Notes:

1. Clarification: \$86 is the cost for refreshments.
2. Approval pending upon clarification of total amount budgeted to pay for deejay.
3. Hunter STRAP is not chartered yet because the appropriate officer has not attended the mandatory workshop. Teneia will follow up with club.
4. Further clarification needed for GSA event details and "GSR". Total should be \$2,000.00 not \$1,200.00.
5. The event date for "She's History" has changed to March.
6. The self-published journals for Social Work will be funded for this semester only because the AEC advised them to seek funds from student activities/College Association since they can no longer fund such a project. However, it is recommended that they seek funding from another source (fund raising) for any future projects as the College Association cannot approve funds for these types of requests.

Administrative:

Eunice Lewis-Broome requested that all members review the budget packets upon receiving them and send questions to Nicole by Monday evening so that she can then forward them to the relevant club officer. This will allow club members to be prepared when their budgets are being reviewed.
