

Welcome to the Eta Sigma Phi page at Hunter College!

After a long hiatus, Hunter's Alpha Theta Chapter of Eta Sigma Phi, established in 1928, is active again!

Eta Sigma Phi is the national undergraduate honor society for students of ancient Greek and Latin. The purposes of Eta Sigma Phi are "to develop and promote interest in classical study among the students of colleges and universities; to promote closer fraternal relationship among students who are interested in classical study, including inter-campus relationship; to engage generally in an effort to stimulate interest in classical study, and in the history, art, and literature of ancient Greece and Rome."
