4. Both budgets were withdrawn before the meeting commenced.
5. USG Salaries budget is tabled until further verification is made of students who were paid during their appropriate period of service.

6. The OliveTree Review will explore changing their semesterly publishing dates after being advised to do so by the CA Meeting Chair. This way students will be able to view the publication before the conclusion of the semester.
7. The Envoy's budget lists \$125 under the semester launch party which should be \$75; Jonathan Farley, who is listed under personnel, should be listed as staff; Phyllip Hope was confirmed as a student via email- the correct spelling of his name should read "Phyll Pope".
8. The Access Center will receive 75% of the total requested amount due to the submission of the budget post-event.
9. Moving forward, all clubs will be allowed only one year of membership dues in their budgets. Clubs should include the length of their membership dues in their budgets.
