

# No longer will there be a *paper trail* towards graduation!

With the **EARLY AUDIT PROCESS\***, we're doing *away* with the *Degree Audit Application Form (DAAF)* and providing a seamless and efficient graduation with a degree audit processed one semester *before* your intended graduation date!

Wanna know more? We're answering all your thoughts in **20 words or less**:

**Do I still need to submit a Degree Audit Application Form (DAAF) in the beginning of my final term?**

**No need!** Your intent via your MyHunter page notifies us you're ready for graduation.

**Without a Degree Audit Application Form (DAAF), how will you know what classes I am taking towards my major/minor?**

With the use of DegreeWorks, college catalogs, your advisor(s), and Advising Services... WE GOT IT COVERED!

**How will I know what requirements I still need to graduate?**

Within 4-6 weeks, you'll receive a notification letting you know what is still required for graduation.

**What if my intent for graduation is not available and I want to graduate?**

Contact  
degree.audit@hunter.cuny.edu  
and we'll update your MyHunter page to submit your intent.

**What if I'm expecting a grade change for a course?**

**NO PROBLEM!** Once you submit your intent, there's a space to let us know!

**How do I apply for graduation?**

Simply log into your MyHunter page  
([hunter.cuny.edu/myhunter](http://hunter.cuny.edu/myhunter))  
and claim your intent.

**Does my intent for graduation also reserve my spot in commencement?**

No, you'd still have to RSVP for commencement via your MyHunter page.

**When can I submit my intent for graduation?**

The intent period opens for 3 weeks for each graduation. During this period, you can submit your intent **ANY TIME** via MyHunter.

**I NEED MORE TIME!!**  
**What if I can't follow the recommended requirements for graduation suggested by Degree Audit in time for the upcoming graduation?**

You can cancel your intent via MyHunter, meet with advisors and resubmit in the future.

**Will I need to meet with my major advisor prior to submitting my intent?**

No, but you will be notified if your advisors need to meet before approving your graduation.

**After I submit my intent, is there anything else I need to do?**

Simply register for courses that fulfill the requirements identified by your auditor.

**Will my early intent submission interfere with my registration?**

No, you will still be able to register for future courses.

**What if I am unable to submit my intent the semester before graduation?**

Intent period opens again **within the graduating semester...** but you won't have the advantage of an early audit.
