

VITA

EDUCATION

- 2003 Doctor of Audiology
 Central Michigan University, Mt. Pleasant, MI
 Capstone Topic: "The History, Current Trends and Future Direction of the
 Clinical Audiogram" Defended: June 20, 2003
- 1977 Master of Science in Audiology
 Adelphi University, Garden City, NY
- 1975 Bachelor of Arts in Speech and Hearing
 Adelphi University, Garden City, NY

PROFESSIONAL POSITIONS

- 2003-present **ASSISTANT PROFESSOR**, full time, tenured
 Department of Speech-Language Pathology and Audiology, Hunter
 College, City University of NY (CUNY), New York NY
 TEACHING APPOINTMENT: *Doctor of Audiology Program*, Graduate
 Center-CUNY, New York, NY
 ADMINISTRATIVE APPOINTMENT: *Director*, *Hunter College Center for*
 Communication Disorders, School of Health Sciences, Hunter College-CUNY

Academic duties:

- Doctoral and master degree level graduate course instruction:
COMSC 752: *Audiology for Speech-Language Pathologists*
COMSC 706: *Summative Project*
COMSC 728, 739, 771, 772: *Clinic*
AUD 796: *Audiology Doctoral Seminar*
AUD 725 *Noise Induced Hearing Loss/Hearing Conservation*
- Student advisement

Administrative duties:

- Supervision of staff
- Maintain webpages for clinic and department
- Budget & billing procedures
- Marketing
- Performance improvement
- Equipment selection and maintenance
- Practicum placement

Clinical duties:

- Student supervision in all clinic function
- Audiological evaluations (CAE)
- Oto-neurological and latency intensity Auditory Brainstem Response
- Otoacoustic emissions (OAE) clinical applications

Clinical populations served: outpatient: pediatric, adolescent, adult,
geriatric, special needs

- 2001-03 **COORDINATOR OF AUDIOLOGY, full time**
Center for Communication Disorders, Lenox Hill Hospital and Manhattan Eye, Ear & Throat Hospital, New York, NY
Administrative and clinical duties:
- Supervision of staff
 - Budget
 - Billing procedures
 - Marketing
 - Performance improvement
 - Equipment selection, maintenance
 - Audiological evaluations (CAE)
 - Hearing aid evaluations
 - Electronystagmography (ENG) testing, vestibular rehabilitation team member
 - Oto-neurological and latency intensity Auditory Brainstem Response (ABR) evaluations
 - Neonatal otoacoustic emission (OAE) screenings
 - OAE clinical applications
 - Electrocochleography (ECoG)
 - Graduate student internship liaison
- Clinical populations served:** acute care & outpatient: neonatal, pediatric, adult, geriatric
- 1992-01 **SENIOR AUDIOLOGIST, full time**
Center for Communication Disorders, Lenox Hill Hospital, New York, NY
Routine diagnostic and rehabilitative procedures performed:
- Audiological evaluations
 - Hearing aid evaluations and dispensing
 - ENG testing, vestibular rehabilitation team member
 - Oto-neurological and latency intensity ABR evaluations
 - Neonatal OAE screenings
 - OAE clinical applications
 - ECoG
 - Supervision of audiological staff
 - Supervision of graduate student interns
 - Resource person for departmental presentations
 - Performance improvement
- Clinical populations served:** acute care & outpatient: neonatal, pediatric, adult, geriatric
- 1991-92 **SUPERVISOR OF SPEECH AND HEARING SERVICES, full time**
Speech and Hearing Services, Gouverneur Hospital, New York, NY
- Clinical duties included CAE, HAE, nursing home hearing aid maintenance, weekly pediatric hearing screenings

- Administrative duties included: staff supervision (inclusive of hiring, annual review) generation of Quality Assurance (QA) reports and attendance at QA meetings, maintenance of budgets
- Participation in weekly Rehabilitation Patient Review meetings, chronic-care patient rounds

Clinical populations served: chronic care, outpatient; pediatric, geriatric

1985-91

SENIOR AUDIOLOGIST, full time

Speech and Hearing Department, Kingsbrook Jewish Medical Center, Brooklyn, NY

- Clinical duties included CAE, ABR, ENG, HAE, nursing home hearing aid maintenance
- Intraoperative monitoring
- Administrative duties included generation of Audiology QA reports

Clinical populations served: chronic care, outpatient; pediatric, adult, geriatric, multiply handicapped

1981-85

CONSULTING AUDIOLOGIST, full time

Industrial Health, Inc., Palo Alto, CA

- Consulted with corporate and local level safety and health officers of various industries nationwide regarding OSHA regulations
- Creating and maintaining hearing conservation programs
- Calibration of equipment and data collection and reporting

Populations served: corporate industrial safety and health officers

1977-81

STAFF AUDIOLOGIST, full time

Industrial Home for the Blind, Hempstead, NY

- Clinical duties included CAE, HAE, hearing aid dispensing, auditory mobility orientation
- Sound localization and mobility training of visually impaired individuals

Clinical populations served: visually impaired/adventitiously blind adult, geriatric, multiply handicapped visually impaired individuals

PART TIME PROFESSIONAL POSITIONS

2008-present **CLINICAL AUDIOLOGIST, part time**

Premier Health-YAI, New York, NY

- Clinical duties include hearing testing via pure tones, otoacoustic emissions and immittance

Clinical populations served: pediatric through adult developmentally disabled individuals

1998-00

ADJUNCT INSTRUCTOR, part time

Communication Sciences, Hunter College, Brookdale Campus, New York, NY

- *Auditory and Vestibular Systems: Anatomy and Physiology*
graduate level course in anatomy, physiology and acoustics
- *Introduction to Audiology*
graduate level course on basic clinical audiology

1997-00 **CLINIC SUPERVISOR**, part time
Communication Sciences, Hunter College, Brookdale Campus,
New York, NY

- Supervision of graduate student interns at college clinic
- Routine diagnostic audiological procedures

Populations served: outpatient pediatric, adult, geriatric

1999 **CLINIC SUPERVISOR**, part time
Speech Sciences, New York University, New York, NY

- Supervision of graduate student interns at college audiology clinic
- Routine diagnostic audiological procedures

Populations served: outpatient pediatric and adult

CERTIFICATES/LICENSES (CURRENT)

- 2000 License, Hearing Aid Dispenser, State of New York
- 1980 License in Audiology, State of New York
- 1979 Certificate of Clinical Competence – Audiology (CCC-A)
American Speech, Language Hearing Association

RESEARCH & GRANTS

- 2013 Vogel, D and Wortsman, S, “Meta-analysis of New York State Monitored Professional Misconduct,” in-progress, non-funded research.
- 2012 “Quantifying Best Practice Patterns of Deaf and Hard of Hearing Educators Relative to Audiological Perspectives via Videotape Analysis,” co-investigator, E. Gale. Collaborative Incentive Research Grants (CIRG) awarded: \$19,683.
Technology and Aphasia Program (TAP) – using social media for enhancing communication among aphasics; co-investigators: G Bencini, E Galletta, plus COMSC graduate students, non-funded research.
Electronic Data Collection, Record Keeping and Audio Mixing Instrumentation, Grant Resources for Technology and Instruction (GRTI) awarded \$16,000.
- 2011 Vogel, D, Zierer, L, Lewis, J, Goldstein, E, and Burns, R, “Picture instruction for vocational training of autistic adolescent” departmental funded research \$1000.
- 2008 New Digital Format Studio and Recording for Hunter College Center for Communication Disorders, GRTI \$10,000.
- 2006 New York City Health Council Hearing and Vision Screening, Funded by NYC Department of Youth and Community Services. \$5000.00.

- Hunter College, Teaching and Learning with Technology Grant, \$3000.00.
- 2005 New York City Health Council Hearing and Vision Screening, Funded by NYC Department of Youth and Community Services. \$5000.00.
- Hunter College, Teaching and Learning with Technology. \$2998.00.
- 2004 “Attitudes Towards Speech & Hearing Services in College Students Who Are Deaf or Hard of Hearing”; PSC-CUNY Research Grant \$4325.00.
- IRB application to study the relationship between cigarette smoking and middle ear analysis (Valsalva effect); co-investigator: CA Silverman, PhD.

PUBLICATIONS – ARTICLES, BOOKS, SOFTWARE

- 2013 In progress, contracted book chapter, “Assistive Technology” with E. Simmons, to appear in *Introduction to Clinical Methods in Communication Disorders, 3rd Edition*, by R Paul and P Cascella, Paul H Brookes Publishing Co, Baltimore, MD.
- Vogel, DA, (2013) “Audiogram with Speech Banana” in *Practical Forms for Audiologists*, ASHA, Rockville MD.
- 2008 Cascella, P and Vogel, D, (2008) “Student Self-Directed Professional Development as a Formative Assessment Skill”, *DIV 10 Perspectives*, ASHA, Rockville, MD.
- 2007 Vogel, DE, McCarthy, PC, Bratt, JW, Brewer, C, (2007) “The Clinical Audiogram: Its History and Current Use” *Communication Disorders Review*, Vol. 1, No. 2, Plural Publishing, Inc, San Diego.
- Scheffler, F, Vogel, DA, Astern, R, Burgess, J, Conneally, T, & Salerno, K, (2007) “Screening for Communication and Cognitive Disorders in Infants and Toddlers,” *Pediatric Nursing*, Vol. 6, No. 33, Janetti Publications, NJ.
- Wilson, MP, Vogel, DA, Edwards, B, (2007) “State Licensure, National Certification and Continuing Education,” *Seminars in Hearing* Vol. 28, No.1, Thieme Medical Publishers, NY.
- Vogel, DA, (2007) “The First to Make the Big Transition”, *Audiology Today*, Vol. 19, No. 1, American Academy of Audiology, Reston, VA.
- 2006 Vogel, DA, (2006) “Audiologist’s Credentials,” *Audiology Today*, Vol 18, No 2, American Academy of Audiology, Reston, VA.
- 2004 Vogel, DA, (2004) “Professional Growth”, *Audiology Today*, Vol 16 No 6 American Academy of Audiology, Reston, VA.
- 2003 *The New MS Word Audiogram*, Version 2002.a ASHA.
- 2002 Vogel, DA, (2002) “The Joint Commission and How It Affects Us”, *ASHA Leader*, No 18 October 8.
- Book review of Berlin, CI, Hood, LJ, Ricci, A, *Hair Cell Micromechanics and Otoacoustic Emissions*, Singular Publishing, 2002

- 2000 *Which Is My Best Foot And How Far Forward Do I Put It?* American Academy of Audiology, McLean, VA March 2000.
- 1999 Review "Searchwave.com" *Ear and Hearing*, Vol 20, No 3, June 1999.
- 1998 *Data base of Positions Available in Audiology*
Created database for the American Academy of Audiology Job Placement Center.
Employment Resources Webpage for Audiology.org
HTML web document for searching worldwide Audiology positions.
- 1996 *The Word Audiogram*
Generic audiogram template designed on Microsoft Word; software released on disk as well as Internet document attachment.

PROFESSIONAL ACTIVITIES/CURRENT AFFILIATIONS

- 2013 **Chair**, Brochures and Flyers Committee, Metropolitan New York Council of University Clinic Directors
Chair, Admissions Committee, COMSC Program, Hunter College-CUNY
Chair, Admissions Committee, AuD Program, Graduate Center-CUNY
- 2012 **Audiology Liaison**, New York City Speech-Language-Hearing Association
Chair, Admissions Committee, COMSC Program, Hunter College-CUNY
Chair, Admissions Committee, AuD Program, Graduate Center-CUNY
- 2011 **Member**, Committee on Higher Education of Speech Providers, New York City Department of Education, NY
Chair, Admissions Committee, COMSC Program, Hunter College-CUNY
Chair, Admissions Committee, AuD Program, Graduate Center-CUNY
- 2009 **Committee Member**, Ethic and Professional Issues, New York State Speech-Language-Hearing Association's annual meeting, Saratoga, NY
- 2007 **Committee Member**, Task Force on Audiograms and Audiometric Symbols, American Academy of Audiology
- 2006 **Committee Member**, Employment Center, AudiologyNow! 2006
- 2005-07 **Associate Editor**, Book Reviews, American Academy of Audiology
Advisory Committee, Lenox Hill Neighborhood House (current through 2007)
- 2004 **Webmaster**, American Board of Audiology (until December 2006)
Member, CUNY Audiology Doctoral (AuD) Faculty (current)
Chair, Credentialing Committee, American Board of Audiology (until December 2006)

- Governor**, Board of Governors, American Board of Audiology (term ended 2006)
- Audiology Liason**, Board of Directors, New York City Speech-Language-Hearing Association (current through 2007)
- 2003 **Member**, Metropolitan NY Council of University Clinic Directors in Communication Sciences (current through 2007)
- Editor**, *The Communicator*, bimonthly, 20+ page news magazine of NYSSLHA (ended 2007)
- Member**, American Auditory Society
- New York State Liaison**, American Academy of Audiology (current in 2007)
- 2002 **Director of Audiology**, Board of Directors, New York State Speech-Language-Hearing Association (NYSSLHA); (term ended 2004)
- Coordinator**, Audiology Study Group of New York
- Co-Chair**, Job Placement Center, American Academy of Audiology Annual Convention, Philadelphia, PA
- Committee member**, Task Force on Electronic Audiogram and HIPAA compliance, American Academy of Audiology
- 2001 **Co-chair**, Job Placement Center, American Academy of Audiology Annual Convention, San Diego CA
- Member**, Tri-State Vestibular Society, New York, NY (through 2004)
- 1997-00 **Committee member**, Job Placement Center, American Academy of Audiology Annual Conventions: Ft. Lauderdale, FL; Los Angeles, CA; Miami, FL; Chicago, IL
Chair: Carmen Brewer, PhD
- 1996-99 **Web Editor**, Employment Resources, American Academy of Audiology
Webmaster: Roy Sullivan, PhD
- 1996 **Member**, Membership Committee, American Academy of Audiology
Chair: Judy Gravel, PhD
- 1988 **Fellow**, American Academy of Audiology
- Member**, New York State Speech Hearing Language Association
- 1985 **Member**, Audiology Study Group of New York
- 1977 **Member**, American Speech-Language-Hearing Association

Department of Otolaryngology, Head & Neck Surgery Grand Rounds,
Lenox Hill Hospital, New York, NY
- Audiological Considerations of the Microtic Ear***
Pediatric Grand Rounds, Lenox Hill Hospital, New York, NY

ACCOMPLISHMENTS

- 2013 Facilitated the implementation of twice weekly group meetings of the
International Aphasia Movement at the Hunter College Brookdale campus
- 2012 iPad technology implementation in clinic
- Moved clinic from Brookdale to uptown campus after Hurricane Sandy
disaster with minimal interruption of services
- 2010 Remodeling of video recording technology in Hunter clinic

- 2009 Facilitated new webdesign for COMSC Program
- 2003 Facilitated Audiology Department merger between Lenox Hill Hospital and Manhattan Eye, Ear & Throat Hospital
- 2002 Created first and second draft brochure for Balance Management Center
Facilitated re-organization of Department of Communication Disorders at Manhattan Eye, Ear & Throat Hospital
- 2001 Facilitated the organization and implementation of Lenox Hill Hospital's Universal Newborn Hearing Screening Program
- 1999 Created brochure for Hearing Aid Dispensary
Created brochure for SSW Workshop
Organized Lenox Hill Hospital's participation in Noise Awareness Day including a successful hearing screening activity with Hunter College students
- 1998 Conceived, organized and implemented department/service marketing plan of congratulatory letter to *New York Magazine's* "Best Doctors in NY" issue. Result of campaign: recruitment of new attending physicians to Department of Otolaryngology-Head & Neck Surgery and hospital; increase in referral sources to the Center for Communication Disorders.
- 1993 Upgraded audiogram at Lenox Hill Hospital using MS Word.

HONORS

- 2011 Scholar, Award for Continuing Education, AAA
- 2008 Award for Continuing Education, ASHA
- 2007 Scholar, Award for Continuing Education, AAA
- 2005 Award for Continuing Education, ASHA
- 2003 10-Year Service Award, May 2003, Lenox Hill Hospital, New York, NY
- 1997 *Employee of the Month*, May 1997, Lenox Hill Hospital, New York, NY
- 1996 Award for Continuing Education, ASHA
- 1983 Certificate of Appreciation, American Speech-Language-Hearing Association, Annual Convention, Cincinnati, OH

COMPUTER PROFICIENCIES

- MS Excel [spreadsheet]
MS PowerPoint [presentation]
MS Publisher [desktop publishing]
MS Word [word processing]
