Discussion

1. Tatyana Gleyzer stated that the Student Activities account is running out of funding. Vice President Ayravainen asks Eunice Lewis-Broome and Nicole-Hector Hutchinson to draft a proposal for possible solutions for sustained funding for the Office of Student Activities.
2. VP Ayravainen suggests that USG co-sponsor "Breakfast at Brookdale" and collaborate with ICIT and the Wexler Library for student printing solutions.
3. The CA ask WRI if they conducted programming assessment to which they responded yes. The CA and WRI also voiced concerned about student awareness of WRI services.

A motion to adjourn was made seconded and unanimously approved.

Respectfully submitted,

Teneia R. Wooten

NOTES:

1-All budgets approved pending verification of funds.

2-Correction of Access Center titles: Jose Fernandez is the Computer Lab Technician and Ruzbeh K. Aliabadi is the Adaptive Technology Specialist.

3-Ultimate Frisbee Club requested a reimbursement for uniforms. The College Association voted unanimously to deny the reimbursement for the following reasons:

- Ultimate Frisbee did not follow purchasing guidelines
- Cost exceeded the \$8 per item limit
- Items were personalized and therefore not considered uniforms
