

MULTIMEDIA MATERIALS FOR GTECH 710

The Dolciani Math Center (7th Floor Hunter East) has multi-media materials for the following topics in GTECH710. Bring your ID card to the Learning Center and ask for the lesson by the call number below. If there is more than one number listed, there are several alternatives for the lesson. You may pick and choose which works best for you.

TOPIC	DVDs	PLATO Available Under:
Metric Measurement	Y7	Measurement: Metric System and Standard System
Ratio and Proportion	Y8	Rates, Ratio and Proportion
Scaling and Proportion	Y8	Rates, Ratio and Proportion
Percents	Y8	Percents
Radian Measure/Circular Functions	AT4, G-4	Trigonometry: Introduction to the Unit Circle and Right Triangles
The Distance Formula		
The Pythagorean Theorem	Z5	
Vectors		Vectors and Complex Numbers
Right Angle Trigonometry	AT4, G-4, O4	Trigonometry: Introduction to the Unit Circle and Right Triangles
More Trig Functions	AT4, G-4, K2	Trigonometry: Introduction to the Unit Circle and Right Triangles
Graphing Trig Functions	AT4, G-4, G-5, K3	Trigonometry: Introduction to the Unit Circle and Right Triangles
Tangents		Trigonometry: Advanced- Identities and Equations
Trigonometric Equations	AT5, G-6	Trigonometry: Advanced- Identities and Equations
