Welfare Rights Initiative – non agenda budget item. A motion was made and seconded to entertain this non agenda budget. Discussion on the motion took place. The question was called. Vote on the motion: the motion to entertain the budget passed unanimously.

Jerrell Robinson reminded the College Association that for the last two years Student Activities held "Election Week" which encourages club elections to be held by the end of the Spring semester. This is done to assist clubs in chartering earlier, receiving their allocations earlier and hopefully presenting their budgets and holding events earlier in the Fall semester. Jerrell asked the USG to send a G Blast advising clubs that the chartering packets will be available for pick up in the Student Government Office by Monday, July 7, 2008. He also, encouraged the USG to make early club allocations wherever possible.

A motion was made, seconded and unanimously approved to adjourn.

Respectfully submitted,

Mary L. Michael

NOTES:

1. Approval of all USG budgets is dependent upon the submission, to Dean Escott and the College Association Office, of USG approved minutes.
