prof. Mateusz Marianski	Dr. Jerry Bowman Dr. John Cavallo	FEMA	TBD
May 1 Prof. Adam Braunschweig	Dr. Chia-Suei Hung	Air Force Research Lab	TBD
May 8 Prof. David Mootoo	Dr. Xuhong Cheng	Janssen Pharmaceuticals/ Johnson & Johnson	<i>"Drug Application for Oncology and Immunology Products"</i>

Enter the North Building on 69th street between Lexington and Park Avenues, take the elevators on your right as you enter the building to the 13th floor. If you are not a member of the CUNY community, enter the West building on the southwest corner of 68th and Lexington.

Hunter College
695 Park Avenue
New York, NY 10065
Department of Chemistry: 212-772-5330
